Romans Dr. Matthew N.O. Sadiku,2011-09-27 Every serious student of the Bible desires to understand the holy text

discover biblical principles and apply the truths to his or her life Romans A Pentecostal Commentary by Christian author Dr Matthew N O Sadiku is designed to help students pastors and Bible teachers understand the book of Romans in a clear and simple manner Working from the popular New International Version NIV Dr Sadiku provides helpful verse by verse commentary for the book of Romans in a straightforward simple style Because the approach is uniquely Pentecostal Dr Sadiku adheres to the doctrine of biblical inerrancy and adopts a literalist approach to the interpretation of this biblical text Romans is considered by many to be one of the most important books in the Bible as well as the most transformative it was used as the battle cry of Martin Luther against legalism and superstition during the Reformation Dr Sadiku explores new theories on Pauls letters to the Romans and supports his interpretations with historical and cultural background information from the Scriptures and outside sources Dr Sadiku also shares some of the blessings and lessons learned from his study More than a commentary this engaging text will deepen your understanding of Romans and Christ himself Exploring Romans George R. Knight, 2010 Romans is one of the few books in the New Testament that was not composed as a pastoral response to specific localized problems Instead this letter was written primarily to challenge and ultimately correct widespread misunderstandings about Christianity held by mid first century believers Some of these beliefs are embraced even now Paul s central focus in Romans is the means of obtaining salvation Point by point he systematically builds his case by articulating who needs salvation and why the role of the law God's response to the sin problem resolution of the legal issues presented by sin and the effect each has on the Christian's life This devotional commentary divides the entire text into short passages that are followed by a detailed user friendly exegetical explanation and practical application to everyday life The lives of such men as Martin Luther and John Wesley whose writings helped shape Western history were changed by the study of Romans It will change your life as well Book jacket **Romans** R. Kent Hughes, 2013-05-31 Paul's letter to the Romans is considered by many to be the richest exposition of theological truth ever written The majestic themes of justification by faith freedom from sin substitutionary atonement and God's gracious adoption of sinners ring throughout its pages In this classic commentary now updated with a fresh look and Scripture references from the ESV Bible pastor R Kent Hughes brings clear exposition and pointed application to this power packed Pauline letter Useful for corporate or individual study this volume will encourage and equip believers in their walk with God and understanding of his Word Part of the Preaching the Word series Goina on to Salvation, Revised Edition Maxie Dunnam, 2010-10-01 The church today desperately needs to recover the depth richness and wonder of the biblical and Wesleyan doctrine of salvation In this book author Maxie Dunnam offers his perspective on how to make this recovery possible Drawing deeply on biblical and Wesleyan sources Dunnam leads his readers on a rich and challenging tour of what it means to say that we are going on to salvation saved by grace Ten well drawn chapters map the full terrain of justifying sanctifying and perfecting grace and mark off those detours that too frequently have confused the way of salvation Each chapter includes questions for personal reflection and group discussion Also included in this revised

edition is a new chapter on the timely topic of Calvinism Here is a book about salvation and grace that will itself be a means of grace for congregations and individuals MAXIE DUNNAM is the chancellor of Asbury Theological Seminary the pastor emeritus of Christ United Methodist Church in Memphis Tennessee and the vice chairperson of World Evangelism of the World Methodist Council He is the author of several books including This Is Christianity Alive in Christ and The Workbook of Romans F. Leroy Forlines, 1987-12 Here's the perfect commentary to help readers understand biblical truths and communicate those truths to others The verse by verse expositions highlight and explain important Greek words from the original manuscripts They also examine the difficult theological concepts A great reference for laymen teachers and preachers Bound in an attractive hardcover with dust jacket Teaching for Spiritual Growth Perry G. Downs, 1994 Teaching for Spiritual Growth is a textbook that explains what it means to be spiritually mature and how churches can help people achieve spiritual growth **Hebrews: A Social Identity Commentary** Matthew J. Marohl, 2025-09-04 In this volume Matthew | Marohl introduces a culturally sensitive reading of Hebrews employing a social identity approach This allows readers to encounter a unique and powerful depiction of the faithful Jesus and a dynamic group of Christ followers called upon to maintain their faithfulness In the end this social identity approach reveals a work with two strands thoroughly intertwined Through the lens of conceptual blending theory Marohl examines the way in which the author combines the multiple identities of the addressees shedding light on the community dynamics of early Christ followers Marohl explores how the author describes ingroup boundaries how faithfulness is held up as the ultimate ingroup norm and how the promised rest is grounded in the language of the anticipated future Ultimately Marohl argues that Hebrews is a prime example of literature created out of crisis A Cry For Help Mipo E. Dadang, 2022-05-30 The gospel of Christ is a gospel of peace yet Christianity has not escaped the specter of religious violence. The legacy of the church has not only been one of patient suffering and forgiving love but also of brutal bloodshed With tensions between Christians and non Christians on the rise in many areas of the world the question of how the church is to respond to religious violence is a pressing one encompassing issues of ecclesiology theology and missiology Dr Mipo E Dadang explores the contextual realities that have led some believers in Northern Nigeria to embrace violence as a justifiable response to persecution Drawing on extensive interviews he provides an overview of the history of the church in the region the impact of local theologies and traditions on mindsets and behaviors and the insight of local believers into the catalysts and solutions to violent conflict Alongside this phenomenological study he provides a powerful biblical and theological foundation for understanding bloodshed as a violation of God's created order He weaves together biblical teachings the example of the early church and the theology of Martin Luther to demonstrate that the people of God are called to reject prevent and eliminate violence replacing it with creative alternatives This deeply powerful book has implications for every Christian seeking to live out the gospel of Christ in peaceful co existence with their neighbors **Life Application New Testament Commentary Bruce B.**
