The Heart Of Rachael Rachel:

Heart Lamp Banu Mushtaq, 2025-05-21 Longlisted for the International Booker Prize 2025 In *Heart Lamp* Banu Mushtaq exquisitely captures the everyday lives of women and girls in Muslim communities in southern India Published originally in the Kannada these portraits of family and community tensions testify to Mushtaq's years as a journalist and lawyer in which she tirelessly championed women's rights and protested all forms of caste and religious oppression Written in a style at once witty vivid colloquial moving and excoriating it's in her characters the sparky children the audacious grandmothers the buffoonish maulvis and thug brothers the oft hapless husbands and the mothers above all surviving their feelings at great cost that Mushtaq emerges as an astonishing writer and observer of human nature building disconcerting emotional heights out of a rich spoken style Her opus has garnered both censure from conservative quarters as well India's most prestigious literary awards this is a collection sure to be read for years to come *Through the Eyes of the Heart* Dan Festa, 2016-02-25

This book is written as a memoir of 40 plus years of working with human experiences of death grief and bereavement The stories are all similar but uniquely different similar in the sense that they all relate to varying issues embedded in loss They are different in how each of these losses occur The author invites the reader into a world of overwhelming grief brimming with raw emotions The stories are true and tackle the capricious and unpredictable nature of death in a society that seeks to avoid and overcome the reality of death Most of the stories are told from the perspective of a hospital chaplain working with real people While these stories are profoundly sad the author invites the reader to search for and find snippets of hope through a recommitment to life and living constantly holding before the reader the dialectic tension that exists between life and death

Portraits Flora Jean, 2022-04-01 Today is still much like yesterday full of misconceptions about women and their place or roles in the church and society There is so much inequality in life for women especially in leadership roles in the business world and pulpits I am a woman that believes in breaking barriers and is not accustomed to living by man's rules but by God's rules In *Portraits* I am introducing women of the Old and New Testament comparing my life trials and adversities to women of the Old and New Testament There is a prayer after each persona about the particular adversity for all who have been through a similar situation There is a section called *It Is So* throughout the book on random topics that God placed on my mind to enlighten the readers SIT BACK RELAX AND ENJOY THE RIDE **Aim For The Heart** Aria L.

and the whole gang from Dumas's wonderful historical melodrama. These creators' mission was simple: take this long adored story and make it queer. The result is an amazing collection of works exploring the nuances of these characters delving into issues of identity, gender, and sexuality, telling and retelling a story we all know and love. *Mending the Heart, Tending the Soul* Gail Albert, PhD, 2012-10. Ancient tradition says that much of the Bible's deepest wisdom lies hidden beneath the surface text. *Mending the Heart, Tending the Soul* Gail Albert provides a detailed and practical guide to such deep wisdom, providing interpretations, contemplative meditations, and personal experiences to act as guides for the spiritual journey. Exploring texts from Genesis through Deuteronomy, Albert traces a path of psychological growth and spiritual transformation that addresses the big questions: Who am I? What is life about? How should I live each day? Where is God? How can I find peace? *Mending the Heart, Tending the Soul* seeks to speak to your heart at each step of the way on the path toward enlightenment. *Aunt Rachael* David Christie Murray, 1886. *Leading the Way* Elisha Oluwafemi, 2019-09-17. *Leading the Way* is the first volume of The Prince of God series, set to achieve these objectives: 1. To replicate kings and priests after Christ; 2. To reveal the relevance of the Bible to the contemporary world; 3. To serve as a manual of Biblical facts for religious and political leaders; 4. To promote justice in a corrupt world; 5. To serve as motivation for the inevitable and imminent reforms in Nigeria; 6. To offer Bible-based developmental programs; and 7. To reveal the roles of the church as we approach the close of age. In this volume, Oluwafemi writes extensively on the true grace of God wherein we stand. **Genesis: A Study of the Beginning** Jeffrey Hamilton, 2009-05-27. Study the first book of the Bible while studying biblical concepts as they are introduced in the text, such as Who is God? Who is Satan? Is Sin Inherited? Marriage, Faith, Trials of Life, Prayers, and Overcoming Fears. **Lesbian Texts and Contexts** Karla Jay, Joanne Glasgow, 1990-06. Lesbian writers include some of the most innovative and adventurous writers of this century, but only recently have they been given their due attention in terms of critical study. This book is the first anthology to discuss the subject of lesbianism as it relates to the critical interaction among readers, writers, and literary critics. It explores lesbian texts in terms of identification, meaning, and interpretation, and examines the complex entanglements of identity, voice, intersubjectivity, textualities, and sexualities. A wonderful exploration of the varieties of life choices lesbians can and do make. This book once again proves that telling the truth about yourself is a revolutionary act. Rita Mae Brown. They will probably drum Karla Jay and Joanne Glasgow out of the academy for this one. A college text that is witty, literate, interesting, and can be read for fun. What's the world coming to? *Lesbian Texts and Contexts*, dry title, wonderful book. Barbara Grier, Editor. Naiad Press. To call this collection much needed or eagerly awaited would be the understatement of the year. It's thrilling to think of the new readings of classic texts, the new directions for theory, and maybe best of all, the new range of literary encounters in the classroom that will be enabled by this radical intervention on the critical scene. Eve Kosofsky Sedgwick, Duke University. Excellent, challenging, sexy, never boring. **I Should Have Known Better** Linda Angel, 2010-07-29. Follow the serpentine road of dating and relationships through Linda's amusing dating experiences.
