Indicating Value in Early-Stage Technology Venture Valuation Christoph Philipp Wessendorf,2021-08-24 Fundraising for venture capital investments have continued to increase in recent years One crucial step in the investment process is the valuation of the target company Investors are faced with the great challenge of valuing a young venture without a corporate or financial history a firm customer relationship or even a business model while still taking into account the tremendous growth potential Especially the valuation of technology companies is a difficult and often subjective process Motivated by these considerations this dissertation details a design science research project which aims to develop an artifact that improves the indication of value in early stage technology venture valuation while enabling operationalizable and fair valuation This approach ensures a more meaningful valuation and better applicability to early stage technology ventures compared to traditional methods while supporting the deliberate reduction of information asymmetries between entrepreneurs and investors Firm specific characteristics and practical applicability are taken into account

The Cognitive Artifacts of Designing Willemien Visser,2006-08-08 In this dynamic review and synthesis of empirical research and theoretical discussion of design as cognitive activity Willemien Visser reconciles and integrates the classical view of design as conceptualized by Herbert Simon s symbolic information processing approach with modern views of design such as the situativity approach as formulated by Donald Schon The author goes on to develop her own view on design in which design is most appropriately characterized as a construction of representations She lays the groundwork for the integration of design research and cognitive science This seemingly simple framework has implications that set the stage for this mutually beneficial integration

The Artifact Hunters Janet Fox,2020-08-25 Isaac Wolf can travel through time But he s also in a race against it With tensions in Prague rising at the height of World War II Isaac Wolf is forced to leave home with nothing more than a small backpack and a pendant in the shape of an eternity knot His parents believe the pendant will keep him safe if he can discover what it really means This clue leads him to Rookskill Castle home of the Special Alternative Intelligence Unit where gifted children can learn to harness their powers to support the Allies cause With the help of his new friends and an antique watch that allows him to travel through time Isaac must unlock his own powers and uncover the true meaning of the eternity knot The only way he can do that though is by hunting for a series of magical artifacts that are scattered throughout the past and Isaac isn t the only artifact hunter Soon he finds himself in a race against a threat just as deadly as the war itself one that his parents had been trying to shield him from all along

Confessions of a Heretic

Eric Leland Saak, 2025-06-15 This book is the second of a planned three volume systematic theology under the title Confessions of a Heretic Volume One which has the subtitle Philosophical Considerations was published by Archway in 2024 The project now turns to Theological Considerations with the forthcoming Volume Three being Ecclesiological Consideration Organized into three Parts Volume Two focuses on the theological endeavor and the doctrines distinctive to Christianity namely the Trinity Jesus Christ sin and salvation Based on the foundational distinctions and definitions explicated in Volume One the current volume seeks to ask what the philosophical considerations imply for basic traditional understandings and terminology of Christian theology including that of Jesus of Nazareth his crucifixion and resurrection The project as a whole adopts a trinitarian structure with this second volume focused on God the Son or as here termed God the Perfector The argument is that Christian Theology needs to shift from an anthropocentric to a theocentric approach recognizing human beings simply as creatures and having the courage to face what that entails Yet doing so necessitates a radical

reconceptualization of the very foundations of Christian Theology itself in the attempt to combat idolatry **Networked Flow** Andrea Gaggioli, Giuseppe Riva, Luca Milani, Elvis Mazzoni, 2012-10-04 Identifying networked flow as the key driver of networked creativity this new volume in the Springer Briefs series deploys concepts from a range of sub disciplines in psychology to suggest ways of optimizing the innovative potential of creative networks In their analysis of how to support these networks the contributing authors apply expertise in experimental social cultural and educational psychology They show how developing a creative network requires the establishment of an optimal group experience in which individual intentions inform and guide collective goals The volume represents a three fold achievement It develops a ground breaking new perspective on group creativity the notion of networked flow as a bridging concept linking the neuropsychological psychological and social levels of the creative process In addition the authors set out a six stage model that provides researchers with a methodological framework also by referring to the social network analysis for studying the creativity traditionally associated with interpersonal contexts Finally the book includes perceptive analysis of the novel possibilities opened up by second generation internet technologies particularly in social networking that seem destined to develop and sustain online creativity As a wide ranging exposition of a new direction in theoretical psychology that is laden with exciting possibilities this volume will inform and inspire professionals scholars and students alike **Pink Beam** Lord Rc, 2007-07-01 A study of the novels and short stories of science fiction writer Philip K Dick 1928 1982 with presentation of a literary chronology of his career

The Artifact: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Artifact : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Artifact : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
