The Complete Poems Of Stephen Crane:

The Complete Poems Stephen Crane, 2011-10-09 This collection offers the complete poems of Stephen Crane 1871 1900 as well as essays on him by Joseph Conrad and Willa Cather One of the best short story writers of all time Crane was also an important poet who established laconic precision as the dominant style of free verse His followers included such authors as Carl Sandburg William Carlos Williams and e e cummings Without any doubt Crane should be regarded as the father of modern days literary minimalism

The Poems of Stephen Crane Stephen Crane, Joseph Katz, 1966 Stephen Crane has earned his place in the American literary canon largely on the basis of his novel *The Red Badge of Courage* and his psychologically compelling short fiction he was also a remarkable poet whose poetry is full of irony and paradox yet is often gentle and compassionate *The Complete Poems* is a superb tribute to that poetic genius In addition to collecting all 135 of Crane's known surviving poems editor Joseph Katz has written a substantial introduction which places Crane's poetic achievement in context
