Sherrill,1975 **The Happiest People on Earth** Elizabeth Sherrill,John Sherrill,2016-05-31 This is a book about a businessman named Demos Shakarian God gave Demos a vision of millions of men all over the world who had blank looks on their faces He then was taken on another trip around the world and saw these same men who found the secret to becoming the Happiest People on Earth With God's leading Demos started the Full Gospel Business Men's Fellowship International The Fellowship grew to over 8000 Chapters in 150 Countries and is still very active today His vision has inspired millions of men and women to fulfill their God-given destiny and has had a major impact on the Christian World for over 60 years Miracle Workers, Reformers, and the New Mystics John Crowder,2006-05-01 Miracle Workers Reformers and the New Mystics contains more than 70 photos illustrations and biographies of men and women whose lives have demonstrated the phenomenal throughout the ages Let their stories inspire you to join their ranks as part of this coming revival **THE LIFE AND MINISTRY OF REV. IVAN VORONAEV** Dony Donev,2012-02-26 Both papers included in this book were presented at the Society for Pentecostal Studies The first paper although heavily edited to fit the format was published in vol 30 2010 of Assemblies of God Heritage magazine under a new title Ivan Voronaev Slavic Pentecostal Pioneer and Martyr Some of the historical data we presented in the article was published openly for the first time Our research was further mentioned in the December 2010 AG Heritage editorial The Bulgarian Evangel also published our translations of Voronaev's correspondence In 2011 Vladimir Franchuk translated parts of the Voronaev's papers in Russian and included it in his book *Revival from the center of Odessa to the ends of Russia* thus making our research available to the Slavic people just in time for the 90th Anniversary from the beginning of Ivan Voronaev's Pentecostal ministry in Russia Unfortunately with all this interest little attention was given to the second paper concerning the Voronaev children until now An Emotional History of the United States Peter N. Stearns,Jan Lewis,1998 Emotions lie at our very core as human beings How we process and grapple with our emotions how and what we emote and how we respond to the emotions of others constitute the essence of our social universe In a very real sense we exist only through the prism of our emotions And yet the profound effect of human emotion on history politics religion and culture remains underexamined While the influence of emotion in such realms as American foreign policy has been well documented other emotional aspects of American history have escaped notice What role for instance does emotion have in the practice of African American religion How do shame and self-hatred influence American conceptions of identity How does our emotional life change as we age To what degree is American consumerism driven by basic human emotion With this landmark anthology historians Peter N Stearns and Jan Lewis provide a road map of the American emotional landscape From the emotional world of working class Massachusetts to the prayers of evangelical and pentecostal women and the gendered nature of black rage these essays provide a multicultural snapshot of the unique nature and evolution of

American emotions **I'm Alive** James Peter Jandu, 2024-08-22 Truly unique T L Osborn And the Lord said father him well Archbishop Benson Idahosa A modern day Smith Wigglesworth with a difference James Peter Jandu He established one of the most successful and influential global ministries based in the United Kingdom Bishop Michael Reid is a name that might have been forgotten if not for the extraordinary journey recounted in this book In a dim world he shone brightly as a modern day apostle of Jesus Christ In recognition of his service to global Christianity he was honoured with an award from Oral Roberts University From humble beginnings this is the miraculous story of a life chosen and guided by a divine hand It is a tale of betrayal so dark that it will send shivers down the spine of even the most hardened soul He supported others when they committed identical spiritual crimes they crucified him when he did twisting the knife without tears Finally after sealing off the scene of the spiritual crime they concealed the evidence with a web of deceit But his story does not end there it s an eternal story one that will never diminish The pages of this book are a testimony to the faithfulness of God I have met numerous Christian leaders and have listened to and read about many more However I have not met anyone who grasps the ways of God quite like Bishop Michael Reid Every Christian and minister should read this biography His story is like attending a school of ministry and an epistle of life in Christ Be prepared to shed tears over the heartaches and rejoice with laughter at the victories James Peter Jandu **God at Work** David W. Miller, 2007 In the 1980s Miller shows a complex set of independent developments gave rise to what is known as the Faith At Work movement He analyses the history of the movement examines membership profiles and modes of expression and constructs and proposes a new framework for discussing the movement **Thanks!** Robert A. Emmons, 2008 A scientifically groundbreaking eloquent look at how we benefit psychologically physically and interpersonally when we practice gratitude In Thanks Robert Emmons draws on the first major study of the subject of gratitude of wanting what we have and shows that a systematic cultivation of this underexamined emotion can measurably change people s lives **Voices of Pentecost** Vinson Synan, 2003 Historian Vinson Synan has gathered sixty representative testimonies of the Spirit s power from the twentieth century Pentecostal movement and beyond Readers will discover the inspiring personal witnesses of such well known and diverse figures as Amy Semple McPherson Oral Roberts Billy Graham Jack Hayford Agnes Ozman Kenneth Hagin Pope John Paul II and many others Synan has also included a few pre twentieth century testimonies including John Wesley and Francis of Assisi Readers and serious students will value these accounts of people receiving the baptism of the Holy Spirit yielding to gifts such as tongues and prophecy and receiving healings and other gifts of the Spirit **Christianity and Politics in Doe's Liberia** Paul Gifford, 2002-05-16 This study examines the role of Christianity in Liberia under the corrupt regime of Samuel K Doe 1980 1990 Paul Gifford shows that in general Liberian Christianity far from being a force for justice and human advancement diverted attention from the cause of Liberia s ills left change to God s miraculous intervention encouraged obedience and acceptance of the status quo and thus served to entrench Doe s power This Christianity devised in and controlled from the

United States thus furthered regional American economic and political objectives which were designed to support Doe's rule

[Pentecostal Currents in American Protestantism](#) Edith Waldvogel Blumhofer, Russell P. Spittler, Grant A. Wacker, Grant Wacker, 1999 Pentecostal Currents in American Protestantism addresses the theme of encounter within the Protestant faith by exploring moments in which identities and boundaries have been established or challenged as the Pentecostal and charismatic movements have taken their place on the American religious scene Examining topics as diverse as the animosity that marked Pentecostalism's encounter with the Holiness movement the forms and results of engagement between Pentecostal missionaries and Protestant mission boards in China and the response of Southern and American Baptists to the charismatic renewal contributors show how the confluence of the mainstream with other streams brings about questioning realignment and change
