The Heart's Highway Mary E. Wilkins Freeman, 2016-05-01 Fans of historical romance will relish this finely wrought novel from American author Mary E Wilkins Freeman who brings her unique skill with characterization and local color to a memorable love story that is set in the Tidewater area of Virginia during colonial times      **The Heart's Highway** Mary Eleanor Wilkins Freeman, 1905      *The Heart of a Father* Karl Thompson, 2019-12-31 A book on the heart of a father can be multidimensional The two areas that I will focus on are faith and finances which are key to becoming productive citizens God placed us on earth to occupy and have dominion over it We were created to be citizens of God's kingdom Therefore as believers we have dual citizenship status Despite geographic boundaries we have one common homeland called earth and one common fatherland called heaven Citizenship has responsibilities It requires strong faith in God our creator On earth we are required to carry out responsibilities as part of our dominion mandate We are required to meet our financial responsibilities and respect and love each other That means we must be financially educated We must demonstrate prudent use of the gifts that he has given us and attest to his goodness Man has yet to demonstrate true citizenship      *The Heart's Highway* Mary Eleanor Wilkins Freeman, 2015-01-02 In 1682 when I was thirty years of age and Mistress Mary Cavendish just turned of eighteen she and I together one Sabbath morning in the month of April were riding to meeting in Jamestown We were all alone except for the troop of black slaves straggling in the rear blurring the road curiously with their black faces It seldom happened that we rode in such wise for Mistress Catherine Cavendish the elder sister of Mistress Mary and Madam Cavendish her grandmother usually rode with us Madam Judith Cavendish though more than seventy sitting a horse as well as her granddaughters and looking when viewed from the back as young as they and being in that respect as well as others a wonder to the countryside But it happened to day that Madam Cavendish had a touch of the rheumatics that being an ailment to which the swampy estate of the country rendered those of advanced years somewhat liable and had remained at home on her plantation of Drake Hill so named in honour of the great Sir Francis Drake though he was long past the value of all such earthly honours Catherine who was a most devoted granddaughter had remained with her although I suspected with some hesitation at allowing her young sister to go alone except for me the slaves being accounted no more company than our shadows Mistress Catherine Cavendish had looked at me after a fashion which I was at no loss to understand when I had stood aside to allow Mistress Mary to precede me in passing the door but she had no cause for the look nor for the apprehension which gave rise to it By reason of bearing always my burthen upon my own back I was even more mindful of it than others were who had only the sight of it whereas I had the sore weight and the evil aspect in my inmost soul But it was to be borne easily enough by virtue of that natural resolution of a man which can make but a featherweight of the sorest ills if it be but put in the balance against them I was tutor to Mistress Mary Cavendish and I had sailed from England to Virginia under circumstances of disgrace being indeed a convict      *The Homiletic Review* , 1917      **The Heart's Highway** Mary
