The Messianic Hope A Divine Solution For The Human Problem:

The Messianic Hope Arthur W. Kac, 1975 *A Primer on Messianic Prophecy* Cynthia C. Polsley, 2023-10-13 An introduction and survey that digs into the Bible's picture of the Messiah's entire career from Genesis to Revelation. A Primer on Messianic Prophecy is for anyone interested in learning more about Messianic prophecy, its support for Jesus' identity as the Christ, and its meaning for our present and future. Exploring the Messiah's First and Second Comings as they are described throughout the Bible and with attention to archaeology, biblical feasts, and the Jewish wedding system history and current events, this Scriptural synopsis examines Messianic prophecies that span all of time. Some are fulfilled, yet many are to come. Covering topics from the beginning of creation to the last days and beyond, A Primer on Messianic Prophecy is a foundational and inspirational text for readers wanting a better understanding of the Bible's intricate inerrancy and picture of the key figure throughout Scripture: Jesus Christ, Lamb of God and Lion of Judah.

A Timeless Script From a 1st Century Doctor Rick Farmer, 2024-09-26 Before Dr. Farmer, I absolutely hated school. Dr. Farmer saw me as a human being, not just a student. He forced me to think for myself. He was my professor and my mentor. He pushed me to see there are no limits to my opportunities to come. Dr. Farmer believed in me when I did not believe in myself, whether making a jump shot or making a good grade. Tianna G. Crockett, M.A., Bluefield University. Rick Farmer combines keen biblical insights with a wise devotional heart as he leads the reader through the unique and powerful advent of Christ contained in the Gospel of Luke. Rick's A Timeless Script is just what the doctor ordered for those looking for a Guide through Advent and beyond. Henry W. Clary, Ph.D., Professor, Bluefield University. We're sick and in desperate need of a doctor to both diagnose and treat. In A Timeless Script from a 1st Century Doctor, Dr. Rick Farmer wisely recommends Luke's Gospel, written by a physician whose treatment plan would be initially resisted or downright rejected by most. But Luke's Gospel, specifically the first two chapters, highlights the uniquely universal cure capable of healing us all. The Advent of Christ: The story of the birth, life, death, and resurrection of Jesus, who embarked on a mission to save, teach, and heal, offers a remedy for all. Despite the heartache, pain, and suffering found in this timeless story, it is the miraculous truth of faith, hope, and love that provides us with the prescription we desperately need. If you are seeking to be restored to a healthy state of mind and body so you can live a life of meaning and purpose, look no further. Scott Weibling, Author of River Guide, Published by Scott Weibling, 2017.

The Coming Millennial Kingdom Nathan E. Jones, 2025-06-03 Live in Anticipation of Christ's Coming Kingdom. God ordained human government to restrain evil and punish evildoers. Tragically, our governments have consistently failed to protect their citizens from all forms of lawlessness, hunger, diseases, wars, natural disasters, and human suffering. Will this misery ever end? Does God give us any hope for the future? The Coming Millennial Kingdom explores God's answer to the failure that is human government: the 1,000-year reign of Jesus Christ on earth after His return. Nathan explores what Bible prophecy reveals about our glorious future once the King sits upon the Davidic throne, helping you catch a glimpse into what life will be like living

during this incredible time defined by peace righteousness justice and joy understand God's intentions to reward His children and fulfill His prophetic promises to Israel and the church embrace hope through the eager expectation of Christ's perfect just and imminent rule over the entire earth Human governments will one day end Discover how Christ's coming victory and your role in it can equip you to navigate today's challenges with sure faith and confidence Genesis Miguel A. De La Torre, 2011-10-23 This volume in the Belief series provides a new and interesting theological interpretation of Genesis through the themes of liberation and the concerns of the poor and marginalized De La Torre wrestles with Genesis texts remembering Jacob's wrestling at Peniel Gen 32:24-32 and finds that there are consequences when we truly wrestle with the biblical text struggling to see the face of God This commentary provides theological and ethical insights that enables the book of Genesis to speak powerfully today **Three Perspectives** Steven H. Propp, 2009-12 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self-examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti-Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migrant named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11, 2001 Join a diverse cast of characters some of whom appeared in the author's earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1976 The Uniqueness of Jesus Christ Yusufu Turaki, 2009 The Case for Jesus the Messiah John Ankerberg, 2011-12-03 Are there remarkable prophecies in the Hebrew Scriptures which identify a future Messiah Are these prophecies so exact that they predict specific future events such as the exact time place of birth Have these prophecies been miraculously fulfilled If so what does this signify Could these prophecies indicate the Judeo-Christian Scriptures are a divine revelation could they constitute evidence that even skeptics would have to consider In this book 3 scholars trained in

apologetics comparative religion the Semitic languages the Old Testament examine the evidence for fulfilled prophecy Do you like mysteries Can you unravel from the Scriptural evidence the identity of the one predicted The authors approach to the topic is like searching for clues in a mystery novel If you have ever asked if there is evidence that reveals the reality nature of God the answers the authors have uncovered may cause you to reexamine your view of reality **Jesus Christ in World History** Jan A.
