Daughter Sea Strength Unchanging Strengthen Me The Shari a are an ancient race They are unwarlike and they are ruled by their shamanic witches The Allemanii are more recently arrived in their locale and are both awed and made fearful by the magical powers of the witches After generations of peaceful coexistence a cataclysm occurred out of nowhere and the Allemanii turned on their neighbors and hosts slaughtered most of them and scattered the survivors Suddenly to be a Shari a is proscribed and to be caught practicing their magic is to be hunted to the death In MOTHER OCEAN DAUGHTER SEA Brierly thinking herself to be the last of her long lost kind practices the forbidden ancient healing art at constant risk of her life Execution is the penalty if she is caught but her need to help those who are themselves in need is stronger than any fear for her own safety If I am the last I will be a flame to the end But her attempt to save the wife of a nobleman sworn to wipe out her kind plunges her into a conspiracy of deceit and a hidden power struggle more deadly than anything she has ever known Her fight for survival may lead her to a love for the ages and perhaps to discover the surviving remnants of her people if she lives *The Midwife's Touch* Sue Harrison,2023-02-07 A rare gift determines one woman s destiny in the breathtaking debut of a new trilogy from the international bestselling author of the Ivory Carver Trilogy At just six years old it becomes

clear that China Creed's birthright passed down from her mother's side of the family is the power to grant wishes with only a touch. In their small Ozark town where superstition runs rampant, the only person who can be trusted with her secret is the Cherokee midwife and healer who makes China her apprentice. After the tumult of the Civil War, a new doctor arrives in town who is curious about the lovely young woman who can birth babies and banish hexes. As his interest in her deepens and China's life is torn apart by her mother's death and accusations of witchcraft, she will have to decide if her secret and her heart are finally safe in his hands. In this epic nineteenth-century tale of alienation and avarice, survival and sacrifice, China will travel from the backwoods of Missouri to the mansions of Manhattan as she searches for a future where she is finally free to trust, to love, and to touch. Childbirth and Authoritative Knowledge Robbie E. Davis-Floyd, Carolyn Fishel Sargent, 2023-04-28. This benchmark collection of cross-cultural essays on reproduction and childbirth extends and enriches the work of Brigitte Jordan, who helped generate and define the field of the anthropology of birth. The authors focus on authoritative knowledge—the knowledge that counts on the basis of which decisions are made and actions taken—highlights the vast differences between birthing systems that give authority of knowing to women and their communities and those that invest it in experts and machines. *Childbirth and Authoritative Knowledge* offers first-hand ethnographic research conducted by anthropologists in sixteen different societies and cultures and includes the interdisciplinary perspectives of a social psychologist, a sociologist, an epidemiologist, a staff member of the World Health Organization, and a community midwife. Exciting directions for further research as well as pressing needs for policy guidance emerge from these illuminating explorations of authoritative knowledge about birth. This book is certain to follow Jordan's *Birth in Four Cultures* as the definitive volume in a rapidly expanding field. This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology.
