China's New Global Strategy Suisheng Zhao, 2020-06-29 Rising as a global power and regarding the existing world order unjust and unreasonable enough to meet the interests of both itself and other emerging powers China has demanded reform to global governance and taken new initiatives using its new quotient of wealth and influence to draw

countries into its orbit This comprehensive volume focuses on the two most important of these initiatives the Belt and Road Initiative BRI launched in 2013 to strengthen China s connectivity with a large part of the world through infrastructure and economic development and the Asian Infrastructure Investment Bank AIIB created in 2015 which represented China s effort in the reconstruction of the international development rules This book explores how these two initiatives are central to China s emerging global strategy The authors examine China s geopolitical and geo economic motivations and domestic political dynamics in launching these two initiatives They also investigate the responses from the major foreign partners involved in both initiatives This book will be of great interest to students academics and researchers of China s emerging global strategy It comprises articles originally published in the Journal of Contemporary China Framing the EU Global Strategy Nathalie Tocci,2017-07-26 This book tells the story of the EU Global Strategy EUGS By reflecting back on the 2003 European Security Strategy this book uncovers the background the process the content and the follow up of the EUGS thirteen years later By framing the EUGS in this broader context this book is essential for anyone wishing to understand European foreign policy The author who drafted the EUGS on behalf of High Representative and Vice President of the Commission HRVP Federica Mogherini uses the lens of the EUGS to provide a broader narrative of the EU and its functioning Tocci s hybrid role as a scholar and adviser has given her unique access to and knowledge of a wide range of complex structures and actors all the while remaining sufficiently detached from official processes to retain an observer s eye This book reflects this hybrid nature while written by and for scholars it is not a classic scholarly work but will appeal to anyone wishing to learn more about the EUGS and European foreign policy more broadly A Global Strategy for Housing in the Third Millennium W.A. Allen,R.G. Courtney,E. Happold,A.M. Wood,2005-09-20 This book outlines the emerging determinants in a global context for the provision of housing for the growing shifting and changing populations In doing so the reader will be encouraged to foresee the complementary evolution in the planning design and construction of housing in the developed and developing world
