everywhere she goes which is kind of nice actually Just as Serwa starts to get the hang of this whole normal girl who doesn't punch vampires every day thing an adze infiltrates her school It's up to her to whip some of her classmates into monster fighting shape before all of them become firefly food And when she uncovers a secret that upends everything she thought she knew about her family's role in the slayer vs adze war Serwa will have to decide which side of herself normal girl or slayer is the right one After all seventh grade is hard enough without adding vampires to the mix Complete your middle grade action adventure collection with these titles Rick Riordan Presents Tristan Strong Punches a Hole in the Sky by Kwame Mbalia Rick Riordan Presents The Storm Run
