James Trotman, 2002-05-06 Multi culturalism Roots and Realities Edited by C James Trotman Examines the place of multiculturalism in our society The most meaningful support for multiculturalism has come from intellectuals such as those represented in this book who have discovered greater meaning about our American past by incorporating the concepts driving multi culturalism These essays engage the word and its meanings as varied as they are in an effort to add and expand on the dialogue for this ever increasingly vital concept However Multiculturalism Roots and Realities is not a book aimed at debates instead each essay generally makes use of multiculturalism as a way of examining history and social themes while providing a broader and perhaps a deeper view of 19th century American life and thought The book s general goal which in fact belongs to all of us is to recognize excellence in the cultures of the historically neglected claim excellence where it is found and position it so that it can contribute to a fuller understanding of the human condition Contributors include Susan Alves Barbara J Ballard Jeannine DeLombard Juniper Ellis Joe B Fulton Henry Louis Gates Richard E Greene Richard Hardack Julie Husband Gillian Johns Verner D Mitchell Christine Palumbo DeSimone Janet Shannon C James Trotman Matthew Wilson and Julie Winch C James Trotman is Professor of English and founding director of the Frederick Douglass Institute at West Chester University of Pennsylvania He is author of Langston Hughes The Man His Art and His Continuing Influence Sales territory is worldwide January 2002 320 pages 6 1 8 x 9 1 4 cloth 0 253 34002 0 49 95 L 35 50 paper 0 253 21487 4 22 95 s 16 50 **A**

DuBois Professor of the Humanities Harvard University, 1987-07-16 The originality brilliance and scope of the work is remarkable Gates will instruct delight and stimulate a broad range of readers both those who are already well versed in Afro American literature and those who after reading this book will eagerly begin to be Barbara E Johnson Harvard University A critical enterprise of the first importance Gates promises to lead and to show the way in boldness of conception in vigor of execution and in vitality and pertinence of expression James Olney Louisiana State University Recently awarded Honorable Mention from the John Hope Franklin Publication Prize Committee of the American Studies Association Figures in Black takes a provocative new look at how we analyze and define black literature Henry Louis Gates Jr attacks the notion that the dominant mode of Afro American literature is or should be a kind of social realism evaluated primarily as a reflection of the Black Experience Instead Gates insists that critics turn to the

language of the text and bring to their work the close methodical analysis of language made possible by modern literary theory But his goal in this volume is not merely to apply contemporary theory to black texts Indeed as he ranges from 18th century poet Phillis Wheatley to modern writers Ishmael Reed and Alice Walker he attempts to redefine literary criticism itself moving it away from a Eurocentric notion of a hierarchical canon mostly white Western and male to foster a truly comparative and pluralistic notion of literature In doing so he provides critics with a powerful tool for the analysis of black art and more important reveals for all readers the brilliance and depth of the Afro American tradition Narrative of the Life of Frederick Douglass, an American Slave Frederick Douglass, 2014-08-21 Narrative of the Life of Frederick Douglass an 1845 memoir and treatise on abolition written by the famous orator and former slave Frederick Douglass It is generally held to be the most famous of a number of narratives written by former slaves during the same period In factual detail the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States Narrative of the Life of Frederick Douglass recounts Douglass life as a slave and his ambition to become a free man **What to the Slave is the Fourth of July?** Frederick Douglass, 2021-04-23 What to the Slave Is the Fourth of July 1852 is a novella by Frederick Douglass Having escaped from slavery in the South at a young age Frederick Douglass became a prominent orator and autobiographer who spearheaded the American abolitionist movement in the mid nineteenth century In this famous speech published widely in pamphlet form after it was given to a meeting of the Rochester Ladies Anti Slavery Society on July 5th 1852 Douglass exposes the hypocrisy of America's claim to Christian and democratic ideals in spite of its legacy of enslavement Personal and political Douglass speech helped inspire the burgeoning abolitionist movement which fought tirelessly for emancipation in the decades leading up to the American Civil War What have I or those I represent to do with your national independence Are the great principles of political freedom and of natural justice embodied in that Declaration of Independence extended to us What to the American slave is your 4th of July I answer a day that reveals to him more than all other days in the year the gross injustice and cruelty to which he is the constant victim Drawing upon his own experiences as an escaped slave Douglass offers a critique of American independence from the perspective of those who had never been free within its borders Hopeful and courageous Douglass voice remains an essential part of our history reminding us time and again who we are who we have been and what we can be as a nation While much of his radical message has been smoothed over through the passage of time its revolutionary truth continues to resonate today With a beautifully designed cover and professionally typeset manuscript this edition of Frederick Douglass What to the Slave Is the Fourth of July is a classic of African American literature reimagined for modern readers *A House Divided* Mason I.
