Finlay, William Yarchin, 2015-10-16 The genre of biblical commentary is as old as the Bible itself and remains very much alive as a point of illuminating contact between the ancient text and its modern readers In this volume fourteen international Old Testament experts reflect upon multiple challenges of contemporary biblical commentary as a scholarly endeavor How does a commentator strike a balance between engagement with the biblical text and the commentary tradition that the text has generated over the centuries How does academically rigorous commentary writing remain relevant for pastoral and lay readers of the Bible Ancient biblical writers are notoriously diverse in their theological and literary nuances Modern readers approach the Bible from an equally wide spectrum of interests How does today s commentator act responsibly for all the text s stakeholders John E Hartley is widely respected for the multiple volumes he has produced with these questions in mind This collection of essays appears in celebration of his accomplishments in the genre of Old Testament biblical commentary **Transforming Your Workplace for Christ** William Nix,1997 For most people their most promising mission field is the workplace Yet there is a tendency to leave Christ at home or church Christians need to carry their values and faith into the world This book written by a successful executive identifies ten Christlike values every workplace needs and offers an action plan for Christians to bring those values to their workplace Real life examples of Christians who have made a difference in their workplace Practical suggestions for being an effective Christian example to co workers How to evaluate co workers spiritual needs How and when to take a stand for Christ

Appropriate methods of practicing evangelism at work **Thanks: Giving and Receiving Gratitude for America's Troops** Edgar S. Welty Jr., 2015-07-14 This is a book about faith and moral issues facing American troops and veterans As someone who spent four years wearing a U S army uniform Edgar S Welty has plenty of soldier stories But he does not start this book with those stories Instead Welty introduces his work with the telling of Simon's service when he carried the cross of our Lord Jesus Christ He argues that service is the same as Jesus's call to go an extra or second mile Americans are called by Jesus to walk a second mile for American troops and veterans This act of service is necessary because many troops are in trouble as is demonstrated by suicide rates Each section of this book focuses on a new issue surrounding troops and veterans

Osterholm, Mark Olshaker, 2025-09-02 As bad as Covid 19 was the next pandemic could be worse but we have the tools to prepare as revealed in this urgent gripping warning by the New York Times bestselling authors of Deadliest Enemy The Covid 19 pandemic was the most devastating natural event of the last century killing more than 7 million people around the globe straining the fabric of societies internationally and shaking the foundations of the global economy And yet as horrifying as the experience was Covid 19 was not actually the Big One the dreaded potential pandemic that haunts the nightmares of epidemiologists and public health officials everywhere and which will alter life across the world on every meaningful level unless we are ready to deal with it Indeed even as we learn to live with Covid 19 and continue to recover from its worst effects the next pandemic is already lurking around the corner and it may very well be worse In The Big One founding director of the Center for Infectious Disease Research and Policy Michael T Osterholm and Mark Olshaker examine past pandemics highlighting the ways societies both succeeded and failed to address them trace the Covid 19 pandemic and evaluate how it was handled and look to the future projecting what the next pandemics might look like and what must be done to mitigate them Drawing on years of high level research as well as cutting edge analysis and an innovative hypothetical scenario threaded throughout each chapter The Big One is a gripping comprehensive and urgent wake up call Because Covid 19 was just a taste of what s to come If we re going to survive the next big pandemic we need to be prepared **The Power of Positive Words** Stan Toler, 2019-03-12 Amplify Your Word Power Think about the thousands of words you use every day words you speak to others and words you think to yourself They

add up so quickly it s easy to forget the power they hold Bestselling author Stan Toler explores the power of words as a tool to create to make a difference and to do good Learning to respect the incredible effect of our words gives us insight into how they influence the people around us long after they are spoken Words are one of the most powerful forces for change in our lives Learn how you can harness your words and reshape your world The Preacher's Commentary - Vol. 31: Galatians / Ephesians / Philippians / Colossians / Philemon Maxie D. Dunnam, 2003-07-22 Written BY Preachers and Teachers FOR Preachers and Teachers Combining fresh insights with readable exposition and relatable examples The Preacher's Commentary will help you minister to others and see their lives transformed through the power of God's Word Whether preacher teacher or Bible study leader if you re a communicator The Preacher's Commentary will help you share God's Word more effectively with others This volume combining commentary on the shorter Pauline letters brings together cohesively the dynamic faith and life of apostle with special attention given to bridging the gap between the conflicts Paul faced as a world missionary with our own challenges and opportunities Each volume is written by one of today s top scholars and includes Innovative ideas for preaching and teaching God's Word Vibrant paragraph by paragraph exposition Impelling real life illustrations Insightful and relevant contemporary application An introduction which reveals the author's approach A full outline of the biblical book being covered Scripture passages using the New King James Version and explanations The Preacher's Commentary offers pastors teachers and Bible study leaders clear and compelling insights into the Bible that will equip them to understand apply and teach the truth in God's Word Horae Apocalypticae: or, A commentary on the Horæ Apocalypticæ; Or a Commentary on the Apocalypse, critical and historical Edward Bishop Elliott, 1851 Apocalypse Critical and Historical; Including Also an Examination of the Chief Prophecies of Daniel Edward Bishop A Commentary on the Collected Poems of W. B. Yeats A. Norman Jeffares, 1968-06-18 ELLIOTT, 1851 Communicator's Commentary Mark D. Roberts, 1993 Ezra and Nehemiah address issues that make the front pages of our newspapers and they speak to the yearnings of our hearts This is why the author of this volume Dr Mark Roberts enthusiastically encourages Christian communicators to explore these somewhat obscure Old Testament texts For much the same reason the author believes modern pastors and Bible students can benefit from careful study in the often maligned book of Esther He emphasizes the book s contemporary relevance stating Esther encourages us to grapple with pressing moral issues in light of God's wisdom As a pastor with a passion for communicating God's truths to young people and to the unchurched in our world Dr Roberts shares his personal success in using the books of Ezra Nehemiah and Esther to address contemporary needs Not only is this commentary well written and carefully researched but as an added plus Dr Roberts deep faith and his dynamic relationship with Christ shine through every page As Dr Lloyd Ogilvie says in the editor s preface the author of this fine volume is vulnerable open and honest about how the Scriptures he explains have impacted his own life Marked by the excellence you have come to expect in the Communicator's Commentary series this latest volume wrestles

with difficult questions such as the rightful place of Esther in the canon and the puzzling roles of Sheshbazzar and Zerubbabel provides a wide range of quotations and anecdotes from modern and classical sources to help us communicate God's message today and offers balance of exegetical historical and literary analysis along with penetrating applications of the truths reflected in these texts As communicators Dr Ogilvie says we all long for those magnificent moments in our preparation when we are gripped with an inspired insight into a passage of Scripture that prompts us to exclaim that will preach We are filled with excitement and enthusiasm to share what we ve discovered This is exactly what will happen as you study this commentary It is power packed and brimming over with new insight into familiar passages Bible Knowledge **Commentary**, 1983 The Bible Knowledge Commentary from Dallas Seminary will be welcomed by a wide spectrum of Bible students from the beginner who will find it easy to understand and easy to use to the advanced who will find it consistently thorough and reliable <u>Iesus Revealed Mark D. Roberts, 2002-08-20 Jesus Revealed reintroduces readers to the true Son of</u> God helping them see him with clear vision so that they can love him more fully and follow him more completely Readers will be surprised and delighted as they get to know the Jesus whose face is clearly revealed through the titles God gave him and the names used for him by his earliest followers A sense of comfortable familiarity with the Savior can cloud people s vision and even prevent them from drawing closer to Jesus as he really is His titles and descriptions are heard so often that it s easy to miss the impact of their true meaning Even the name Jesus is so well known that it has lost much of its power in believers lives In these pages readers will encounter a Jesus who surprises and unsettles who comforts and empowers in astonishingly authentic ways Each chapter focuses on one aspect of Jesus identity such as Rabbi Son of Man Light of the World As pastor and scholar Mark Roberts explores what s behind each of these titles he brings insight into the theological and historical meanings and then relates them to life today Readers will travel back to first century Palestine meet the God man we know as Jesus and experience a soul changing encounter with him Because to know him is to love him
