Scissors there are no real winners only victims who feel crushed cut or covered by the process or ominously empowered by it What is the solution To quit playing the game altogether How By recognizing and repenting of the game playing God does not play the game indeed control is not in Him at all Through Him humans can be transformed until the game of control gives way to a life of mutual submission the dance of relationship rather than the dissonance of control Annual Interpretative Expository 2020-2021 Church Of God In Christ Publishing House,2020-12-04 Sunday School across America is on a decline Biblical literacy is at an unprecedented low amongst believers and it seems as if there is no end to where this could lead to in our churches The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material Enlisting help from scholars across the country the department wrote the Interpretative Expository an exposition for each lesson of the Sunday School curriculum Also to assist pastors preachers missionaries and laity with sermon subjects and preparation our team has included a sample sermon outline from one of the lessons Reemphasize the message of Sunday School by preaching a message from the text of the lesson *Toolbox for Discipleship and Growth* Jan Van Haga,2019-01-10 Do you find yourself struggling in relationships Do you long to have peace and freedom in your life Does God really have a plan and purpose for you You will gain confidence to move forward in God s call for your life as you apply the rich biblical insights gleaned from Jan s experiences as a Christian counsellor Full of practical tools and strategies this book will guide you in the right direction as you learn how to give God access to your whole being forgive yourself and others and discover the joys of living free in Christ Telling God's Stories with Power Paul F.
