The Politics Of Environmental Reform Controlling Kentucky Strip Mining:

The Politics of Environmental Reform Marc K. Landy, The Politics of Environmental Reform Marc Karnis Landy, 2016-03-17 The Politics of Environmental Reform demonstrates how environmental laws affect local governments with Kentucky strip mining as its core example Originally published in 1976 Landy's research into environmental legislation in a state whose economy relies on the coal industry can easily be applied to all forms of government shedding light on issues such as policy initiation federal state relations and regulatory performance This title will be of interest to students of Environmental Studies and professionals **Energy Abstracts for Policy Analysis**, 1978 To Save the Land and People Chad Montrie, 2003-11-20 Surface coal mining has had a dramatic impact on the Appalachian economy and ecology since World War II exacerbating the region's chronic unemployment and destroying much of its natural environment Here Chad Montrie examines the twentieth century movement to outlaw surface mining in Appalachia tracing popular opposition to the industry from its inception through the growth of a militant movement that engaged in acts of civil disobedience and industrial sabotage Both comprehensive and comparative To Save the Land and People chronicles the story of surface mining opposition in the whole region from Pennsylvania to Alabama Though many accounts of environmental activism focus on middle class suburbanites and emphasize national events the campaign to abolish strip mining was primarily a movement of farmers and working people originating at the local and state levels Its history underscores the significant role of common people and grassroots efforts in the American environmental movement This book also contributes to a long running debate about American values by revealing how veneration for small private properties has shaped the political consciousness of strip mining opponents Surface Mining Control and Reclamation Act of 1977 Section 501(b) Regulatory Program, 1979

Fighting Back in Appalachia Stephen Fisher, 2009 Citizen resistance and struggle in Appalachia since 1960 **Fossil Energy Update**, 1977 State and Local Politics David Berman, 2015-02-18 Politics at the state and local level has never been more interesting than in our devolutionary age This popular text is the most concise readable and current introduction to the field Now in its ninth edition the book keeps its focus on the varied and changing political and economic environments in which state and local governments function and their strengths and weaknesses in key areas of public policy The text is enlivened by boxed sections that relate individual experiences or highlight particular issues and developments Topics covered in this edition include the drive toward devolution in the federal system fiscal constraints political accountability affirmative action majority minority districts and changing approaches to welfare education land use and law enforcement

The Fall of Kentucky's Rock George G. Humphreys, 2022-01-18 This in depth study offers a new examination of a region that is often overlooked in political histories of the Bluegrass State George G. Humphreys traces the arc of politics and the economy in western Kentucky from avid support of the Democratic Party to its present day Republican identity He demonstrates that despite its relative geographic isolation the region west of the eastern boundary of Hancock Ohio Butler

Warren and Simpson Counties to the Mississippi River played significant roles in state and national politics during the New Deal and postwar eras Drawing on extensive archival research and oral history interviews Humphreys explores the area s political transformation from a solid Democratic voting bloc to a conservative stronghold by examining how developments such as advances in agriculture the diversification of the economy and the civil rights movement affected the region Addressing notable deficiencies in the existing literature this impressively researched study will leave readers with a deeper understanding of post 1945 Kentucky politics **Interest Group Politics in the Southern States** Ronald J. Hrebenar, Clive Thomas, 1992-07-30 Underscores the pivotal and at times controlling role played by interest groups in southern politics
