The Tarot Cynthia Giles,1994-10 With more than 40 illustrations and an entertaining informative text this elegantly designed book captures the scope powers and romance of the Tarot throughout the ages Excellently researched entertainingly and compellingly written Booklist [Encyclopedia of the Holy Grail](#) Jeffrey John Dixon,2023-03-31 In the twelfth century a French poet wrote a verse romance about a young knight who witnesses a mysterious procession centered on a radiant vessel a grail Left unfinished the poem inspired other writers of prose and verse until the story was completely rewritten into the Arthurian romances in which the vessel becomes a relic of the Last Supper the Holy Grail For hundreds of years the Grail story has haunted the western imagination But the original medieval texts are full of inconsistencies as different writers attempted to complete the story in varied ways This encyclopedia illuminates a path through the Perilous Forest of literature and legend Entries summarize the stories of the principal characters sacred objects and places associated with the Grail An Afterword shows how mysteries of the grail continue to enchant the scholars and creative writers who have transformed the medieval legend into modern mythology *The Hallows of the Holy Grail Mystery Rediscovered in the Talismans of the Tarot* Arthur Edward Waite,2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **A Cultural History of Tarot** Helen Farley,2009-08-30 The enigmatic and richly illustrative tarot deck reveals a host of strange and iconic mages such as The Tower The Wheel of Fortune The Hanged Man and The Fool over which loom the terrifying figures of Death and The Devil This book explores the remarkably varied ways in which tarot has influenced culture [The Holy Grail](#) Malcolm Godwin,1994 The legend of the mystical Holy Grail and the knightly quest for it Taken from different sources this volume explores the major and very different accounts which appeared within a 30 year span 1190 1220 [The Holy Grail](#) Arthur Edward Waite,2006-01-01 The Grail legend is the centerpiece of Arthurian literature and this classic work by the renowned scholar Arthur Edward Waite ranks among the most informative and profound books ever written on the subject While the myths surrounding the Holy Grail are seemingly in harmony with orthodox religion Waite reveals that beneath their pious surface they are as subversive as any other form of mysticism illustrating the symbolic nature of doctrinal teachings no more intended for literal interpretation than is any fiction With this informative study Waite restores the full and true meaning of the knightly quests for honor and adventure as journeys of the soul [Mysteries of the Holy Grail](#) Arthur Edward Waite,2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality

modern editions that are true to the original work *The Legends of the Holy Grail* Alfred Trübner Nutt,1972 The Holy Grail Justin E. Griffin,2001-07-30 The existence of the Holy Grail has long been debated and many of these debates focus on the intellectualized or psychological aspects of it This work explores the events that gave rise to the legend of the Holy Grail and pays special attention to the texts that form the body of the legend as well as historical facts about the life of Christ the Crusades and the fall from grace of the Knights Templar The book examines the legitimacy of the claims made by several present day believers and also introduces a new theory of multiple grails and the evidence supporting this theory which the author believes answers many of the otherwise unanswered questions surrounding the Holy Grail *Sources of the Grail* John Matthews,1997 The mysterious and powerful legends surrounding the Holy Grail often identified as the cup used by Christ at the Last Supper provide a rich literature its origins and meanings veiled by the distance of centuries Here the well known Arthurian scholar John Matthews has brought together a unique collection of texts and commentaries from the Grail literature spanning many centuries such as *Perceval* by Chretien de Troyes *Le Morte d Arthur* by Sir Thomas Malory *The Mass of the Sangraal* by Arthur Machen *Mystic Aspects of the Grail Legend* by A E Waite and more From early Celtic tales to medieval romances these magical stories full of symbols and wondrous events still resonate strongly in the human soul A wonderful sourcebook for researching and enjoying the Grail legends from ancient to modern times
