Tedesco, 2013-09-15 Legend says that a hairy foul smelling monster haunted Winslow s Mountain a dark foreboding mass of cold gray granite covered with snow and cloaked in mystery Over the past one hundred and fifty years villages near the mountain like Hopewell had lost twelve children who mysteriously vanished in the forest below The last one disappeared forty one years ago Her name was Rachel Grant Folks said that her mother knew what had happened to her nine year old daughter If she did she took that knowledge to her grave Was she kidnapped and murdered

Eaten by a bear or wolf Or was it a curse of nature something half human and half beast that roamed the forest at night looking for wayward children Rachel s disappearance was officially entered by the constable s office below the missing person s category underneath the eleven others where it had stayed for more than four decades As for the legendary creature no one had been able to prove that it existed for no one had ever seen it But that was about to change as fourteen year old Martha McCarty would soon find out *The Mystery of the Haunted Mountain* Dan 'doc' Thomas,2021-02-23 Jake and his friends were warned Oh yes they were warned There was something wrong with that mountain People had disappeared without a trace up there The stories made it more attractive and Jake and his friends decided they had to go hiking and camping on the mountain to see what was there Terror and trouble are what they got when the mountain seemed to unleash its anger at them for invading its boundaries Their stay in the haunted house was bad enough but up on the haunted mountain things got even worse The aftermath of their adventure led to further investigation by a suspicious Jake What he uncovered sent shockwaves through three States and brought him face to face with death and violence From the pillars of the community to the police officers all strata of society was impacted as Jake unraveled the mystery of the haunted mountain with the help of his long time friends Along the way Jake met the girl of his dreams but would he survive long enough to develop the new relationship Loosely based upon a true story this page turning action adventure mystery will keep you thrilled throughout the book It is sometimes intense sometimes funny and always a fun ride It reminds me of the best adventure stories I used to read like *Treasure Island* and others KH *Haunted Mountain* Jean Robinson Westcott,2003-08-01 Twelve year old Rad Sergeant and his little brother Tyler live with their dad on his horse ranch They are living every boy s fantasy until a rumor of a ghost living in the mountain behind their ranch is reported Rad intends to find out if the ghost is real and enlists the help of his two best friends Max Frost and Peter Logan to help investigate Before the story ends the boys survive a tornado Rad falls into a pit that nearly takes his life and they come face to face with the ghost The characters of Mountain Valley are real kids dealing with every day problems who need fantasy occasionally These kids know the simpler way of life the enjoyment of church helping friends and neighbors and keeping their body s drug free Mountain Valley kids are dynamic characters that demonstrate real living not the kind that carries one away on a broomstick *The Haunted Mountain* Wilhelmine Gerber Wright,1935 *The Haunted Mountain* Robert Ervin Howard,2014-07-28 The *Haunted Mountain* is a short story by Robert Ervin Howard Robert Ervin Howard January 22 1906 June 11 1936 was an American author who wrote pulp fiction in a diverse range of genres He is well known for his character Conan the Barbarian and is regarded as the father of the sword and sorcery subgenre Howard was born and raised in the state of Texas He spent most of his life in the town of Cross Plains with some time spent in nearby Brownwood A bookish and intellectual child he was also a fan of boxing and spent some time in his late teens bodybuilding eventually taking up amateur boxing From the age of nine he dreamed of becoming a writer of adventure fiction but did not have real success until he was 23 Thereafter

until his death at the age of 30 by suicide Howard's writings were published in a wide selection of magazines, journals, and newspapers, and he had become successful in several genres. Although a Conan novel was nearly published into a book in 1934, his stories never appeared in book form during his lifetime. The main outlet for his stories was in the pulp magazine *Weird Tales*. Howard's suicide and the circumstances surrounding it have led to varied speculation about his mental health. His mother had been ill with tuberculosis his entire life, and upon learning that she had entered a coma from which she was not expected to wake, he walked out to his car and shot himself in the head. In the pages of the Depression-era pulp magazine *Weird Tales*, Howard created Conan the Barbarian, a character whose cultural impact has been compared to such icons as Tarzan, Count Dracula, Sherlock Holmes, Batman, and James Bond. With Conan and his other heroes, Howard created the genre now known as sword and sorcery, spawning many imitators and giving him a large influence in the fantasy field. Howard remains a highly read author, with his best works still reprinted. Howard spent his late teens working odd jobs around Cross Plains, all of which he hated. In 1924, Howard returned to Brownwood to take a stenography course at Howard Payne College, this time boarding with his friend Lindsey Tyson instead of his mother. Howard would have preferred a literary course but was not allowed to take one for some reason. Biographer Mark Finn suggests that his father refused to pay for such a non-vocational education. In the week of Thanksgiving that year, and after years of rejection slips and near acceptances, he finally sold a short caveman tale titled *Spear and Fang*, which netted him the sum of 16¢ and introduced him to the readers of a struggling pulp called *Weird Tales*. Now that his career in fiction had begun, Howard dropped out of Howard Payne College at the end of the semester and returned to Cross Plains. Shortly afterwards, he received notice that another story, *The Hyena*, had been accepted by *Weird Tales*. During the same period, Howard made his first attempt to write a novel, a loosely autobiographical book modeled on Jack London's *Martin Eden* and titled *Post Oaks Sand Roughts*. The book was otherwise of middling quality and was never published in the author's lifetime, but it is of interest to Howard scholars for the personal information it contains. Howard's alter ego in this novel is Steve Costigan, a name he would use more than once in the future. The novel was finished in 1928 but not published until long after his death.

*The Haunted Mountain - Publishing People Series* Robert Ervin Howard, 2020-10-25 THE reason I despises tarantulas, stinging lizards, and hydrophobia skunks is because they reminds me so much of Aunt Lavaca, which my Uncle Jacob Grimes married in a absent minded moment when he was old enough to know better. That there woman's voice plumb puts my teeth on edge, and it has the same effect on my horse Cap'n Kidd, which don't generally shy at nothing less'n a rattlesnake. So when she stuck her head out of her cabin as I was riding by and yelled Breck in ri i idge, Cap'n Kidd jumped straight up in the air and then tried to buck me off.

**Mountain Lights** Wade Edward Speer, 2017-03-21 Mysterious nighttime lights near Brown Mountain in North Carolina's Pisgah National Forest have intrigued locals and visitors for more than a century. The result of a three-year investigation, this book identifies both manmade and natural light sources, including some unexpected ones behind North Carolina's most famous ghost story. History, science, and human nature are each found to play a role in the understanding and interpretation of the lights people see.

*The Complete Guide to Middle-earth* Robert Foster, 2001-12-04 For the millions who have already ventured to Middle-earth and for the countless others who have yet to embark on the journey, here is the one indispensable A to Z guide that brings Tolkien's universe to life. EVERY CHARACTER From Adaldrida Brandybuck to Zaragamba, every Hobbit, Elf, Dwarf, Man, Orc, and other resident of Middle-earth is vividly described and accurately located in its proper place and time. EVERY PLACE Colorful and detailed descriptions of geographical entries allow you to pick up the action anywhere in Middle-earth and follow it through *The Hobbit*, *The Lord of the Rings*, and beyond. EVERY THING From stars and streams to food and flora, everything found in Middle-earth is alphabetically listed and, when necessary, cross-referenced. This is truly a master key to Tolkien's Middle-earth.

*The Complete Works of W.H. Auden* W. H. Auden, Christopher Isherwood, 2019-02-19 This volume contains Auden and Christopher Isherwood's dramatic extravaganzas *The Dog Beneath the Skin*, *The Ascent of F 6*, and *On the Frontier*. It also includes the two versions of *Paid on Both Sides*, which are so different as to constitute two works, and Auden's satiric revue *The Dance of Death*. Two plays appear in print for the first time: Auden and Isherwood's *The Enemies of a Bishop* and Auden's *The Chase*. Also included are Auden's prose and verse written for documentary films, a cabaret sketch, and an unpublished radio script. Many of the texts include poems by the young Auden that have never been published before. The extensive historical and textual notes trace the complex history of the production and revision of these plays, including full texts and rewritten scenes. During the years when these works were created, Auden moved from a poetry of isolation to more expansive and public writing. After he left Oxford at age twenty-one during the summer of 1928, he wrote the tragicomic charade *Paid on Both Sides*. During the next ten years, until he left England for America, he created the increasingly ambitious works for stage, film, and broadcast that appear in this volume. The most important of these plays were written in collaboration with Isherwood. As the world political situation worsened, Isherwood and Auden's style combined the energy of popular entertainment with the urgency of sacramental ritual.

Edward Mendelson is Professor of English and Comparative Literature at Columbia University and the author of *Early Auden*. Viking He is the editor of two volumes of Auden's poetry: *Collected Poems* (Random House) and *The English Auden* (Random House). Originally published in 1988, *The Princeton Legacy Library* uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press.
