DIRECTED BY **JOHN HUSTON** · PRODUCED BY **ARTHUR HORNBLow, JR.**

A METRO-GOLDWYN-MAYER PICTURE

The Asphalt Jungle

Ben Maddow, John Huston

The Asphalt Jungle:

The Asphalt Jungle William Riley Burnett, 1949 A story of the underworld of a large Midwestern city **The Asphalt Jungle** John Huston, 1949 **The Asphalt Jungle** Ben Maddow, John Huston, 1980 Dore Schary then head of production at Metro Goldwyn Mayer bought *The Asphalt Jungle* while it was still in manuscript in an effort to match the success Warner Brothers had enjoyed with Burnett's *Little Caesar* and *High Sierra* The choice of Ben Maddow and John Huston as screenwriters assured the artistic success of the screenplay for few writer-directors could have matched Huston's ability to develop these characters cinematically It was a case of strength building upon strength Burnett's fully developed characters were transformed by Maddow and Huston into a screenplay of impressive immediacy Indeed the portrayal of the criminals in splendid performances from Louis Calhern Sam Jaffe Sterling Hayden James Whitmore and Jean Hagen led Bosley Crowther to lament If only it all weren't so corrupt But the characters of Burnett, Maddow and Huston don't permit us to romanticize about them or their activities We share their professional pride in a robbery well planned and are silent accomplices to their mutual treachery *The Asphalt Jungle* was nominated for best screenplay by the Motion Picture Academy and for best written American drama by the Writers Guild John Huston received a nomination for best director by the Academy As a novel *The Asphalt Jungle* has been translated into twelve languages *The Asphalt Jungle* Ben Maddow, John Huston, 1949 *The Asphalt Jungle (1950): Shooting Script*, 1950 **L.A. Noir** William Hare, 2008-02-07 Los Angeles is an ideal city for film noir for both economic and aesthetic reasons The largest metropolitan area in the country home to an ever-changing population of the disillusioned and in close proximity to city mountains ocean and desert the City of Angels became a center of American film noir This detailed discussion of nine films explores such topics as why certain settings are appropriate for film noir why L.A. has been a favorite of authors such as Raymond Chandler and relevant political developments in the area The films are also examined in terms of story content as well as how they developed in the project stage Utilizing a number of quotes from interviews the work examines actors directors and others involved with the films touching on their careers and details of their time in L.A. The major films covered are *The Big Sleep* *Criss Cross* *D.O.A.* *In a Lonely Place* *The Blue Gardenia* *Kiss Me Deadly* *The Killing* *Chinatown* and *L.A. Confidential* **Gangsters and G-Men on Screen** Gene D. Phillips, 2014-09-26 While the gangster film may have enjoyed its heyday in the 1930s and 40s it has remained a movie staple for almost as long as cinema has existed From the early films of Humphrey Bogart James Cagney and Edward G. Robinson to modern versions like *Bugsy* *Public Enemies* and *Gangster Squad* such films capture the brutality of mobs and their leaders In *Gangsters and G-Men on Screen: Crime Cinema Then and Now* Gene D. Phillips revisits some of the most popular and iconic representations of the genre While this volume offers new perspectives on some established classics usual suspects like *Little Caesar* *Bonnie and Clyde* and *The Godfather Part II* Phillips also calls attention to some of the unheralded but no less worthy films and filmmakers that represent the genre Expanding the viewer's notion of what constitutes a gangster film Phillips offers such

unusual choices as *You Only Live Once* *Key Largo* *The Lady from Shanghai* and even the 1949 version of *The Great Gatsby*. Also included in this examination are more recent ventures such as modern classics *The Grifters* and Martin Scorsese's *The Departed*. In his analyses Phillips draws on a number of sources including personal interviews with directors and other artists and technicians associated with the films he discusses. Of interest to film historians and scholars *Gangsters and G Men on Screen* will also appeal to anyone who wants to better understand the films that represent an important contribution to crime cinema.

John Huston as Adaptor Douglas McFarland, Wesley King, 2017-01-28 John Huston as Adaptor makes the case that adaptation is the salient element in Huston's identity as a filmmaker and that his early and deep attraction to the experience of reading informed his approach to film adaptation. Thirty four of Huston's thirty seven films were adaptations of literary texts and they stand as serious interpretations of literary works that could only be made by an astute reader of literature. Indeed Huston asserted that a film director should be above all else a reader and that reading itself should be the intellectual and emotional basis for filmmaking. The seventeen essays in this volume not only address Huston as an adaptor but also offer an approach to adaptation studies that has been largely overlooked. How an adaptor reads the works to which he is drawn and how his literary interpretations can be brought to the screen without relegating film to a subservient role are some of the issues addressed by the contributors. An introductory chapter identifies Huston as the quintessential Hollywood adaptor and argues that his skill at adaptation is the mark of his authorial signature. The chapters that follow focus on fifteen of Huston's most important films including *The Maltese Falcon* 1941 *The Treasure of the Sierra Madre* 1948 *The African Queen* 1951 *The Night of the Iguana* 1964 *Under the Volcano* 1984 and *The Dead* 1987 and are divided into three areas: aesthetics and textuality, history and social context, and theory and psychoanalysis. By offering a more comprehensive account of the centrality of adaptation to Huston's films *John Huston as Adaptor* offers a greater understanding of Huston as a filmmaker.

The Asphalt Jungle Ben Maddow, Arthur Hornblow (Jr.), John Huston, 1950

Public Enemies, Public Heroes Jonathan Munby, 2009-04-24 In this study of Hollywood gangster films Jonathan Munby examines their controversial content and how it was subjected to continual moral and political censure. Beginning in the early 1930s these films told compelling stories about ethnic urban lower class desires to make it in an America dominated by Anglo Saxon Protestant ideals and devastated by the Great Depression. By the late 1940s however their focus shifted to the problems of a culture maladjusting to a new peacetime sociopolitical order governed by corporate capitalism. The gangster no longer challenged the establishment the issue was not making it but simply making do. Combining film analysis with archival material from the Production Code Administration Hollywood's self censoring authority Munby shows how the industry circumvented censure and how its altered gangsters influenced by European filmmakers fueled the infamous inquisitions of Hollywood in the postwar 40s and 50s by the House Committee on Un American Activities. Ultimately this provocative study suggests that we rethink our ideas about crime and violence in depictions of Americans fighting against the status quo.

The Enigmatic Realm of **The Asphalt Jungle**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. The Asphalt Jungle Introduction

In today's digital age, the availability of The Asphalt Jungle books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Asphalt Jungle books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Asphalt Jungle books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Asphalt Jungle versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Asphalt Jungle books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Asphalt Jungle books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Asphalt Jungle books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Asphalt Jungle books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Asphalt Jungle books and manuals for download and embark on your journey of knowledge?

FAQs About The Asphalt Jungle Books

1. Where can I buy The Asphalt Jungle books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Asphalt Jungle book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
