The Conscious Lovers was first performed in 1722 at Drury Lane and is generally acknowledged as the first sentimental comedy Borrowing heavily from Roman playwright Terence s Andria Richard Steele veers away from the traditional lewdness of Restoration comedy by deliberately focusing on restrained passion and patience over bawdy or salacious behavior Laughter is replaced with a more sentiment based set of comedic values Steele s model proved so influential that not until 1773 with Goldsmith s She Stoops to Conquer does the laughing comedy return to the English stage The plot revolves around Bevil Junior who though promised to a young women by his father has fallen in love with another On his wedding day he discovers his friend Myrtle loves the young woman he is to marry and he becomes consumed with jealousy Steele states in his Preface that he very intentionally wrote the play around a crucial dueling scene attempting to nudge his audience towards more restrained and refined behavior hoping that it may have some effect upon the Goths and Vandals that frequent the theaters Whether it did or not is debated but it certainly affected the nature of English comedy for decades to follow
