McWhorter, 2022-08-25 Very seldom does life hand us a beautiful picture and story without first handing us a mess Life is full of messy The Messy in the Middle is a book that talks about the disappointment and hopelessness that one may feel in the middle of their own life's mess without leaving the reader hopeless Throughout the book Stephanie shares some of her own messy middle by taking the reader on a journey with her as she processes her own disappointment coming out of a divorce She lets you in on a few of her intimate conversations with God as she processes her own disappointment to encourage her readers to be real with God about what's in their heart so that he can heal their heart The Messy in the Middle isn't a book about over-spiritualizing the disappointments life throws our way but rather about facing the disappointment life throws our way because there is no good story without a little messy in the middle
