

Note to Parents

Dear Parents,

Happy new school year! I am so excited to be your child's teacher for their 1st grade year! I have been teaching 1st grade for 18 years and I feel truly lucky to do a job I am passionate about. To be most effective I am writing to ask you to become a partner with me in your child's education. I will only have your child for a short time so I want to make a contribution that will last a lifetime.

I know my teaching must begin with making children feel at home in the classroom and helping all the children come together into a learning community. This community is made up of unique individuals, each with his or her own learning style, strengths, interests, history, hopes, and dreams.

Would you please help me by taking a moment to write about your child: What is your child like? What are his or her interests? What are things you, as a parent, know that would be important for me to know? What has his or her school experiences been like so far? How do you see your child as a learner and as a person? What are your main goals for your child this year? Please use the attached envelope and kindly send in your response by Friday, July 12th.

Thank you for your cooperation. I look forward to a wonderful partnership in your child's education.

Sincerely,
Mrs. Christina Winter
