The Completed Gesture Myth Character And Education:

The Completed Gesture John Rouse, 1978 **Voices of the Self** Keith Gilyard, 1991-07-01 A unique blend of memoir and scholarship Keith Gilyard's *Voices of the Self* is a penetrating analysis of the linguistic and cultural collision experienced by African American students in the public education system Gilyard examines how black students negotiate their way through school and discusses the tension between the use of Black English and Standard English underlining how that tension is representative of the deeper conflict that exists between black culture and white expectations Vivid descriptions often humorous sometimes disturbing always moving of Gilyard's own childhood experiences in school and society are interlaced with chapters of solid sociolinguistic scholarship Encompassing the perspectives of both the street and the academy *Voices of the Self* presents an eloquent argument for cultural and linguistic pluralism in American public schools **Qualitative Research** Stephen D. Lapan, MaryLynn T. Quartaroli, Frances J. Riemer, 2011-11-09 The authors noted scholars and researchers provide an up to date guide to qualitative study design data collection analysis and reporting Step by step the authors explain a range of methodologies and methods for conducting qualitative research focusing on how they are applied when conducting an actual study The book includes methods of data collection specific approaches to qualitative research and current issues in the field Specifically chapters cover the methods designs and analyses related to the methodologies of history case study program evaluation ethnography autoethnography narrative life histories emancipatory discourses feminist perspectives African American inquiry indigenous studies and practitioner qualitative research *Story in Children's Lives: Contributions of the Narrative Mode to Early Childhood Development, Literacy, and Learning* Kelli Jo Kerry-Moran, Juli-Anna Aerila, 2019-09-27 This book is based on the power of stories to support children in all areas of their lives It examines the role narratives can play in encouraging growth in contexts and domains such as personal and family identity creative movement memory and self concept social relationships or developing a sense of humor Each chapter describes innovative and research based applications of narratives such as movement stories visual narratives to develop historical thinking multimodal storytelling bibliotherapy mathematics stories family stories and social narratives The chapters elaborate on the strength of narratives in supporting the whole child in diverse contexts from young children on the autism spectrum improving their social skills at school to four and five year olds developing historical thinking to children who are refugees or asylum seekers dealing with uncertainty and loss Written by accomplished teachers researchers specialists teaching artists and teacher educators from several countries and backgrounds the book fills a gap in the literature on narratives this work delves into the topic of narratives in young children's lives with a breadth of topics and depth of study not found elsewhere Collectively the insights of the contributors build a convincing case for emphasizing story across the various disciplines and developmental domains of the early childhood years The writing style is scholarly yet accessible Authors used a wide array of visual material to make their points clearer and show the reader what meaningful

uses of story look like Mary Renck Jalongo Journal and Book Series Editor Springer Indiana PA USA *Landmark Essays on Rhetorics of Difference* Damian Baca, Ellen Cushman, Jonathan Osborne, 2024-11-01 *Landmark Essays on Rhetorics of Difference* challenges the Eurocentric perspective from which the field of rhetoric is traditionally viewed Taking a step beyond the creation of alternative rhetorics that maintain the centrality of the European and Greco Roman tradition this volume argues on behalf of pluriversal rhetorics that coexist as equally important on their own terms A timely addition to the respected *Landmark Essays* series it will be invaluable to students of history of rhetoric literacy composition and writing studies
