Slavery And The Peculiar Solution A History Of The American Colonization Society:

Slavery and the Peculiar Solution Eric Burin, 2016-08-01 An exceptional work that will stand for years as the best study of the African colonization movement Burin's insights into this often misunderstood idea will be appreciated by all historians of the early national era The research both archival and secondary is excellent Douglas Egerton Le Moyne College Burin adds significantly to our understanding of the world view of slaveholding colonizationists of their negotiations with prospectively freed people and of their struggle with proslavery critics of colonization Historians of proslavery thought will find new ideas and information here Torrey Stephen Whitman Mount St Mary's College From the early 1700s through the late 1800s many whites advocated removing blacks from America The American Colonization Society ACS epitomized this desire to deport black people Founded in 1816 the ACS championed the repatriation of black Americans to Liberia in West Africa Supported by James Madison James Monroe Henry Clay and other notables the ACS sent thousands of black emigrants to Liberia In examining the ACS's activities in America and Africa Eric Burin assesses the organization's impact on slavery and race relations Burin focuses on ACS manumissions that is instances wherein slaves were freed on the condition that they go to Liberia In doing so he provides the first account of the ACS that covers the entire South throughout the antebellum era He investigates everyone involved in the society's affairs from the emancipators and freedpersons at the center to the colonization agents free blacks southern jurists newspaper editors neighboring whites proslavery ideologues northern colonizationists and abolitionists on the periphery In mixing a panoramic view of ACS operations with close ups on individual participants Burin presents a unique bifocal perspective on the ACS Although colonization leaders initially envisioned their program as a pacific enterprise in reality the push and pull among emancipators freedpersons and others rendered ACS manumissions logistically complex financially troublesome legally complicated and at times socially disruptive enterprises Like pebbles dropped in water ACS manumissions rippled outward destabilizing slavery in their wake Based on extensive archival research and a database of 11 000 ACS emigrants Burin's study offers new insights concerning the origins intentions activities and fate of the colonization movement

Chained to History Steven J. Brady, 2022-02-15 Winner of the 2022 Phillis Wheatley Book Award Historical Academic Nonfiction In *Chained to History* Steven J Brady centers slavery in America's pre Civil War foreign relations From the aftermath of the American Revolution Brady examines how slavery influenced military economic and moral diplomatic challenges He demonstrates how slavery intertwined with America's foreign policy affecting trade extradition treaties and military alliances Brady highlights the constraints on American policymakers who despite an international shift toward abolition were limited by the proslavery interests of the Democratic Party As global powers abolished slavery the American stance became increasingly untenable From the Age of Revolutions through the Civil War slavery consistently shaped US relations with the Atlantic World and beyond *Chained to History* explores this crucial issue comprehensively revealing how the practice of human bondage influenced America's reentry into the global community after

1865 *Slavery in the American Republic* David F. Ericson, 2011-10-27 Many scholars believe that the existence of slavery stymied the development of the American state because slaveholding Southern politicians were so at odds with a federal government they feared would abolish their peculiar institution David Ericson argues to the contrary showing that over a seventy year period slavery actually contributed significantly to the development of the American state even as a house divided Drawing on deep archival research that tracks federal expenditures on slavery related items Ericson reveals how the policies practices and institutions of the early national government functioned to protect slavery and thereby contributed to its own development Here are surprising descriptions of how the federal government increased its state capacities as it implemented slavery friendly policies such as creating more stable slave markets by removing Native Americans deterring slave revolts recovering fugitive slaves enacting a ban on slave imports and not enacting a ban on the interstate slave trade It also bolstered its own law enforcement power by reinforcing navy squadrons to interdict illegal slave trading hiring deputy marshals to capture fugitive slaves and slave rescuers and deploying soldiers to remove Native Americans and deter slave rescues and revolts Going beyond Don Fehrenbacher's *The Slaveholding Republic* Ericson shows how the presence of slavery indirectly influenced the development of the American state in highly significant ways Enforcement of the 1808 slave import ban involved the federal government in border control for the first time and participation in founding a colony in Liberia established an early model of public private partnerships The presence of slavery also spurred the development of the U S Army through its many slavery related deployments particularly during the Second Seminole War and the federal government's own slave rentals influenced its labor management practices Ericson's study unearths a long neglected history connecting slavery influenced policy areas more explicitly to early American state development and more fully accounting for the money and manpower the federal government devoted to those areas Rich in historical detail it marks a significant contribution to our understanding of state development and the impact of slavery on early American politics **Race and**

Ethnicity in America Russell M. Lawson, Benjamin A. Lawson, 2019-10-11 Divided into four volumes *Race and Ethnicity in America* provides a complete overview of the history of racial and ethnic relations in America from pre contact to the present The five hundred years since Europeans made contact with the indigenous peoples of America have been dominated by racial and ethnic tensions During the colonial period from 1500 to 1776 slavery and servitude of whites blacks and Indians formed the foundation for race and ethnic relations After the American Revolution slavery labor inequalities and immigration led to racial and ethnic tensions after the Civil War labor inequalities immigration and the fight for civil rights dominated America's racial and ethnic experience From the 1960s to the present the unfulfilled promise of civil rights for all ethnic and racial groups in America has been the most important sociopolitical issue in America *Race and Ethnicity in America* tells this story of the fight for equality in America The first volume spans pre contact to the American Revolution the second the American Revolution to the Civil War the third Reconstruction to the Civil Rights Movement and the fourth the Civil Rights Movement

to the present All volumes explore the culture society labor war and politics and cultural expressions of racial and ethnic groups

American Civil War Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict

In Search of Liberty Ronald Angelo Johnson, Ousmane K. Power-Greene, 2021-07-15 In Search of Liberty explores how African Americans since the founding of the United States have understood their struggles for freedom as part of the larger Atlantic world The essays in this volume capture the pursuits of equality and justice by African Americans across the Atlantic World through the end of the nineteenth century as their fights for emancipation and enfranchisement in the United States continued This book illuminates stories of individual Black people striving to escape slavery in places like Nova Scotia Louisiana and Mexico and connects their efforts to emigration movements from the United States to Africa and the Caribbean as well as to Black abolitionist campaigns in Europe By placing these diverse stories in conversation editors Ronald Angelo Johnson and Ousmane K Power Greene have curated a larger story that is only beginning to be told By focusing on Black internationalism in the eighteenth and nineteenth centuries In Search of Liberty reveals that Black freedom struggles in the United States were rooted in transnational networks much earlier than the better known movements of the twentieth century

New Directions in the Study of African American Recolonization Beverly Tomek, Matthew J. Hetrick, 2022-10-18 Beginning in 1816 the American Colonization Society worked to send American blacks to resettle in Africa From inception however its foundational ethos has been debated These debates continued long after the effective end of the ACS during WWI through the Civil Rights movement to today when even historians among the Press's own authors respectfully hold opposing views In this volume Beverly Tomek and Matthew Hetrick gather essays from scholars with different opinions and divergent methodologies offering not only new research to address some of the old questions about American colonization and

missionary activities but also new questions to spur further debate Political Groups, Parties, and Organizations That Shaped America Scott H. Ainsworth Ph.D., Brian M. Harward, 2019-07-19 This three volume set explores the multiple roles that parties and interest groups have played in American politics from the nation's beginnings to the present This set serves as an essential resource for analyzing the emergence and impact of parties and interest groups in the American political system and for understanding the systematic and structural bases for interest group and party behavior Volume One opens with an introduction by the editors that provides a general overview of the eras and identifies important themes and events laying a foundation on which the subsequent essays and primary documents for each interest group or political party builds Narrative essays focus on how specific parties or interest groups have shaped or reflect a particular set of events or general themes in each of the eras in American political history Topical entries reflect key themes developed throughout the volumes Entries range from important founding groups and parties to contemporary political action committees and policy advocacy groups The set also includes primary source documents e g letters platform documents court decisions flyers etc that reveal important dimensions of the corresponding group's political influence **Founding Sins** Joseph S. Moore, 2015-09-15 In *Founding Sins* Joseph Moore examines the forgotten history of the Covenanters America's first Christian nationalists He explores how they profoundly shaped American's understandings of the separation of church and state and set the acceptable limits for religion in politics for generations to come **Migration and Diaspora Formation** Ciprian Burlăcioiu, 2022-09-20 The role of migration for Christianity as a world religion during the last two centuries has drawn considerable attention from scholars in different fields The main issue this book seeks to address is the question whether and to what extent migration and diaspora formation should be considered as elements of a new historiography of global Christianity including the reflection upon earlier epochs By focusing on migration and diaspora the emerging map of Christianity will include the dimension of movement and interaction between actors in different regions providing a more comprehensive map of agency of individuals and groups previously regarded as passive Furthermore local histories will become parts of a broader picture and historiography might correlate both local and transregional perspectives in a balanced manner Behind this approach lies the desire to broaden the perspective of Ecclesiastical History and religious history in general in a more systematic manner by questioning the traditional criteria of selection This might help us to recover previously lost actors and forgotten dynamics Religion, Race, and the Making of Confederate Kentucky, 1830-1880 Luke E. Harlow, 2014-04-21 This book places religious debates about slavery at the centre of American political culture before during and after the Civil War **The World of the Revolutionary American Republic** Andrew Shankman, 2014-04-16 In its early years the American Republic was far from stable Conflict and violence including major land wars were defining features of the period from the Revolution to the outbreak of the Civil War as struggles over who would control land and labor were waged across the North American continent The World of the Revolutionary American Republic brings together original essays from an array of scholars to

illuminate the issues that made this era so contested Drawing on the latest research the essays examine the conflicts that occurred both within the Republic and between the different peoples inhabiting the continent Covering issues including slavery westward expansion the impact of Revolutionary ideals and the economy this collection provides a diverse range of insights into the turbulent era in which the United States emerged as a nation With contributions from leading scholars in the field both American and international *The World of the Revolutionary American Republic* is an important resource for any scholar of early America

Apostle of Union Matthew Mason,2016-09-02 Known today as the other speaker at Gettysburg Edward Everett had a distinguished and illustrative career at every level of American politics from the 1820s through the Civil War In this new biography Matthew Mason argues that Everett s extraordinarily well documented career reveals a complex man whose shifting political opinions especially on the topic of slavery illuminate the nuances of Northern Unionism In the case of Everett who once pledged to march south to aid slaveholders in putting down slave insurrections Mason explores just how complex the question of slavery was for most Northerners who considered slavery within a larger context of competing priorities that alternately furthered or hindered antislavery actions By charting Everett s changing stance toward slavery over time Mason sheds new light on antebellum conservative politics the complexities of slavery and its related issues for reform minded Americans and the ways in which secession turned into civil war As Mason demonstrates Everett s political and cultural efforts to preserve the Union and the response to his work from citizens and politicians help us see the coming of the Civil War as a three sided not just two sided contest

The Struggles of John Brown Russwurm Winston James,John Brown Russwurm,2010-08-30 John Brown Russwurm 1799 1851 was an educator abolitionist editor government official emigrationist and colonizationist in the Pan African movement His life was one of firsts first African American graduate of Maine s Bowdoin College co founder of Freedom s Journal America s first newspaper to be owned operated and edited by African Americans and following his emigration to Africa first black governor of the Maryland section of Liberia Despite his accomplishments Russwurm struggled internally with the perennial Pan Africanist dilemma of whether to go to Africa or stay and fight in the United States and his ordeal was the first of its kind to be experienced and resolved before the public eye

Freedom's Currency Julia Wallace Bernier,2024-09-24 The first comprehensive study of self purchase in the United States from the American Revolution to the Civil War Enslaved people lived in a world in which everything had a price Even freedom Freedom s Currency follows enslaved people s efforts to buy themselves out of slavery across the United States from the American Revolution to the Civil War In the first comprehensive study of self purchase in the nation Julia Wallace Bernier reveals how enslaved people raised money fostered connections and made use of slavery s systems of value and exchange to wrest control of their lives from those who owned them She chronicles the stories of famous fugitives like Frederick Douglass who with the help of friends and supporters purchased his freedom to protect himself against the continued legal claims of his enslavers and the possibility of recapture She also shows how enslaved

fathers like Lunsford Lane and mothers like Elizabeth Keckley tried to secure lives for their families outside of slavery Freedom s Currency argues that freedom played a central role in the social and economic lives of the enslaved and in the ways that these aspects of their lives overlapped This intimate portrait of community illuminates the complexity of enslaved people s ideas about their place at the intersection of slavery and American capitalism and their attempts to value freedom above all Given the stakes liberation or remaining enslaved it is an account of both triumph and devastating failure *Bonds of Salvation* Ben Wright,2020-12-16 Ben Wright s *Bonds of Salvation* demonstrates how religion structured the possibilities and limitations of American abolitionism during the early years of the republic From the American Revolution through the eruption of schisms in the three largest Protestant denominations in the 1840s this comprehensive work lays bare the social and religious divides that culminated in secession and civil war Historians often emphasize status anxieties market changes biracial cooperation and political maneuvering as primary forces in the evolution of slavery in the United States Wright instead foregrounds the pivotal role religion played in shaping the ideological contours of the early abolitionist movement Wright first examines the ideological distinctions between religious conversion and purification in the aftermath of the Revolution when a small number of white Christians contended that the nation must purify itself from slavery before it could fulfill its religious destiny Most white Christians disagreed focusing on visions of spiritual salvation over the practical goal of emancipation To expand salvation to all they created new denominations equipped to carry the gospel across the American continent and eventually all over the globe These denominations established numerous reform organizations collectively known as the benevolent empire to reckon with the problem of slavery One affiliated group the American Colonization Society ACS worked to end slavery and secure white supremacy by promising salvation for Africa and redemption for the United States Yet the ACS and its efforts drew strong objections Proslavery prophets transformed expectations of expanded salvation into a formidable antiabolitionist weapon framing the ACS s proponents as enemies of national unity Abolitionist assertions that enslavers could not serve as agents of salvation sapped the most potent force in American nationalism Christianity and led to schisms within the Presbyterian Baptist and Methodist churches These divides exacerbated sectional hostilities and sent the nation farther down the path to secession and war Wright s provocative analysis reveals that visions of salvation both created and almost destroyed the American nation *Abolition and Empire in Sierra Leone and Liberia* B. Everill,2012-12-15 Bronwen Everill offers a new perspective on African global history applying a comparative approach to freed slave settlers in Sierra Leone and Liberia to understand their role in the anti slavery colonization movements of Britain and America *Stamped from the Beginning* Ibram X. Kendi,2016-04-12 The National Book Award winning history of how racist ideas were created spread and deeply rooted in American society Some Americans insist that we re living in a post racial society But racist thought is not just alive and well in America it is more sophisticated and more insidious than ever And as award winning historian Ibram X Kendi argues racist ideas have a long and lingering history one in which nearly

every great American thinker is complicit In this deeply researched and fast moving narrative Kendi chronicles the entire story of anti black racist ideas and their staggering power over the course of American history He uses the life stories of five major American intellectuals to drive this history Puritan minister Cotton Mather Thomas Jefferson abolitionist William Lloyd Garrison W E B Du Bois and legendary activist Angela Davis As Kendi shows racist ideas did not arise from ignorance or hatred They were created to justify and rationalize deeply entrenched discriminatory policies and the nation s racial inequities In shedding light on this history Stamped from the Beginning offers us the tools we need to expose racist thinking In the process he gives us reason to hope The Oxford Encyclopedia of American Social History Lynn Dumenil,2012-06-07

The Oxford Encyclopedia of American Social History is the first reference work to eschew a narrow focus on past presidents intellectuals military heroes and other exhaustively studied and well remembered persons and instead examine the history of ordinary Americans The more than 450 entries in the Encyclopedia examine our shared history from the bottom up with entries on the way automobiles shaped American lives the westward movement of settlers and farmers in the eighteenth and nineteenth centuries the transformation of work over time the women s suffrage movement counterculture leisure activities consumption patterns voting habits population movements racial divides and many more fascinating topics intended to help readers develop a richer framework for understanding the social experience of Americans throughout history *The Early Imperial Republic* Michael A. Blaakman,Emily Conroy-Krutz,Noelani Arista,2023-03-21 Created in a world of empires the United States was to be something new an expansive republic proclaiming commitments to liberty and equality but eager to extend its territory and influence Yet from the beginning Native powers free and enslaved Black people and foreign subjects perceived interacted with and resisted the young republic as if it was merely another empire under the sun Such perspectives have driven scholars to reevaluate the early United States as the parameters of early American history have expanded in Atlantic continental and global directions If the nation s acquisition of Puerto Rico Guam and the Philippine Islands in 1898 traditionally marked its turn toward imperialism new scholarship suggests the United States was an empire from the moment of its creation The essays gathered in *The Early Imperial Republic* move beyond the question of whether the new republic was an empire investigating instead where how and why it was one They use the category of empire to situate the early United States in the global context its contemporaries understood drawing important connections between territorial conquests on the continent and American incursions around the globe They reveal an early U S empire with many different faces from merchants who sought to profit from the republic s imperial expansion to Native Americans who opposed or leveraged it from free Black colonizationists and globe trotting missionaries to illegal slave traders and anti imperial social reformers In tracing these stories the volume s contributors bring the study of early U S imperialism down to earth encouraging us to see the exertion of U S power on the ground as a process that both drew upon the example of its imperial predecessors and was forced to grapple with their legacies Taken together they argue that American empire was never

confined to one era but is instead a thread throughout U S history Contributors Brooke Bauer Michael A Blaakman Eric Burin

Slavery And The Peculiar Solution A History Of The American Colonization Society Introduction

Slavery And The Peculiar Solution A History Of The American Colonization Society Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Slavery And The Peculiar Solution A History Of The American Colonization Society Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Slavery And The Peculiar Solution A History Of The American Colonization Society : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Slavery And The Peculiar Solution A History Of The American Colonization Society : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Slavery And The Peculiar Solution A History Of The American Colonization Society Offers a diverse range of free eBooks across various genres. Slavery And The Peculiar Solution A History Of The American Colonization Society Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Slavery And The Peculiar Solution A History Of The American Colonization Society Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Slavery And The Peculiar Solution A History Of The American Colonization Society, especially related to Slavery And The Peculiar Solution A History Of The American Colonization Society, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Slavery And The Peculiar Solution A History Of The American Colonization Society, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Slavery And The Peculiar Solution A History Of The American Colonization Society books or magazines might include. Look for these in online stores or libraries. Remember that while Slavery And The Peculiar Solution A History Of The American Colonization Society, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if

your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Slavery And The Peculiar Solution A History Of The American Colonization Society eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Slavery And The Peculiar Solution A History Of The American Colonization Society full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Slavery And The Peculiar Solution A History Of The American Colonization Society eBooks, including some popular titles.

FAQs About Slavery And The Peculiar Solution A History Of The American Colonization Society Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Slavery And The Peculiar Solution A History Of The American Colonization Society is one of the best book in our library for free trial. We provide copy of Slavery And The Peculiar Solution A History Of The American Colonization Society in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Slavery And The Peculiar Solution A History Of The American Colonization Society. Where to download Slavery And The Peculiar Solution A History Of The American Colonization Society online for free? Are you looking for Slavery And The Peculiar Solution A History Of The American Colonization Society PDF? This is definitely going to save you time and cash in something you should think about.
