

SHERILYN FENN

THE ASSASSINATION FILE

She has all the evidence.
Now she's demanding answers.

[DOLBY DIGITAL] [STEREO] [CINEMA] [PG-13]

The Assassination File

N Noddings

The Assassination File:

Investigation of the Assassination of Martin Luther King, Jr United States. Congress. House. Select Committee on Assassinations, 1979 **Investigation of the Assassination of President John F. Kennedy** United States. Warren Commission, 1964 Breach of Trust Gerald D. McKnight, 2005-10-04 The Warren Commission's major conclusion was that Lee Harvey Oswald was the lone assassin of President John F. Kennedy. Gerald McKnight rebuts that view in a meticulous and devastating dissection of the Commission's work. The President's Commission on the Assassination of President Kennedy was officially established by Executive Order to investigate and determine the facts surrounding JFK's murder. The Warren Commission, as it became known, produced 26 volumes of hearings and exhibits, more than 17,000 pages of testimony, and a 912-page report. Surely a definitive effort. Not at all. McKnight argues. The Warren Report itself, he contends, was little more than the capstone to a deceptive and shoddily improvised exercise in public relations designed to prove that Oswald had acted alone. McKnight argues that the Commission's own documents and collected testimony, as well as thousands of other items it never saw, refused to see, or actively suppressed, reveal two conspiracies: the still very murky one surrounding the assassination itself and the official one that covered it up. The cover-up actually began, he reveals, within days of Kennedy's death, when President Johnson, FBI Director J. Edgar Hoover, and acting Attorney General Nicholas Katzenbach all agreed that any official investigation must reach only one conclusion: Oswald was the assassin. While McKnight does not uncover any smoking gun that identifies the real conspirators, he nevertheless provides the strongest case yet that the Commission was wrong and knew it. Oswald might have knowingly or unwittingly been involved, but the Commission's own evidence proves he could not have acted alone. Based on more than a quarter million pages of government documents and, for the first time ever, the 50,000 file cards in the Dallas FBI's Special Index, McKnight's book must now be the starting point for future debate on the assassination. Among the revelations in *Breach of Trust*: Both CIA and FBI photo analysis of the Zapruder film concluded that the first shot could not have been fired from the sixth floor. The Commission's evidence was never able to place Oswald at the sniper's nest on the sixth floor at the time of the shooting. JFK's official death certificate, signed by his own White House physician and contradicting the Commission's account of Kennedy's wounds, was left out of the official record. The dissenting views of the naval doctors who performed the autopsy and those of the government's best ballistic experts were kept out of the official report. The Commission's tortuous Single Bullet or Magic Bullet theory is finally and convincingly dismantled. Oswald was probably a low-level asset of the FBI or CIA or both. Commission members Gerald Ford for the FBI and Allen Dulles for the CIA acted as informers regarding the Commission's proceedings. The strong dissenting views of Commission member Senator Richard Russell D. Georgia were suppressed for years. **The Final Assassinations Report** United States. Congress. House. Select Committee on Assassinations, 1979 *Final Report of the Select Committee on Assassinations, U.S. House of Representatives, Ninety-fifth Congress, Second Session* United States. Congress. House. Select

Committee on Assassinations,1979 **A. Lincoln, His Last 24 Hours** Waldo Emerson Reck,1987-01-01 Details the last day in President Lincoln s life and the events leading up to his assassination and death according to all the available and sometimes conflicting evidence *The Man Who Killed Martin Luther King* Mel Ayton,2023-04-06 Doubts about James Earl Ray Dr Martin Luther King s lone assassin arose almost immediately after the civil rights leader was fatally shot on the balcony of the Lorraine Motel in Memphis on 4 April 1968 From the start his aides voiced suspicions that a conspiracy was responsible for their leader s death Over time many Americans became convinced the government investigations covered up the truth about the alleged assassin Exactly what led Ray to kill King continues to be a source of debate as does his role in the murder However Mel Ayton believe the answers to the many intriguing questions about Ray and how conspiracy ideas flourished can now be fully understood Missing from the wild speculations over the past fifty two years has been a thorough investigation of the character of King s assassin Additionally the author examines exactly how the conspiracy notions came about and the falsehoods that led to their promulgation *The Man Who Killed Martin Luther King* is the first full account of the life of James Earl Ray based on scores of interviews provided to government and non government investigators and from the FBI s and Scotland Yard s files plus the recently released Tennessee Department of Corrections prison record on Ray Most importantly the testimony of Anna Sandhu has often been ignored by writers but her story is crucial in gaining an understanding of Ray s deceptive ways A courtroom artist who after listening to Ray s story later married him Also missing from accounts of the alleged conspiracy is the story told to this author by Brushy Mountain State Penitentiary Deputy Warden Rolland H Cisson which decisively renders Ray s claims of innocence to be bogus In the short lived freedom he acquired after escaping from the Missouri State Penitentiary in 1967 following being sentenced to twenty years in prison for repeated offenses he traveled to Los Angeles and decided to seek notoriety as the one who would stalk and kill Dr King who he had come to hate vehemently From the time of King s murder the reader will follow Ray to solitary confinement in a Nashville prison Then six years later on 10 June 1977 James Earl Ray again escaped from prison this time with five others Ray was the last to be recaptured having survived only on wheatgerm Finally the book relays Ray s stabbing by several black inmates then his resulting diagnosis with Hepatitis C which caused his death twelve years later in 1998 **Borgata: Clash of Titans** Louis Ferrante,2025-01-07 This epic three volume history of the mafia continues with Borgata Clash of Titans covering 1960 to 1985 as the mob comes into conflict with the American political elite and confronts internal wars that will shake the organization to its foundations The first serious external threat to the mafia s existence in America comes from U S Attorney General Robert F Kennedy who repeatedly expresses his desire to eradicate organized crime in America Kennedy unleashes the full force of the U S Justice Department including a slumbering FBI that Kennedy will drag into the fray to the apparent dismay of long time FBI Director J Edgar Hoover The mafia s unforgiving response is executed by Louisiana don Carlos Marcello along with Florida don Santo Trafficante who together take aim at the attorney general s brother the

president of the United States With the president dead and the attorney general out of office things return to normal for the mob but internal problems begin to appear within a number of borgatas shaking the mafia to its core Mobster Joe Valachi becomes the first ever public informant when he testifies before a senate sub committee while Brooklyn mobsters Larry Albert and Crazy Joe Gallo launch an insurrection against the founder and leader of their borgata Joe Profaci While the Gallo Profaci civil war is winding down don Joe Bonanno challenges the mafia s ruling body the Commission in a situation that decides if the Commission s central authority can overpower the autonomy of each individual boss As he did in the first volume of this epic history Louis Ferrante continues to debunk myths while adding new insights into other mafia mysteries such as the feud between mafia capo Anthony Tony Pro Provenzano and union leader Jimmy Hoffa revealing the most plausible scenario of why Hoffa died how he was killed and what happened to his body [Lbj the Dallas Incident](#) Dr. John Chandler Griffin,2013-08-01 The Kennedy Incident November 22 2013 will mark the 50th anniversary of the greatest crime ever committed in this great nation the assassination of John F Kennedy the president of the United States Then two days later the man accused of having committed that crime Lee Harvey Oswald was also murdered shot down in the Dallas Police Headquarters by mob thug Jack Ruby The nation was aghast How could such things happen in 20th century America Ah but not to worry President Lyndon Baines Johnson immediately announced the appointment of a blue ribbon committee chaired by none other than the Chief Justice of the Supreme Court Earl Warren to discover just how such murders could have happened in Dallas Texas in 1963 Known as the Warren Commission it was a committee whose judgment could not be questioned But then a year later the WC issued its report known as the Warren Commission Report and almost immediately citizens from one end of the country to the other were yelling questions chard questions that insulted both the WC s judgment and its objectivity As though that were not bad enough A few months later a New York attorney Mark Lane hired by Oswald s mother to vindicate her son published his myth shattering book Rush To Judgment The Warren Commission was blown out of the water But still no satisfactory answers were forthcoming Lyndon Baines Johnson and his political sycophants were very happy to blame Oswald for the entire tragedy Anyone but themselves Then in New Orleans rose a new challenge District Attorney Jim Garrison began his investigation into the murders But again the Federal Government reared its ugly head State governors across the nation were advised to ignore subpoenas to testify in Garrison s trial And in almost every instance those governors obeyed their orders Other essential witnesses simply committed suicide Garrison himself was pilloried and held up to ridicule by the national news media Still he persisted In the end with no witnesses 0 testify Garrison s trial ended in not guilty verdicts Still after 50 years he remains the only person ever to bring anyone to trial for the murders that occurred in Dallas some fifty years ago In this book based on the evidence and testimony associated with the murders of Kennedy and Oswald I have tried to present events as they actually occurred and show who was truly behind them And I do so with no apologies to anyone I will say that my heart goes out to Marina Oswald and her two daughters June Lee and

Rachel May God be with them The Reporter Who Knew Too Much Mark Shaw, 2016-12-06 Was journalist Dorothy Kilgallen murdered for writing a tell all book about the JFK assassination Or was her death from an overdose of barbiturates combined with alcohol as reported Shaw believes Kilgallen's death has always been suspect and unfolds a list of suspects ranging from Frank Sinatra to a Mafia don while speculating on the possibilities of reopening the case

This book delves into The Assassination File. The Assassination File is a crucial topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Assassination File, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to The Assassination File
- Chapter 2: Essential Elements of The Assassination File
- Chapter 3: The Assassination File in Everyday Life
- Chapter 4: The Assassination File in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of The Assassination File. The first chapter will explore what The Assassination File is, why The Assassination File is vital, and how to effectively learn about The Assassination File.
3. In chapter 2, the author will delve into the foundational concepts of The Assassination File. The second chapter will elucidate the essential principles that must be understood to grasp The Assassination File in its entirety.
4. In chapter 3, the author will examine the practical applications of The Assassination File in daily life. This chapter will showcase real-world examples of how The Assassination File can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of The Assassination File in specific contexts. The fourth chapter will explore how The Assassination File is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about The Assassination File. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Assassination File.
