Skywriting By Word Of Mouth:

Skywriting by Word of Mouth John Lennon, 1987-10-09 John Lennon wrote *Skywriting by Word of Mouth* an impressive collection of writings and drawings during Yoko Ono's pregnancy with Sean and always planned to have it published. The book's publication was a wish that seemed to end with Lennon's assassination in 1980 and the theft of the manuscript from the Lennons home in 1982. When it was recovered and first published in 1986, *Skywriting* received immediate critical and popular acclaim. Filled with Lennon's extraordinary creative powers and lavishly illustrated with his own drawings, the collection reveals his fertile creative spirit up close and in full force. Included in *Skywriting* are *Two Virgins* written when the public learned that John and Yoko were living together as husband and wife and John's only autobiography *The Ballad of John and Yoko*. In addition, there are notes on his falling in love with Yoko, the breakup of the Beatles, his persecution by U.S. authorities, and his withdrawal from public life. This is a book with John Lennon's spirit on every page, a spirit the world needs to remember.

The Art And Music Of John Lennon Peter Doggett, 2009-12-17 From his childhood paintings to the song he recorded on the day he died, here is a complete catalogue of Lennon's work across many fields: songwriting, performing, drawing, painting, film, poetry, prose, and conceptual art. This magnificent book also contains detailed information about all of the Lennon recording sessions, as part of the Beatles, as a solo artist, and with Yoko Ono. Plus a complete UK and US discography, home demo recordings, composing tapes, studio outtakes, live recordings, collaborations, and interviews. Peter Doggett's fascinating book traces the story of a unique creative adventure that ended too soon but left behind an incalculable legacy of words, images, and music from a giant of rock n roll who always searched for the truth beyond the limits of his frame. Beatles Historian Peter Doggett provides the definitive guide to the imaginative work of John Lennon. This comprehensive account details a man whose life and work were indivisible. Whether it was his amusing drawings to amuse classmates, recording million-selling hits with the Beatles, or making avant garde with Yoko Ono, John Lennon never stopped being a creator. And Doggett explores his vivid imagination across many different Lennon projects spanning many years and creative forms.
