The Message From Patmos A Postmillennial Commentary On The Of Revelation:

The Message from Patmos David S. Clark, The Message from Patmos offers a postmillennial commentary on the Book of Revelation Written by David S Clark this work explores the prophetic text exploring its significance and implications Scholars recognize it as a culturally important contribution to our understanding of Revelation **The Message from Patmos** David S. Clark,1921 **The End Times Controversy** Tim F. LaHaye,Thomas Ice,2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future The Time Is Near Ian Foley,2016-05-31 The Time Is Near the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away The reader then receives a clear view of a complete prophetic picture of Gods plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts The Time Is Near presents concise statements of position that begin with Daniel dwell on Jesus and Paul and then focus primarily on Revelation By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events The Time Is Near invites readers reflection and testing In a time in which the worldwide church faces great challenges The Time Is Near speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next *Last Days Madness: Obsession of the Modern Church* Gary DeMar,1999-08 Last Days Madness explains the most difficult prophetic passages clearly and concisely Gary DeMar sheds the light on Daniel 7 13 14 9 24 27 Matthew 16 27 28 2 Thessalonians 2 2 Peter 3 3 13 and dozens more He identifies the Beast the Antichrist and the Man of Lawlessness and clears the haze regarding Armageddon the rebuilding of the temple the meaning of 666 and much more This ground breaking book is guaranteed to make you think and is your survival guide and spiritual compass to insure you escape the paralysis of last days madness **Lions, Locusts, and the Lamb** Michael Kuykendall,2019-01-28 The symbolism of Revelation has puzzled readers for centuries Every generation falls prey to extreme views of interpretation Even worse they minimize the importance of John s Apocalypse by not teaching or preaching from it Yet Revelation is a profound work of New Testament theology and warrants a close study John expects and prepares believers to follow the Lamb through suffering and possible martyrdom The problem is centered on what the symbols mean Are they literal Are they symbolic Do the images refer to events and people in the first century or to the last days of planet

earth Moreover how is the book structured Is it one vision four visions or more Are the visions linear or recapped Lions Locusts and the Lamb Interpreting Key Images in the Book of Revelation demonstrates a way to unlock John s structure and unravel his symbols The key is to follow a logical step by step interpretive approach that accents the historical cultural intertextual extratextual and particularly intratextual allusions and connections The result is a book that delivers the basic meaning of three hundred images and categorizes them into an accessible guide for teachers preachers and readers of Revelation

Back to the Future Ralph E. Jr. Bass, Ralph Bass, 2004-07 After embracing the theology of Dispensationalism for thirty three years doubts grew in the author s mind concerning the issues raised by eschatological questions While pastoring he avoided the subject But one day he was asked questions on prophecy that he simply could no longer answer with commitment or conviction It was time to find some real answers This book began as Sunday school lessons to provide those real answers Long after the Sunday school lessons ended the study and the writing continued Not satisfied with Sunday school answers Dr Bass wanted something definitive for his own benefit and the benefit of others This work is an effort to provide that substance that body of learning beyond the Sunday school class for those that demand more much more Feeling that much of what was out there on the subject was sorely wanting Dr Bass envisaged another work from the loyal opposition of the prevailing opinion something written from a deep conviction in the sufficiency and trustworthiness of Scripture yet something fare different from the usual offerings This book is the result of the author s quest

Behold, the Revelation of Jesus Christ James E. Smith, Ph.D., 2016-12-08 An introduction to the Book of Revelation in the New Testament is followed by a verse by verse commentary on the biblical text

The Revelation of Jesus Christ David Crenshaw, 2020-08-10 While many theological commentaries have been written on the book of Revelation this one has been written as an easy to understand commentary for those without a seminary education It is not an in depth theological treatise for the use of trained pastors The author is a pastor who has spent more than twenty five years studying and teaching the book of the Revelation in various conservative churches It is unique in that it addresses the issues of the book of Revelation from what is known as the realized millennial or what Dr Jay E Adams described as the orthodox preterist position This position affirms that the events of Revelation are past preterist with the exception of the events in the last two chapters The main attraction to most readers will be the fact it does not use footnotes or endnotes and is therefore much easier to read and understand It will also be attractive because it biblically addresses the erroneous view present in much of the modern church that the events of the Revelation are still future to our time Additionally the book establishes how the events described in the Revelation are related to Old Testament practices and prophecies and it demonstrates the faithfulness of God in keeping His promises to His people

Revelation Thomas Nelson, 2020-03-31 How can we understand the book of Revelation and its many interpretations Four Views of Revelation A Parallel Commentary covers the traditional views in an even handed fashion Four parallel columns present the information you need on these key views and inform you about
