The Men Of Matriarchy A Few More Good Funerals Newtons Sewer:

The Men of Matriarchy Tony Martin,2000-11-17 The Men of Matriarchy is composed of two books Book One A Few More Good Funerals begins in central Texas in 1838 and traces the creation and evolution of the East Texas matriarchy through Jane White and her descendents in Sugar Springs to the present day Book Two Newtons Sewer is the contemporary story of Dub Newton one of Jane Whites descendents and the impact the matriarchy had on his life and his character Together the two books are an accurate and detailed account of life in East Texas **East Texans Love To Talk** Tony Martin,2001-08-10 East Texans Love To Talk is a collection from over a lifetime of listening to his relatives friends and residents of East Texas The stories are sometimes humorous sometimes factual and sometimes sentimental Their value is that they reflect what native East Texans believe to be or perhaps want to be the truth about their heritage In some instances the tales are told to correct what the narrators believe to be the misleading or false information printed and taught about East Texas by politically correct historians Some of the stories simply spring from Bonnet s imagination and are told to reflect something real about the East Texas and East Texans he has known **A Millenium Primer For Elected Municipal Officials** Matthew Bonnet,2001-06-19 The Millenium Primer for Elected Municipal Officials is the natural product of twenty years of public service and living and working in the political maelstrom called small town politics Matthew Bonnet takes each of the normal operational divisions of the typical municipality and explores its deepest recesses He searches for the humor and irony found in each area but at the same time he exposes its weaknesses and strengths Bonnet exaggerates and overstates but he does not lie As ridiculous as some of his examples and anecdotes may seem they are true Sad But true Many good men and women serve their communities as elected officials for several years without having a clue as to some of the things Bonnet exposes in this Primer There are no sacred cows left standing when Bonnet leaves the room Civil Service City Attorneys Fire Departments State regulators and inspectors Congressmen and even the Great Generation all fall prey to his pen Those who know Bonnet understand that his sarcasm and honesty is tempered with love and respect for those with whom he has spent most of his life working But that does not buy them a free pass from the scrutiny of the dreaded Primer The Men of Matriarchy Matthew Bonnet,2000-11 The Men of Matriarchy is composed of two books Book One A Few More Good Funerals begins in central Texas in 1838 and traces the creation and evolution of the East Texas matriarchy through Jane White and her descendents in Sugar Springs to the present day Book Two Newton s Sewer is the contemporary story of Dub Newton one of Jane White s descendents and the impact the matriarchy had on his life and his character Together the two books are an accurate and detailed account of life in East Texas **Forthcoming Books** Rose Army,2001
