Richard Bailey

The Micro Economy Today 9th Ed W Study Guide And Student Problem Setpb:

Economy Today Bradley R. Schiller, 2002-05 The Economy Today is exceptionally well suited for this task From its inception this text has been motivated by policy issues The primary goal has been to help students understand the challenges of economic policy and the consequences of specific actions like tariffs regulation and tax reform It has always provided a balanced discussion of these issues allowing students to assess different perspectives on critical issues For this edition instructors will particularly appreciate the unique chapters that provide a solid foundation for explaining illustrating and assessing major Trump initiatives Chapter 16 for example is devoted to supply side theory a core foundation of Trumponomics Students can explore the theoretical basis for tax cuts deregulation and immigration reform Chapter 35 on international trade goes beyond the theory of comparative advantage to explain why and how some market participants seek to erect trade barriers The unique chapter devoted to deregulation Chapter 27 examines the rationale for government regulation of industry the inherent trade offs and the consequences of deregulation The same kind of insistence on critical thinking about policy issues is apparent in Chapter 28 on environmental protection
