

The Contexts of Social Mobility

Ideology and Theory

Anselm L. Strauss

With a new introduction by Joseph Gusfield

The Contexts Of Social Mobility Ideology And Theory

Barney Glaser

The Contexts Of Social Mobility Ideology And Theory:

The Contexts of Social Mobility Anselm L. Strauss, 2017-07-12 This book contains a major statement by one of America's most preeminent sociologists on what remains an important problem in American history and social analysis: the nature and extent of movement within American society from one status to another. The most important images of mobility involve self-improvement by changing location (going to the frontier, coming to the big city) and by changing social class (second generation immigrants). Almost all sociological and historical analysis has been limited to these themes. Strauss extends the concept to a wide range of ideologies, institutional contexts, and social movements. His analysis is based on a formal theory of status passage and develops a partial theory of mobility. Strauss addresses a theme that underscores much of one strand of his work: the changing articulation of individuals with their social structure and institutions. The book follows on from the theoretical presuppositions of *Discovery of Grounded Theory* and the formal theory presented in *Status Passage*. Strauss was continually concerned with American social and intellectual life in its historical and contemporary manifestations. No one else has looked at the important phenomenon of mobility in this broad a context, and from this point of view, the book remains important to those concerned with the social history of America and with problems of social change. *Stepping into the Elite* Jules

Naudet, 2018-07-10 The experience of shifting from one social class to another, from a dominated group to a dominant group, raises the question of how the upwardly mobile person relates to his/her group of origin. *Stepping into the Elite* traces the particular ways in which upwardly mobile people in India, France, and the United States, countries embodying three distinct stratification systems, make sense of this change. Given that people draw upon specific cultural tools or repertoires to analyse their world and situate themselves in it, Naudet identifies the extent to which narratives of success vary from one country to another. For instance, he explains that while stories in a caste-ridden society such as India hinge on the preservation of bonds with the original class, in France they are centered on the idea that an upwardly mobile person is alienated from all social groups. In the United States, on the other hand, the rhetoric of success is tinged by the ardent belief in the American society being classless. A sociological journey in three different cultural contexts, this book deftly ties the exploration of questions regarding transformation of social identity and views on being successful. *The Social Science Jargon* Buster Zina

O'Leary, 2007-09-17 Are you confused by academic jargon? Do you know your discourse from your dialectic? Can you tell the difference between anomie and alienation? *The Social Science Jargon* Buster tackles the most confusing concepts in the social sciences, breaking each down and bringing impressive clarity and insight to even the most complex terms. This book successfully addresses the central task for any teacher of social theory: how to make the material accessible without making it simplistic and banal. The overall effect is a most effective text that hard-pressed students and lecturers will grab with both hands. Dave Harris, Senior Lecturer in Social Science. This practical, down-to-earth dictionary will help students new to social science discourse gain a thorough understanding of the key terms. Each entry includes a concise core definition, a more

detailed explanation and an introduction to the associated debates and controversies In addition students will find a useful outline of the practical application of each term as well as a list of key figures and recommendations for further reading This dictionary brings a refreshing clarity to social science discourse making it essential reading for all students on undergraduate social science courses

Experts Versus Laymen Barney Glaser, 2017-12-02 This book studies the relationship and balance of power between experts and laymen It is rooted in the author's analysis of customer and contractor interactions in the housing industry but relevant to other kinds of expert layman relationships Many of the conflicts between customer and contractor noted by the author also occur in lawyer client student teacher and doctor patient relations The author's research is structured around three core categories pertaining to experts relations with laymen choosing experts power symmetry and what he calls elsewhereism The first category has to do with seeking experts finding them referrals and judging whether or not to use experts Power symmetry concerns the inherent imbalance of power between an expert and a layman Elsewhereism focuses on the constant competition that laymen face with unseen others in claiming the time and services of an expert Experts versus Laymen broadens the analysis of expert layman phenomena far beyond similar studies It examines processes of bidding gaining information inspecting and evaluating work winning trust bargaining over costs and determining who has situational control This book discusses not only the contracting process in the housing industry but far more important a world of power and domination in expert laymen relationships

Beyond the Stars: Themes and ideologies in American popular film Paul Loukides, Linda K. Fuller, 1990 The third of five volumes of new scholarship on American movie conventions The 19 essays explore cinematic representations of such material items as food weapons clothing tools technology and art and literature Not illustrated No index Paper edition unseen 13 95 Annotation copyright by Book News Inc Portland OR

Social Organization and Social Process David Maines, 2024-11-01 The essays gathered in this volume contain analyses based on the general action perspective of Chicago sociology and in particular on the contributions of Anselm L Strauss whose lengthy achievement this volume honors

Sport in Globalised Societies. Changes and Challenges Torsten Schlesinger, Yvonne Weigelt-Schlesinger, 2012

Veblen in Perspective Stephen Edgell, 2015-06-01 This work discusses the impact and contemporary relevance of the work of Thorstein Veblen as well as the source of his ideas It suggests that he was one of the first modern sociologists of consumption whose analysis of contemporary display and fashion anticipated later theories and research

The Future Of U.s. Politics In An Age Of Economic Limits Bruce Shefrin, 2019-07-18 This study of the future of U S politics begins with an in depth examination of the political social and economic dynamics of the present Dr Shefrin demonstrates that economic growth has been a key element in maintaining political stability by diverting the attention of materially deprived groups away from disruptive political activity Examining the interaction of technological and political forces in the physical and social environment he argues that an expectation of economic limits is reasonable and perhaps undeniable and focuses on the changes in the political system

that can be anticipated in a no growth or slow growth society Dr Shefrin employs a nondeterministic social choice approach to reach the conclusion that because the shape of the future is of major political significance it will be the focus of intense political conflict The four scenarios he presents reflect the major alternative directions possible for U S society according to current social theory Dr Shefrin feels that the conflict among supporters of these alternatives will constitute the politics of the future **Quest for an American Sociology** Fred H. Matthews,1977-01-01 Failure of a Dream? John H. M.

Laslett,Seymour Martin Lipset,2022-05-27 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1974 Handbook of Research on Women in Management and the Global Labor Market Pereira, Elisabeth T.,Paoloni, Paola,2019-06-28 Existent literature has identified the existence of some differences between men and women entrepreneurs in terms of propensity to innovation approach to creativity decision making resilience and co creation Without properly examining the current inequalities in social economic structures it is difficult to examine the results of corporate female leadership The Handbook of Research on Women in Management and the Global Labor Market is a pivotal reference source that examines the point of convergence among entrepreneurship organizations relationship creativity and culture from a gender perspective and researches the relation between current inequalities in social economic structures and organizations in the labor market education and individual skills wages work performance promotion and mobility While highlighting topics such as gender gap woman empowerment and gender inequality this publication is ideally designed for managers government officials policymakers academicians practitioners and students **Race, Organizations, and the Organizing Process** Melissa E. Wooten,2019-05-20 This volume shifts the analytic attention of research on race as a people based theoretical or empirical category to organizations Chapters investigate how race shapes organizations and an organization s ability to get the cultural political and material resources it needs to survive i e the organizing process *Annals of the American Academy of Political and Social Science*

,1974-07 *Who Owns America?* Harvey M. Jacobs,1998-10-15 Land ownership by individual citizens is a cornerstone of American heritage and a centerpiece of the American dream Thomas Jefferson called it the key to our success as a democracy Yet the question of who owns America not only remains unanswered but is central to a fundamental conflict that can pit private property rights advocates against government policymakers and environmentalists Land use authority Harvey M Jacobs has gathered a provocative collection of perspectives from eighteen contributors in the fields of law history anthropology economics sociology forestry and environmental studies Who Owns America begins with the popular view of land ownership as seen though the television show Bonanza It examines public regulation of private land public land management the roles culture and ethnic values play in land use and concludes with Jacobs title essay Who Owns America is

a powerful and illuminating exploration of the very terrain that makes us Americans Its broad set of theoretical and historical perspectives will fascinate historians environmental activists policy makers and all who care deeply about the land we share

Demography: Analysis and Synthesis, Four Volume Set Graziella Caselli,Jacques Vallin,Guillaume

Wunsch,2006-01-03 This four volume collection of over 140 original chapters covers virtually everything of interest to demographers sociologists and others Over 100 authors present population subjects in ways that provoke thinking and lead to the creation of new perspectives not just facts and equations to be memorized The articles follow a theory methods applications approach and so offer a kind of one stop shop that is well suited for students and professors who need non technical summaries such as political scientists public affairs specialists and others Unlike shorter handbooks Demography Analysis and Synthesis offers a long overdue thorough treatment of the field Choosing the analytical method that fits the data and the situation requires insights that the authors and editors of Demography Analysis and Synthesis have explored and developed This extended examination of demographic tools not only seeks to explain the analytical tools themselves but also the relationships between general population dynamics and their natural economic social political and cultural environments Limiting themselves to human populations only the authors and editors cover subjects that range from the core building blocks of population change fertility mortality and migration to the consequences of demographic changes in the biological and health fields population theories and doctrines observation systems and the teaching of demography The international perspectives brought to these subjects is vital for those who want an unbiased rounded overview of these complex multifaceted subjects Topics to be covered Population Dynamics and the Relationship Between Population Growth and Structure The Determinants of Fertility The Determinants of Mortality The Determinants of Migration Historical and Geographical Determinants of Population The Effects of Population on Health Economics Culture and the Environment Population Policies Data Collection Methods and Teaching about Population Studies All chapters share a common format Each chapter features several cross references to other chapters Tables charts and other non text features are widespread Each chapter contains at least 30 bibliographic citations

Mothering While Black Dawn Marie Dow,2019-03-05 *Mothering While Black* examines the complex lives of the African American middle class in particular black mothers and the strategies they use to raise their children to maintain class status while simultaneously defining and protecting their children s authentically black identities Sociologist Dawn Marie Dow shows how the frameworks typically used to research middle class families focus on white mothers experiences inadequately capturing the experiences of African American middle and upper middle class mothers These limitations become apparent when Dow considers how these mothers apply different parenting strategies for black boys and for black girls and how they navigate different expectations about breadwinning and childrearing from the African American community At the intersection of race ethnicity gender work family and culture *Mothering While Black* sheds light on the exclusion of African American middle class mothers from the dominant cultural

experience of middle class motherhood In doing so it reveals the painful truth of the decisions that black mothers must make to ensure the safety well being and future prospects of their children **Cleaning Up** Alana Erickson Coble,2020-11-25

Over the course of the 20th century American domestic service changed from an occupation with a hierarchical top down structure to one in which relationships were more negotiated Many forces shaped this transformation shifts in women s role in society both at home and in the work force changes in immigration laws and immigrant populations and the politicization of the occupation Moreover domestic workers themselves took advantage of the resulting circumstances to demand better treatment and a say in their working conditions New Towns in the New World David Allan Hamer,1990 Hamer has written a broad comparative overview of the evolution of British derived urban traditions in four former colonies the US Canada Australia and New Zealand **John Dewey: Political theory and social practice** J. E. Tiles,1992

Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **The Contexts Of Social Mobility Ideology And Theory**

In some sort of inundated with screens and the cacophony of instant communication, the profound power and psychological resonance of verbal beauty often disappear in to obscurity, eclipsed by the constant onslaught of sound and distractions. However, located within the musical pages of **The Contexts Of Social Mobility Ideology And Theory**, a charming function of fictional brilliance that pulses with organic thoughts, lies an wonderful journey waiting to be embarked upon. Published with a virtuoso wordsmith, this exciting opus books viewers on an emotional odyssey, delicately revealing the latent potential and profound impact stuck within the elaborate web of language. Within the heart-wrenching expanse with this evocative analysis, we will embark upon an introspective exploration of the book is main themes, dissect its interesting writing fashion, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.

The Contexts Of Social Mobility Ideology And Theory Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Contexts Of Social Mobility Ideology And Theory PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and

finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Contexts Of Social Mobility Ideology And Theory PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Contexts Of Social Mobility Ideology And Theory free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Contexts Of Social Mobility Ideology And Theory Books

1. Where can I buy The Contexts Of Social Mobility Ideology And Theory books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Contexts Of Social Mobility Ideology And Theory book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Contexts Of Social Mobility Ideology And Theory books? Storage: Keep them away from

direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Contexts Of Social Mobility Ideology And Theory audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The Contexts Of Social Mobility Ideology And Theory books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
