The Masters:

The Masters Curt Sampson, 1999-03-16 The Masters golf tournament weaves a hypnotic spell. It is the toughest ticket in sports with black market tickets selling for 10 000 and more. Success at Augusta National breeds legends while failure can overshadow even the most brilliant of careers. But as Curt Sampson, author of the bestselling *Hogan*, reveals in *The Masters*, a cold heart beats behind the warm antebellum facade of this famous Augusta course. And that heart belongs to the man who killed himself on the grounds two decades ago. Club and tournament founder Clifford Roberts, a New York stockbroker, still seems to run the place from his grave. An elusive and reclusive figure, Roberts pulled the strings that made the Masters the greatest golf tournament in the world. His story, including his relationship with presidents, power brokers, and every golf champion from Bobby Jones to Arnold Palmer to Jack Nicklaus, has never been told. Until now. *The Masters* is an amazing slice of history taking us inside the presidency of Dwight D. Eisenhower. Augusta's most famous member. It is a look at how the new South coexists with the old South, the relationships between blacks and whites, between Southerners and Northerners, between rich and poor, with such characters as James Brown, the Godfather of Soul, the great boxer Beau Jack, and Frank Stranahan, the playboy golfer, and the only white pro ever banned from the tournament. *The Masters* is a spellbinding portrait of a tournament unlike any other. **One Week in April: the Masters**, 2009-03 Golf [The Masters](#) David

Sowell, 2021-03-01 Revered as the most prestigious tournament in golf, the Masters commands international attention even among nongolfers. The first and second editions of *The Masters: A Hole by Hole History of America's Golf Classic* took the unique approach of tackling Augusta National hole by hole. Each hole had its own chapter with colorful stories on the greatest shots, biggest disasters, and most amazing events that took place on each. David Sowell returns to Augusta with the third edition of *The Masters*, adding more history and updating each hole with additional stories of greatness and tales of woe for a new generation of golfers led by Jordan Spieth, Rory McIlroy, and Patrick Reed, as well as from an older guard represented by Bubba Watson, Adam Scott, and Sergio Garcia. The legends of the Masters are in full force in this lively look at America's golf classic. From Bobby Jones and Gene Sarazen to Arnold Palmer and Jack Nicklaus to Tiger Woods and Phil Mickelson to Bubba Watson and Jordan Spieth, all the greatest Masters moments of the greatest and not so great golfers are here in one book. This third edition provides a rich historical view of the course where success breeds legends and where failure can haunt even the most brilliant golfer's career. **Masters** Brian Howell, 2013-01-01 The Masters is one of Sports Greatest

The Masters of the Revels and Elizabeth I's Court Theatre W. R.

Streitberger,2016-02-26 The Masters of the Revels and Elizabeth I's Court Theatre places the Revels Office and Elizabeth I's court theatre in a pre modern patronage and gift exchange driven world of centralized power in which hospitality liberality and conspicuous display were fundamental aspects of social life W R Streitberger reconsiders the relationship between the biographies of the Masters and the conduct of their duties rethinking the organization and development of the Office re examining its productions and exploring its impact on the development of the commercial theatre The nascent capitalist economy that developed alongside and interpenetrated the gift driven system that was in place during Elizabeth's reign became the vehicle through which the Revels Office along with the commercial theatre was transformed Beginning in the early 1570s and stretching over a period of twenty years this change was brought about by a small group of influential Privy Councillors When this project began in the early 1570s the Queen's revels were principally in house productions devised by the Master of the Revels and funded by the Crown When the project was completed in the late 1590s the Revels Office had been made responsible for plays only and put on a budget so small that it was incapable of producing them That job was left to the companies performing at court Between 1594 and 1600 the revels consisted almost entirely of plays brought in by professional companies in the commercial theatres in London These companies were patronized by the queen's relatives and friends and their theatres were protected by the Privy Council Between 1594 and 1600 for example all the plays in the revels were supplied by the Admiral's and Chamberlain's Players which included writers such as Shakespeare and legendary actors such as Edward Alleyn Richard Burbage and Will Kempe The queen's revels essentially became a commercial enterprise paid for by the ordinary Londoners who came to see these companies perform in selected London theatres which were protected by the Council The Masters Ron Green Jr.,2008-04-01 An award winning sportswriter presents 101 reasons to love the Masters tournament at Augusta National from the down home the peach cobbler served at Augusta National's clubhouse to the sublime Ben Hogan and Byron Nelson's breathtaking playoff for the 1942 championship to the stars of today
