My Life in Poem TaMarra Cooley,2023-02-09 The title of this book My Life in Poem is an illustration of the various trials I endured from 2018 through March 2020 This book not only details my journey to a place of peace and faith in God but chronicles some of the hardships I had victory over in the process This book shows how I am a living testimony and not tested and moaning I did not run and tell what my children and I endured to social media sites and you still may not capture the wrongs of others in this book That is not the purpose There are books movies and television shows showing how womenaEURwho have been rejected and left to carry the family after infidelity rocks their worldaEURreact This book gives another option It is not popular and not easy however with determination and being fully reliant on God all things are possible And oh yeah it all works out for my good

The Merry-Go-Round of Thoughts Edelynn Tobing,2023-03-31 A short depiction of what it s like to have a mind that can t rest Depression and anxiety is a deathly combination Reading this book is not going to be a comfortable ride It s going to be up and down and spin around and around and around I know how it feels to be overwhelmed with feelings but struggle to find the words to express it Feeling unable to talk about it or unable to find the words for it is such a painful feeling So I hope in this book you can find some words or ideas that you can use for yourself or for your love ones to understand you Sometimes it s hard for others to understand but they do want to try to understand what it s like to have a head that spins like the merry go round

The Remainder of My Life Troy Carlyle,2007-04-01 A compelling account of one man s coming to terms with his own mortality and in the process learning how to live a fuller life At times lighthearted this is a deeply probing and fascinating snapshot of today s often absurd politics regarding equal rights and healthcare and a must read for anyone affected by HIV or the AIDS virus Mr Carlyle writes with conviction and a true affection for the reader an insightful account that will leave you wondering what has happened to America and asking for more from this remarkable new voice A fine first edition thoroughly indexed for easy reference Also includes the short story 2007 a time traveling saga set in both modern times and just after the Civil War that imagines a world without prejudice
