The Presidents In American History

Judy Baston

The Presidents In American History:

The Presidents in American History Charles Austin Beard, William Beard, 1969 Briefly summarizes the achievements of each presidential administration from Washington to Ford Includes a biographical digest giving basic facts about each President a list of Vice Presidents and cabinet members and the results of each presidential election [The Presidents of American History](#) Charles Austin Beard, William Beard, 1969 **Don't Know Much About the American Presidents** Kenneth C. Davis, 2012-02-21 From a New York Times bestselling author a captivating and unique overview of the first 44 presidents of the United States from George Washington to Barack Obama Using his entertaining question and answer style to chart the history of the presidency itself as well as debunk the myths of America's Here's the young Lincoln building his mother's coffin and dragging a tragic burden through the snow to the burial Theodore Roosevelt America's youngest president shockingly pushed into the presidency with greatness thrust upon him FDR the only man elected four times concealing his crippling disability from the American public as he led the nation through depression and world war and Lyndon Johnson reelected in a landslide then crushed by the weight of the Vietnam War For history buffs and history phobes alike this book is packed with memorable facts that will change your understanding of the highest office in the land and the men who have occupied it *Presidents and Presidencies in American History* Jolyon P. Girard, 2019-10-07 This innovative encyclopedia explores the life and times of America's forty five presidents from the first administration to that of Donald Trump Forty five men have served as President of the United States since George Washington swore the oath of office in 1789 in New York City Some have proved exceptional leaders and others have not Some have faced serious crises both foreign and domestic Franklin Roosevelt was elected to four terms leading the country through a major economic depression and a world war while one held the office for only a single month Each however played a key role in the evolution of United States history Each of their histories therefore remains a critical civics lesson to consider This four volume encyclopedia provides an expansive analysis of the life and times of each United States president in chronological order from George Washington to Donald Trump Each chapter includes a timeline a biographical sketch a historical overview and an analytical essay concerning the president and his presidency Each also includes a substantial selection of related primary documents presenting important presidential speeches and correspondence A suggested reading list for further study of each president rounds out each entry *The American President* William Edward Leuchtenburg, 2015 The American President is an enthralling account of American presidential actions from the assassination of William McKinley in 1901 to Bill Clinton's last night in office in January 2001 William Leuchtenburg one of the great presidential historians of the century portrays each of the presidents in a chronicle sparkling with anecdote and wit Leuchtenburg offers a nuanced assessment of their conduct in office preoccupations and temperament His book presents countless moments of high drama FDR hurling defiance at the economic royalists who exploited the poor ratcheting tension for JFK as Soviet vessels approach an American naval blockade

a grievously wounded Reagan joking with nurses while fighting for his life This book charts the enormous growth of presidential power from its lowly state in the late nineteenth century to the imperial presidency of the twentieth That striking change was manifested both at home in periods of progressive reform and abroad notably in two world wars Vietnam and the war on terror Leuchtenburg sheds light on presidents battling with contradictory forces Caught between maintaining their reputation and executing their goals many practiced deceits that shape their image today But he also reveals how the country's leaders pulled off magnificent achievements worthy of the nation's pride Now with a preface new to the paperback edition *The American President* provides a timely reflection on the office that has shaped and continues to shape the destiny of the United States and its people

Presidents and Presidencies in American History Jolyon P. Girard, 2019-10-07 This innovative encyclopedia explores the life and times of America's forty-five presidents from the first administration to that of Donald Trump Forty-five men have served as President of the United States since George Washington swore the oath of office in 1789 in New York City Some have proved exceptional leaders and others have not Some have faced serious crises both foreign and domestic Franklin Roosevelt was elected to four terms leading the country through a major economic depression and a world war while one held the office for only a single month Each however played a key role in the evolution of United States history Each of their histories therefore remains a critical civics lesson to consider This four-volume encyclopedia provides an expansive analysis of the life and times of each United States president in chronological order from George Washington to Donald Trump Each chapter includes a timeline a biographical sketch a historical overview and an analytical essay concerning the president and his presidency Each also includes a substantial selection of related primary documents presenting important presidential speeches and correspondence A suggested reading list for further study of each president rounds out each entry

Charles A. Beard's the Presidents in American History Charles Austin Beard, William Beard, 1957 Briefly summarizes the achievements of each presidential administration from Washington to Reagan Includes a biographical digest giving basic facts about each President a list of Vice Presidents and cabinet members and the results of each presidential election

The Presidents in American History, Brought Forward Since 1948 Charles Austin Beard, William Beard, 1966 Briefly summarizes the achievements of each presidential administration from Washington to Carter Includes a biographical digest giving basic facts about each President a list of Vice Presidents and cabinet members and the results of each presidential election

American History, American Politics, and American Presidents Judy Baston, 2022-02-03 This book includes much information about the forty-four persons who have served as President of the United States including their native states military service lengths of presidential service and ages at death In the main however this book is an introduction to an outline of and an overview of American history since 1789 the year the American presidency began In the book I have divided American history since 1789 into six periods Each period coincides with the time that between four and ten specified individuals served as President For each period the emphasis is on domestic policy foreign policy and

presidential election results American Historical Record ,1874
