Impending motherhood serves up a confusing cocktail of heroic strength and terrifying vulnerability. Our culture has seized on the vulnerability part of this experience and tends to reinforce a pregnant woman's insecurities instead of encouraging her to embrace this most natural time and trust her body, her intuition, and her own mind. *Feng Shui Mommy* takes a different approach, helping the expecting mother build her own unique epic journey to motherhood. It's about supporting her while she shores up her mind/body/spirit alignment so she can best handle the cosmic kick in the uterus and juicy kiss on the soul that pregnancy is. Bailey Gaddis guides women through the experience, providing specific suggestions for mind/body and spirit for each trimester, including the fourth after birth, leading to birth preparation designed for each mother and baby, and culminating in strong mother/child bonding. She includes detailed and practical information about prenatal exercise and nutrition, birth preferences and birthing positions, breath work, breastfeeding, and much more. Her advice allows mothers to welcome delight and curiosity into the journey while taking each phase with
