Covered Bridges of New York State Rick L. Berfield, 2003-04-01 More than just relics of a bygone era covered bridges enjoy a cherished place in the public imagination and a distinctive niche in northeastern America's regional lore and architectural history Once 250 covered bridges dotted the landscape of New York State But natural disaster and human progress exacted a price leaving only twenty four historic bridges intact Here is the first detailed guide to these structures many of which are listed in the National Register of Historic Places Completed between 1854 and 1912 they represent a wide variety of designs from timber and truss constructs to odd windows and walls painted in the style of an old red barn Rick L Berfield offers an evocative look at how covered bridges came into existence and explores fully the colorful and arcane customs they inspired Kissing bridges for example offered seclusion for sweethearts Toll bridges appeared on an emerging turnpike system Baptisms and weddings were conducted on those veritable platforms which were also favored haunts for traveling sales personnel Brilliant color photos driving instructions and statistics with accompanying map make this both a practical and appealing reference practical and appealing reference a work that will interest both the devotee and general reader alike

The Series That Just Plain Sucks: The Complete Trilogy Charissa Dufour, SUCKED IN Struggling vampire romance novelist Ashley Hawn was living her dream By day she worked as a clerk at a local grocery store and by night she immersed herself in the imaginary world of sexy vampires shirtless men and endless parties Between work her writing and her best friends Chloe and Jordan life was good She was even dating a mysterious and sexy man or so she thought by the name of Isaac Then in a flash her whole world changed and she discovered herself turned Quickly she finds that life as a vampire is less sexy shirtless men endless parties and is more running for her life as she tries to dodge the attacks of every mythological creature in the area SUCKED AWAY Barely surviving the resurrection of the warlock Sedgrave Ashley has healed in body if not in mind As she slowly tries to piece together her mind sorting past from present and friend from foe the time of her joining a ritual designed to bind her to her seethe comes upon her Before the ritual can be completed in full it is interrupted by a ragged pack of werewolves seeking asylum and protection Meanwhile a storm is brewing in the mystical world with Ashley at its center and before she knows it her calm existence is once more Sucked Away

THAT SUCKED Ashley Hawn s vampire existence has been anything but calm Turned for the sole purpose of raising a long dead warlock from the grave Ashley has spent her new life fighting against those who would use her Now the warlock is back and Ashley finds herself connected to him in every way possible She must work alongside her friends to stop him from enslaving the entire human population Meanwhile the men in her life continue to show her romantic inclinations As Ashley works to break the connection between her and the warlock she ducks and dodges the attention of her male friends doing her best to ward them off without ending the friendship Will Ashley kill Sedgrave and will she have any friends left when it is all over

of Cable Supported Bridges DR. B C ROY,2024-05-15 This book presents a brief design approach for cable supported
bridges based on experiences from past projects both domestic and international that were shared by experts in bridge
engineering The specifications outlined in the book are adopted in the design of several cable stayed and extradosed bridges
in India and abroad These specifications are in conformance with the global best practices In addition reference literature
has been consulted during the compilation of various sections of the book In this endeavor the author sought suggestions and
collective guidance from some eminent specialists in cable supported bridges from the USA Europe and Asia in order to
provide a glimpse of practices across the globe In this book the author has attempted to highlight the basic principles of
cable supported bridges and the same should be used only as a guideline for design It is believed that the reader would have
acquired sufficient knowledge of analysis and design of complex bridges before going through this book Lastly brief case
studies of two notable Indian bridges the Second Vivekananda Extradosed Nivedita Bridge and Burdwan Cable Stayed Bridge
are provided While the former is an example of extradosed structure for Hooghly River crossing the latter is a three pylon
first time in India cable stayed bridge over railway tracks These examples will elucidate the purpose of this book and make it
useful to young practicing bridge engineers
