Breakthrough: How to Overcome Doubt, Fear and Resistance to Be Your Ultimate Creative Self Todd Mitchell,2021-11-09 An Immensely valuable book There are plenty of books out there on creativity but none like this an essential read for anyone who is seeking inspiration about the creative life Laura Pritchett winner of the PEN USA Award for Fiction author of Stars Go Blue Break free of toxic success myths Transcend the suffering artist paradigm Actualize your immense creative potential If you ve ever struggled with doubt fear procrastination or disappointment while trying to create this book is for you Breakthrough goes where no other books on creativity dare to tread exposing the toxic success myths that hold people back and revealing radical perspective shifting solutions Through concise friendly chapters that weave together personal experiences with guidance from research and nondual philosophical traditions readers are given pragmatic ways to turn potential breakdowns into life changing breakthroughs **Intrinsic Hope** Kate Davies,2018-05-01 A different kind of hope for living in these turbulent times Climate disruption Growing social inequality Pollution We are living in an era of unprecedented crises resulting in widespread feelings of fear despair and grief Now more than ever maintaining hope for the

future is a monumental task Intrinsic Hope offers a powerful antidote to these feelings It shows how conventional ideas of hope are rooted in the belief that life will conform to our wishes and how this leads to disappointment despair and a dismal view of the future As an alternative it offers intrinsic hope a powerful liberating and positive approach to life based on having a deep trust in whatever happens The author a hopeful survivor shows how to cultivate intrinsic hope through practical tips and six mindful habits for living a positive courageous life in these troubled times Whether working directly on ecological or social issues or worried about children and grandchildren this book is for everyone concerned about the future and looking for a deeper source of hope for a better world AWARDS GOLD 2018 Nautilus Book Awards Social Grand Prize Overall Winner GOLD 2018 Nautilus Book Awards Personal Growth Running the Spiritual Path Roger D. Joslin, 2013-09-17 Running the Spiritual Path is Roger D Joslin s compelling and inspiring guide to making running a spiritual sport Imagine achieving physical fitness and spiritual growth simultaneously Roger Joslin s step by step program is an engaging exploration of his conviction that spiritual well being is as likely to happen while running along the trails of a favorite park as it is within the more traditional settings of neighborhood churches synagogues or mosques Through awareness chants and visualization and through attention to the most evident aspects of the present moment the weather pain or breathing the simple run can become the basis for a profound spiritual practice In Running the Spiritual Path Roger D Joslin combines the insights gathered from thirty years of running with a personal spiritual journey that is guiding him to the priesthood While drawing from and exhibiting an abiding respect for the traditions and sacred practices of the world s great religions the author describes a heretofore unexplored method of sacred running of bringing meditation and a prayerful communion to the running trail **A Short History of Stupidity** Stuart Jeffries, 2025-08-21 We are living it is often said in a golden age of stupidity in which boneheaded mendacious politicians get elected by voters who ve become too mindless to realize their interests are ill served by narcissists while vapid social media influencers corrupt their no less witless followers with groundless conspiracy theories and eye wateringly foolish takedowns of scientific expertise Our time one might be forgiven for thinking is one in which the fool s gold of stupidity has become a desirable commodity a must have with bumbling celebrities venerated more than those who have more than two brain cells to rub together In this book Stuart Jeffries analyses how we got into this parlous state and wonders if the stupid like the poor are always with us or if rather stupidity is like Japanese knotweed difficult to root out but to be exterminated with extreme prejudice He considers what some of the greatest of minds Socrates Buddha Voltaire Arendt and others have to tell us about the slippery nature of stupidity During a narrative that takes us from ancient Greece to artificial intelligence and accompanied by such heroes of stupidity as Flaubert s double act Bouvard and Panchette Jeffries casts a sceptical eye on attempts to root out stupidity by such means as IQ tests eugenics gene editing and racist education policies finding each attempt to be more stupid than the stupidity they were ostensibly devised to eradicate If today we are living in a fool s paradise has our species become too dim to learn anything

our psyche Manifest our full potential Let go of the things that are holding us back Lead a happier richer and more fulfilling life Know and express our true Self Realise that what we have been searching for has always been here inside of us Recognise that the opportunity to awaken is always right here and now *What Am I Here For?* Martin C. Bala,2024-03-18 We all go through life with similar struggles and desires but not everyone follows their childhood dreams not everyone is successful or at least feels that way There are also moments in your life when something unusual happens An accident a health problem or something bigger than your job your career In those moments life loses its meaning and you start to think Is what I am doing now all there is Is this what I dreamed of as a child What am I here for Similar questions have been on my mind for more than two decades of my life and I have found answers that I am willing to share with you in this book People who are truly successful do things differently than most and it is not too late for you to learn what they know Without finding your purpose true success can be very difficult to achieve It is never too late to change the way you think to act differently and to make a difference Everyone needs to believe in something even if it is only in their own abilities I invite you on an exciting journey of self discovery and the beginning of a new phase of your life What you will find in this book is a great insight into the psychology of who you are and a different perspective on widely accepted truths It will teach you how to work on yourself and apply the knowledge you find to your own life I've turned my life around and so can you You already have what you need Find out how you can live the life of your dreams The world of subjective contrast and compassion Is a false world built entirely By each person's imagination Nothing is as it seems Zen proverb **Owning it: Your Bullsh*t-Free Guide to Living with Anxiety** Caroline Foran,2017-05-11 THE NUMBER ONE BESTSELLER For readers of You Are a Badass A bullsh*t free perspective and a no frills account of anxiety from the front line Through the filtered lens of social media it may seem like life's a peach but for lots of people journalist and author Caroline Foran included anxiety is always bubbling beneath the surface Here she chronicles her experiences From being unable to cope with the thought of venturing outside to walking away from her fast paced job to the different and sometimes controversial treatments available from Cognitive Behavioural Therapy to acupuncture to medication Caroline shows us how she eventually found a way of owning her anxiety so that it doesn't own her With extensive research and help from the experts Owning It is written with honesty and a bullsh*t free perspective consider it your ultimate practical guide that aims to get you feeling good again *The Sword from the Scabbard* James Mone,2007-10-25 Depression suicide and drug use are issues that will one way or another have an affect on all our lives The search for meaning in life has almost been given up in exchange for short term pursuits and goals The question must now be asked if the modern world has placed nihilism at the centre of its world view If this is so then the advice of a man who brought meaning into his own life and the lives of those around him is well needed Can we overcome our own cultural bias to understand that the man known as the Buddha and his teachings have so much to show us about ourselves and our place in the world *Let Your Dog Out!* Spirit Jordache,2015-07-09 Let Your Dog Out is author

Spirit Jordache's gift to everyone that is fascinated by Eckhart Tolle's teachings Cesar Millan's methods dog lovers cat lovers and all spiritual seekers In this beautifully and delightful story you get to follow the author's ten year journey to enlightenment through the lessons from his pets You will experience all the common setbacks and hurdles all spiritual seekers suffer and how to overcome them and reach the light [The Catholic Weekly Instructor](#) ,1845

Psychology in the Indian Tradition Ramakrishna K. Rao, Anand C Paranjpe, 2023-03-06 Professors Ramakrishna Rao and Anand Paranjpe are two distinguished psychologist philosophers who pioneered what has come to be known as Indian psychology In this authoritative volume they draw the contours of Indian psychology describe the methods of study define the critical concepts explain the central ideas and discuss their implications to psychological study and application to life The main theme is organized around the theme that psychology is the study of the person They go on to present a model of the person as a unique composite of body mind and consciousness Consciousness is conceived to be qualitatively and ontologically different from all material forms The goal of the person is self realization which consists in the realization of the true self as distinct and separate from the manifest ego It is facilitated by cultivating consciousness which leads to some kind of psycho spiritual symbiosis personal transformation and flowering of one's hidden human potentials

What the Buddha Never Taught Tim Ward, 2013-08-30 There is still a place in the jungles of Thailand where you can leave it all behind A cult classic and bestseller in the 1990s What the Buddha Never Taught is a humorous behind the robes account of life inside one of the strictest jungle monasteries in Southeast Asia In Pahnachat the monks keep the 227 rules laid down by the Buddha including refraining from all killing But how does a foreign monk cope with cobra in the outhouse or the temptation of a Mars Bar in his begging bowl Find out in this newly reincarnated 20th anniversary edition with a new introduction by the author and a new foreword by Wade Davis

Clean of Heart Rosemarie Scott, 2006 Clean of Heart is written for practicing Catholics who accept all the teachings of the Church yet are still ensnared by pornography and self abuse There is hope Through the Sacraments God provides all the grace one needs to become pure No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice Our Lord can still break the addiction What makes Clean of Heart different First it is written from a Catholic point of view While Evangelical Christians have many books and programs for pornography addicts there are few titles on the market for Catholics Clean of Heart consists of forty three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints elements lacking in many Evangelical books Second Clean of Heart is a surprisingly chaste book It contains no obscenities or explicit testimonies which may be an occasion of sin for some The focus is on attaining a clean heart rather than recalling past sins ,
