Tennant, 1987-12-01      **The Slide Valve, Simply Explained** William J. Tennant, 2015-06-04 Excerpt from *The Slide Valve Simply Explained* This work is based upon notes and diagrams which were prepared by the writer with no more ambitious object originally than to help his railway students toward the obtainment of clear general notions upon the important subject of the slide valve For practical demonstration of the functions and operation of the slide valve a large sectional model engine with provision for variation of the operation of its parts is very valuable but it seems to the writer to be desirable that each student should have in his own possession a model to cogitate upon and that his model should give him graphically results which should be not merely qualitative but also in some degree quantitative to enable him to institute comparisons between the actions of different valves operated under varying conditions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *The Reference Catalogue of Current Literature*, 1906      Valve Setting: Simple Methods of Setting the Plain Slide Valve, 1908      **SLIDE VALVE, SIMPLY EXPLAINED** WILLIAM J.
