

A Guide For The Married Man

The Married Man

George Moore

The Married Man:

The Essential Guide for the Married Man E Paul Allerton, 2020-12-02 Marriage and becoming a father are two of the most important Rites of Passage in a man's life. Unfortunately, our society no longer recognizes them as such, nor do the elder men prepare, counsel, and train the younger men to succeed in these endeavors. As a result, good men and women enter marriage with false expectations and misconceptions about how to create a successful marriage and a meaningful life. There is hope. If you are struggling, losing faith in your marriage, don't quit. You can learn and master the principles to be successful, end the conflict, save your marriage, and restore your family. If you are not married, you can prepare yourself to enjoy the best that a lifelong marriage can bring. You can lead your family to thrive, providing your children a secure and loving home. At the end of the day, it all comes down to your ability to lead yourself, and then your ability to lead your family based on your actions. The direction of your leadership comes from the foundation of your life, your purpose. Your purpose will determine the qualities of character that you must develop. You must consciously choose and master the attitude necessary to sustain the self-discipline to navigate the storms of life so that you can serve your purpose. If you remain focused on these four attributes of your life and firmly rooted in your values, you will create an amazing legacy for yourself, your wife, your children, and your community. Truly practical guidance for real success. **The Married Man. A New Song**, 1790* [The Married Man](#) Robert Grant, 1925 [The Married Man's Survival Guide](#) Dennis Dziedzic, 2021-08-27 For far too long, married men have been left out in the cold to fend for themselves in their marriages. Too often, men feel that they have to choose between being a good husband and being a good man. No matter what you choose, you'll still be faced with the same dangers inherent in married life. They are many, but they all have the same outcome: a weakening masculinity which will deliver the marriage to an eventual dead bedroom. What if there was a 3rd choice? A choice that would cultivate a healthy manliness which you could apply to the marriage. It would involve successfully navigating the dangers of marriage. For that, you'll need a guide. And that's just what you'll find inside. A comprehensive explanation of 9 of the most perilous hazards to your masculinity, along with mindsets, strategies, and tactics to help you overcome them and make your marriage into something wonderful. Into a sanctuary of healthy communication and deep intimacy. *The married man's mentor* Lucas Lovibond, 1899 *The Married Man*, 1996 **The Married Man** George Moore, 2018-02-02 Excerpt from *The Married Man: An English Tale In Which Is Attempted an Illustration of the Passion of Jealousy in Its Effects on the Human Mind*. The ram increased and the thunder became louder; he listened for a renewal of the sounds, but a dreary silence succeeded and was only interrupted by powerful gusts of wind.
