The Messiah In Ancient America:

The Messiah in Ancient America Bruce W. Warren, 1987 *New Testament Study Guide, Pt. 2* Randal S.

Chase, 2010-12-01 The second of three volumes on the New Testament discusses the final year of the Savior's ministry his prophecies of the last days and the second coming the Last Supper and on through his 40 day ministry among the Apostles and ascension into heaven The third volume covers most of the Book of Acts the New Testament epistles and the Book of Revelation **The Week of Atoning Sacrifice** Randal S. Chase, 2014-04-16 The Week of Atoning Sacrifice For This Purpose

Came I Into the World is a stirring summary of the most important week in the history of our Father's universe This is the week when Jesus Christ performed His act of mercy and grace that allows all of us to overcome all things and return to our Heavenly Father The story is told in a chronological narrative that adds context and meaning to the individual events of that final week Jesus enters Jerusalem triumphant with crowds shouting Hosanna But one week later those same crowds demanded that the Romans Crucify Him The intervening events show how Jesus ministered to the people healing and forgiving and teaching He cleansed the temple condemned the hypocrisy of Jerusalem's religious leaders and prophesied the destruction of the city and temple On the night before His crucifixion Jesus met with his disciples taught them and instituted the ordinance of the sacrament Then He retreated to the Garden of Gethsemane where by some process that is beyond our comprehension He suffered for the sins sorrows disappointments disabilities pains and unjust circumstances of every living child of God in every part of our vast universe in every dispensation of time Jesus is then betrayed arrested and illegally tried He declares himself to be the Son of God endures hateful and humiliating insults and is condemned to death He suffers unspeakable torture concluding with His being nailed to a cross He died ministered to the spirits in the Spirit World then rose from the dead He taught His disciples for 40 days then ascended into heaven with a promise that one day He would return in great power It was without doubt the most consequential week of human history Dr Randal S Chase a veteran CES and Institute instructor provides insights into these in a relaxed and understandable style Readers will find themselves gaining insights and understanding about the week of atoning sacrifice that may have eluded them before The cover features the stunning image of the crosses on Golgotha by Carl Bloch **Jesus Christ Visited Ancient America** Almon

Fackrell, 2013-12-04 Jesus Christ Visited Ancient America By Almon Fackrell And other sheep I have which are not of this fold them also I must bring and they shall hear my voice John 10 14 16 The Bible being the most revered book of the Christians along with the collected treasures of Mayan and Aztec antiquities testifies Jesus Christ Visited Ancient America Being an enthusiast of Bible versions and after visiting the Aztec and Mayan ruins in Mexico Almon Fackrell was prompted to have this study and reveal the parallels of Christian belief and Ancient America's religion With it Almon Fackrell was able to account for 276 similarities which prove that Israelites were in Ancient America Discover for yourself the facts that have been written both in the Bible and the Popol Vuh About the Author Almon Fackrell was born in Pingree Idaho and raised in Arimo Idaho In

Book of Mormon Study Guide, Pt. 3 Randal S. Chase, 2010-12-08 Helaman through Moroni This volume is the third of three on the Book of Mormon It covers the Book of Helaman through through the Book of Moroni This includes the period of great wickedness just prior to the coming of Christ We read of the missions of Nephi and Lehi followed by Samuel the Lamanite The signs of Christ s birth and death are given followed by their fulfillment Great destruction occurs on the American continent and only the righteous survive in the Land of Bountiful Christ appears to the Nephites teaches and heals them organizes His Church and ordains 12 disciples to lead them After His departure a Zion people live in peace for many years then decline again into great wickedness We read of the final days of the Nephites in the writings of Mormon and Moroni We also read about the Jaredites who were the first to inherit the land long before Lehi s family arrived In all it covers 2 000 years of Jaredite history and 469 years of Nephite history from 52 BC to 421 AD when the book of Moroni closes

The cover features a beautiful painting titled Behold Your Little Ones by Del Parson **Where in the Americas Are the Lands of the Book of Mormon?** Eldon V. Guymon, 2018-06-20 The Book of Mormon was published in 1830 This book tells us that Lehi and his family sailed from the cost of Arabia after 600 BC Supposedly Lehi landed in Peru and his descendants colonized Columbia and later moved northward through a narrow pass The Isthmus of Panama has been assumed to be the narrow pass The land to the north of Panama was supposed to be the land of Desolation Warfare was common between two groups Nephites and Lamanites Roughly AD 400 the Lamanites destroyed the Nephites at the Hill Cumorah which is said to be in New York USA Historic church leaders are quoted to support the historic theories However the church today has no position on the location of the lands in question so one may choose for himself where the lands were located Quoting historic church leaders proves nothing Scientists associated with the historic Archaeological Department of Brigham Young University have presented Mesoamerica as the lands of the book Mormon told us that the river Sidon ran north to the sea 1981 B of M Index p 730 The Mississippi runs south and is not the river Sidon Mormon also told us that the people of Zarahemla Mulekites crossed a salt ocean landing at the land of Desolation Hence the land of Desolation bordered a salt ocean Alma 22 30 and 63 5 These facts discount several theories including the heartland theory and great lakes theories However historians quote early church leaders as prophets and continue to hold to traditional beliefs The Book of Mormon is the position of the Church of Jesus Christ of Latter day Saints The lands in question must fit with this book regardless of traditions The book fits in Mesoamerica Because people in 1830 had little or no knowledge of the cultures of Mesoamerica Joseph Smith could not have stolen the book from other authors and the early Mormons could not have written the book Read

Where in the Americas are the Lands of the Book of Mormon to find out what the Book of Mormon tells us about the lands in question **Scriptures from Ancient America** Roy Arthur Cheville,1964 Presents the author s insights into the Book of Mormon and other sacred writings *Ancient America Speaks* Leland Hans Monson,1958 **Jaredites: the Missing Civilization X** Jim Hendleman,2013-05-20 This book covers the origin and archaeological development of selected categories of civilized elements identified as being Jaredite in origin It is an attempt to elevate the Jaredite civilization into the light of day from the heretofore dark mists of history where science has forced it for the last 2 500 years The Jaredite civilization spanned a possible 2 530 years and its known achievements have far exceeded those of modern mans in many regards In c 2800 BC the Jaredites built a pair of concrete superhighways over 2 700 miles complete with paved exits and a secondary road network nearly the entire length of the South American continent Their civilization could answer the riddles of the Sphinx the questions of who built the pyramids and why the mystery and likely origin of UFOs prove whether or not George Lucas had the only ET detail what Noah brought aboard the ark besides three sons and their families and provide an answer to the question posed to Dr J Robert Oppenheimer by a student as to whether Alamogordos nuclear bomb in July 1945 was the first ever atomic bomb explosion in history Many other possible but likely Jaredite achievements are incredibly fascinating and await only an honest archaeological effort to prove them The historical facts exist they are real and three dimensional but to date standard classical science has relegated them to the dustbin of historys forgotten basement closet Satan has made a tremendous effort since mankinds beginning to keep man blinded to the historical facts of our heritage causing the deliberate destruction of millions of artifacts scrolls books and whole libraries throughout the world to do so This book is but a small effort to expose and make known a portion of mankinds previously hidden but rightful heritage

Mormon's Clues James Warr,2006-03 This book is a must for the serious student of Book of Mormon geography Written with an outside the box approach it takes a new look at the subject and proposes new locations based upon the clues given by the book s prophets The author reasons that the primary clue would be the narrow neck of land and proposes a location for that landmark The remaining lands and cities are then located working out from this key point Proposals for the Jaredite lands are also made and the Jaredite and Nephite cultures compared and contrasted The important topics of distance direction and populations are discussed in a straight forward manner Where possible archeological sites are identified and correlated with the proposed geography A location for the Hill Cumorah is suggested and a novel method proposed for proving Book of Mormon sites The work is appropriately illustrated with helpful maps and charts A discussion of the various theories regarding Book of Mormon lands is also included
