Seneca,2017-06-21 Like the Meditations of Marcus Aurelius Seneca's Letters are a treasure of practical wisdom on how to live and enjoy life The focus is on living a simple stress free life thorough the use of rationalism The letters provide practical steps for people to deal with the human suffering that comes with life's problems Topics featured range from discussions on the shortness of life and anger to immortality and death The Letters are part of the foundation of Stoic thought making Seneca one of the indispensable thinkers from Ancient Roman philosophy The Happy Human Gopi Kallayil,2018-09-11 Gopi Kallayil author of The Internet to the Inner net and one of Google's best and brightest uses stories from his high tech

work life and his personal life to explore what it means to be truly happy and what makes us truly human Happiness is a multimillion dollar industry catering to our deep desire to live a joyful life and to a belief that as human beings we deserve to be happy Gopi Kallayil believes in reversing that equation He holds that what we truly deserve is to be human and that the key to happiness lies in being 100 percent who we are reveling in our authentic selves even if maybe especially if that means falling on our faces Which Gopi has done Many times But he s also had spectacular success This book explores the qualities that make us human and have helped to make Gopi successful and happy in both his personal life and his professional career Told with Gopi s candor and humor his deep compassion and his love of the absurd The Happy Human spans the period from his first job as a software programmer in South China to his current position as an executive at Google in Silicon Valley Each chapter captures an event in Gopi s life where he dug deep and found the means to express himself from a place of radical confidence Singing live at Burning Man even though he sings off key and was terrified Participating in a triathlon with an open water swim when he had only swum in a pool Lifeguards pulled him into their boat to save him Speaking at Toastmasters International and being willing to be awful which he admittedly was before finally years later becoming one of their top speakers He also weaves in accounts of others who have dreamed big and acted on their dreams Gopi s stories and practices help us find happiness by embracing not only our own selves but the entire human experience inspiring us to expect miracles daily to use every fall as a chance to bounce to go for what we want on every front to live our lives full out

Metamorphoses, Augustus, Quintilian, 2023-12-21 Yale Classics Vol 2 is an exceptional compendium that traverses the vast expanse of Latin literature encapsulating an array of styles and genres from eminent classical authors. The anthology presents a rich tapestry of thought and artistry ranging from the incisive philosophical musings of Seneca to the majestic epic narratives of Virgil. Readers will discover a bevy of satires, elegies, and orations alongside philosophical treatises and historical accounts, each piece carefully selected to illustrate the philosophical, moral, and existential inquiries of Roman thought. This volume's diverse palette enriches one's appreciation of the nuanced and complex literary legacy that continues to shape Western canon. The included authors are titans of Roman literary tradition, spanning epochs and representing varied aspects of historical and philosophical discourse. This anthology deftly weaves together the voices of revered figures such as Cicero, known for his rhetorical brilliance, and Saint Augustine, whose theological reflections echo profound influence. Through the convergence of these illustrious minds, Yale Classics Vol 2 connects readers to cultural and intellectual currents of antiquity, offering insight into the rich tapestry of Roman society. The collection celebrates the enduring dynamic between individual temperaments and shared cultural mores, which collectively inform each work's thematic resonance. This volume is indispensable for those seeking a comprehensive exploration of Roman literary heritage. It serves not only as an educational resource but as a conduit for engaging dialogue among these classical authors. Yale Classics Vol 2 invites readers to immerse themselves in the extensive and varied insights of Roman civilization, fostering a deeper understanding of its contributions to literature and philosophy. This collection is ideal for anyone looking to expand their intellectual horizons and appreciate the rich diversity of classical thought through the eyes of its most celebrated figures.
