The Millennium Scrolls:

The Millennium Scrolls Robert Bailey, 2001 In Jerusalem a new millennium dawns While working on a controversial building project in the occupied West Bank David Weisman a young Israeli engineer accidentally uncovers a mysterious bronze cylinder which soon land him in danger and threatens to rip the Holy City apart **The Dead Sea Scrolls and the Christian Myth** , **The Dead Sea Scrolls and Contemporary Culture** Adolfo D. Roitman, Lawrence H. Schiffman, Shani Tzoref, 2011-03-21 This volume contains the proceedings of the international conference held at the Israel Museum in Jerusalem in July 2008 in honor of the 60th anniversary of the discovery of the Dead Sea Scrolls *The Scroll* , *The Art of the Chinese Picture-Scroll* Shane McCausland, 2023-10-25 The first extended history of the Chinese picture scroll The Chinese picture scroll a long horizontal painting or calligraphic work has been China's pre eminent aesthetic form throughout the last two millennia This first history of the picture scroll explores its extraordinary longevity and adaptability to social political and technological change The book describes what the picture scroll demands of a viewer how China's artists grappled with its cultural power and how collectors and connoisseurs left their marks on scrolls for later generations to judge **Catalogue of the Collection of Pottery** Toledo Museum of Art, 1912 **The Ritual** David L Ross, 2022-04-11 Several moons hang low over the islands of Aguaterre within the Great Volcanic Ring where earthquakes volcanoes and roiling sea make for a rough existence But the world is changing the political landscape is shifting many dangers approach but people have secret hopes for something better Garrison beaten and berated knows there's more to life than the chores of the farm and forge and abuse from his blacksmithing father Ellinvale trapped in a walled estate within a walled city chafes at the time honoured tradition of matchmaking that limits her future as a woman The Dragon King protected in his high tower studies the impassable Churn a long swath of frothy ocean that likes to smash his ships to pieces against the jagged rocks of the Maw He needs to send battalions of Amphibians across the Churn if he is to achieve his ambition to reign over the world When Garrison sets out alone on a special trip beyond Crossroads to deliver his father's wares it puts them all on a path of convergence that could change the course of their futures The Ritual is the first book in the Chronicles of Garrison series At its core it's a story of good versus evil the strength of friendship and the discovery that there is power within **The Lamb of God & The Seven-sealed Scroll** R. Gnanaharan, 2007-09 The author presents a simple user friendly book for believers to understand the future day events and to prepare for the Lords coming His fresh perspective and new insights on the topic are presented in an easy to understand style Christian **Secret Scrolls** Robert M. Price, 2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven't bothered and they wind up

dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one's religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls

The Dead Sea Scrolls in Context Armin Lange, Emanuel Tov, Matthias Weigold, 2011 The Dead Sea Scrolls enrich many areas of biblical research as well as the study of ancient and rabbinic Judaism early Christian and other ancient literatures languages and cultures With nearly all Dead Sea Scrolls published it is now time to integrate the Dead Sea Scrolls fully into the various disciplines that benefit from them This two volume collection of essays answers this need It represents the proceedings of a conference jointly organized by the Hebrew University of Jerusalem and the University of Vienna in Vienna on February 11-14 2008
