it's time to deal with what it was that drove her away in the first place Christmas at the Little Waffle Shack It's December in Heritage Cove and along with the village Christmas tree frosty mornings and the promise of the most wonderful time of the year the new waffle shack is about to open And its owner isn't a stranger to the Cove because after all this time Daniel is back to make amends with his brother Harvey as well as a few other locals he might have offended along the way Fairly new to the village local blacksmith Lucy has kept up the pretence of being with her ex for the sake of his gran but she's fed up with all the lies Determined to come clean and live the life she wants to live she's devastated to find that her attraction to Daniel is tainted by the fact he's hiding a few things of his own Heritage Cove is full of friendship and community it's a welcoming place people visit and never want to leave But will it work its magic for Daniel and Lucy Summer at the Twist and Turn Bakery The Heritage Bakery is finally getting the makeover it deserves with sisters Jade and Celeste modernising the place and putting their own stamp on it while retaining all the charm of days gone by But Jade has far more planned than a brand new kitchen and fancy cake designs Etna owns the village tea rooms and when she hears that local man Harvey is looking for a labourer to help him renovate the bakery after being let down at the last minute she suggests to her nephew Linc that it may just be the change he needs to get his head straight Linc arrives in the Cove willing to give it a go and he works hard but what he hadn't envisaged was anything bordering on a romance When a tall dark handsome stranger appears in the village and turns Jade's world upside down will it be enough to make her abandon her plan before she even sets the wheels in motion And has Linc missed his chance to tell her how he really feels      *Dressing with Purpose* Carrie
