Melvyn P. Leffler

The Politics Of Military Unification A Study Of Conflict And Policy Process:

The Politics of Military Unification Demetrios Caraley, Columbia University. Institute of War and Peace Studies, 1966 This is a study of the intense political conflict that took place between 1943 and 1947 over the unification of the military services *The politics of military unification : a study of conflict and the policy process* Demetrios Caraley, Guide to the Study and Use of Military History John E. Jessup Jr., Robert W. Coakley, 2021-05-03 A collection of essays that discuss for the military student and others the nature of history the importance of military history and the applied study of military history The volume includes bibliographical essays on military history descriptive accounts of the historical organization of the U S Army and other parts of the Defense establishment and discussions of the study of military history in foreign armies and in the academic world OVER the years the study of military history has had its ups and downs within the Army In the education of the World War II generation of military leaders it played an important part for the study of past operations held a preeminent place in the Army schools curricula in the period between the two great world wars In the years immediately following World War II it lost that place This happened partly because the information explosion broadened so greatly the areas in which an officer had to be knowledgeable and partly because of a belief that the pace of change in technology had rendered the study of past experience irrelevant In the Army s higher schools military history became largely a matter of using examples from the past in courses dealing with current problems **George F. Kennan and the Making of American Foreign Policy, 1947-1950** Wilson D. Miscamble, C.S.C., 2021-04-13 When George C Marshall became Secretary of State in January of 1947 he faced not only a staggering array of serious foreign policy questions but also a State Department rendered ineffective by neglect maladministration and low morale Soon after his arrival Marshall asked George F Kennan to head a new component in the department s structure the Policy Planning Staff Here Wilson Miscamble scrutinizes Kennan s subsequent influence over foreign policymaking during the crucial years from 1947 to 1950 *A Guide to the Study and Use of Military History* John E. Jessup, 1979 *A Guide to the Study and Use of Military History* John E. Jessup (Jr.), John E. Jessup, Robert W. Coakley, 1979 This Guide to the Study and Use of Military History is designed to foster an appreciation of the value of military history and explain its uses and the resources available for its study It is not a work to be read and lightly tossed aside but one the career soldier should read again or use as a reference at those times during his career when necessity or leisure turns him to the contemplation of the military past **Bureaucratic Politics and Foreign Policy** Morton H. Halperin, Priscilla Clapp, 2007-02-01 The first edition of Bureaucratic Politics and Foreign Policy is one of the most successful Brookings titles of all time This thoroughly revised version updates that classic analysis of the role played by the federal bureaucracy civilian career officials political appointees and military officers and Congress in formulating U S national security policy illustrating how policy decisions are actually made Government agencies departments and individuals all have certain interests to preserve and promote Those priorities and the conflicts they sometimes spark heavily influence

the formulation and implementation of foreign policy A decision that looks like an orchestrated attempt to influence another country may in fact represent a shaky compromise between rival elements within the U S government The authors provide numerous examples of bureaucratic maneuvering and reveal how they have influenced our international relations The revised edition includes new examples of bureaucratic politics from the past three decades from Jimmy Carter s view of the State Department to conflicts between George W Bush and the bureaucracy regarding Iraq The second edition also includes a new analysis of Congress s role in the politics of foreign policymaking

A Preponderance of Power: National Security, the Truman Administration, and the Cold War Melvyn P. Leffler, 2019-07-31 In the United States the Cold War shaped our political culture our institutions and our national priorities Abroad it influenced the destinies of people everywhere It divided Europe split Germany and engulfed the Third World It led to a feverish arms race and massive sales of military equipment to poor nations For at least four decades it left the world in a chronic state of tension where a miscalculation could trigger nuclear holocaust Documents oral histories and memoirs illuminating the goals motives and fears of contemporary U S officials were already widely circulated and studied during the Cold War but in the 1970s a massive declassification of documents from the Army Navy Air Force the Joint Chiefs of Staff the Department of Defense and some intelligence agencies reinvigorated historical study of this war which became the definitive conflict of its time While many historians used these records to explore specialized topics Melvyn Leffler marshals in this book the considerable available evidence to offer an overall analysis of national security policy during the Truman years and a comprehensive history of that administration s progressive embroilment in the Cold War A Preponderance of Power won the 1992 Robert H Ferrell Book Prize sponsored by The Society for Historians of American Foreign Relations SHAFR the 1992 Herbert Hoover Book Award sponsored by The Herbert Hoover Presidential Library Association and the 1993 Bancroft Prize sponsored by the Friends of the Columbia Libraries Each generation if it is lucky is given a book that becomes standard for one of the turning point eras in American history The immediate post 1945 years certainly were such an era and Leffler s work is such a book Having exhausted the U S records taken the globe as his province and exploited the perspective of Communism s recent collapse he has written the account from which others must move if they are to contribute to our further understanding of these origins of the cold war Walter LaFeber Noll Professor of History Cornell University This is a magnificent book It transcends forty years of historical writing about the origins of the cold war and the evolution of the Truman administration s policies Scrupulously documented it will inevitably become the intellectual fulcrum around which all discussions arguments and revisions of cold war historiography henceforth will turn Martin J Sherwin Dickson Professor of History Director of the Nuclear Age History and Humanities Center Tufts University This bold persuasive book puts the self conscious expansion of U S power where it belongs at the center of cold war tensions Leffler effectively establishes that the wise men had a coherent world view devised a grand strategy to satisfy it and extended U S power abroad to meet threats they exaggerated A gem of a book Thomas G

Paterson Professor of History University of Connecticut Leffler's panoramic survey of global developments offers an important reassessment of American policy in the early cold war one that sees American policy driven as much by an expansive definition of national security as by the threat of Soviet imperialism As the cold war comes to an end Leffler presents a fresh appraisal of its origins Michael J Hogan Professor of History Ohio State University Editor Diplomatic History Magisterial This book is without question a major achievement It is a masterly work of synthesis weaving together in a single coherent study the various and often contradictory trends in previous historical writing on the Cold War's origins It is indefatigably researched and most important it is an intellectually honest work A fine book The Atlantic A brilliant new book An invaluable contribution The Nation A Preponderance of Power remains today November 2013 the so far definitive history of US behavior in the Cold War Eric Alterman The Nation The best book to date on the Truman administration and the origins of the Cold War Detroit Free Press A Preponderance of Power will be of immense value to scholars interested in the grand strategy of the Truman administration Leffler has combined a solid grasp of secondary material with a comprehensive and very carefully documented analysis of primary sources including a vast array of previously classified documents The result is not only a more complete record of U S policymakers thinking about national security but also a more nuanced and sophisticated reconstruction of their concerns and objectives Alan C Lamborn American Political Science Review A monumental work rich in information and insights R C Grogan Canadian Journal of History This massive distillation of the perceptions and policy prescriptions of the national security establishment of the Truman years is policy history based on years of exhaustive research in government archives and private papers Leffler's judgment on Truman's men and their work is favorable they were sometimes very wise nearly always prudent and foolish primarily in overvaluing the strategic importance of peripheral areas Gaddis Smith Foreign Affairs A good indeed excellent narrative history straightforward and chronological As a comprehensive and well documented narrative of the Truman administration's response to historic challenges beyond our shores this book will prove indispensable as an up to date guide to further research George Botjer History Leffler's magisterial history of U S security policy in the Truman administration will be widely appealing to political scientists and others grappling with issues in U S postwar security and foreign economic policy Leffler has achieved a powerful synthesis of competing explanations of U S Cold War policy and has strongly elucidated U S grand strategy A Preponderance of Power is a highly ambitious thoughtful and important work of scholarship indisputably the outstanding historical synthesis of U S foreign policy in the early Cold War era Lynn Eden International Security A remarkable piece of work The book's sweep is encyclopedic it covers both military and foreign policy for the entire period from 1945 to January 1953 and deals systematically with American policy in all the important areas of the world eastern and western Europe the Mediterranean the Middle East and the Far East as well The book is based on a vast amount of archival research Marc Trachtenberg Orbis What sets Leffler's work apart from that of most of his predecessors is not only its comprehensive

coverage of Cold War issues its exhaustive at least in American sources research and incisive prose but also the effective integration of political ideological economic and strategic analysis Stephen J Randall International Journal Canada s Journal of Global Policy Analysis Massive brilliant post glasnost analysis of early cold war realities This study of how Truman dealt with a world sealed off to him by FDR is a book and a half Kirkus Offering a new slant on the early years of the Cold War this major reassessment traces the development of national security policy during the Truman administration Based on a rich vein of recently declassified material Leffler s majestic study describes how Harry Truman and his advisers sought to mobilize America s power in order to deal with the dangers of the postwar world and create a global environment hospitable to U S interests and values Publishers Weekly In examining the formulation of policy during the Truman administration Leffler concentrates on the small group of now unfashionably elite white and male individuals who exercised decision making responsibility in the late 1940s and early 1950s We get to know Leffler s main characters Harry Truman Dean Acheson Nitze James Forrestal John McCloy and half a dozen others very well We learn how they saw the world and what they aimed to accomplish Leffler s book is by far the best on its subject H W Brands American Historical Review Leffler s timely book is the product of more than a dozen years of prodigious research and patient investigations into many recently available collections of documents The result is a valuable assessment of prudent policymakers who formulated the blueprints for US Cold War strategies Leffler s interpretation will remain a standard resource for years to come S Prisco III Choice Review Liberty and Coercion Gary Gerstle, 2017-09-27 How the conflict between federal and state power has shaped American history American governance is burdened by a paradox On the one hand Americans don t want big government meddling in their lives on the other hand they have repeatedly enlisted governmental help to impose their views regarding marriage abortion religion and schooling on their neighbors These contradictory stances on the role of public power have paralyzed policymaking and generated rancorous disputes about government s legitimate scope How did we reach this political impasse Historian Gary Gerstle looking at two hundred years of U S history argues that the roots of the current crisis lie in two contrasting theories of power that the Framers inscribed in the Constitution One theory shaped the federal government setting limits on its power in order to protect personal liberty Another theory molded the states authorizing them to go to extraordinary lengths even to the point of violating individual rights to advance the good and welfare of the commonwealth The Framers believed these theories could coexist comfortably but conflict between the two has largely defined American history Gerstle shows how national political leaders improvised brilliantly to stretch the power of the federal government beyond where it was meant to go but at the cost of giving private interests and state governments too much sway over public policy The states could be innovative too More impressive was their staying power Only in the 1960s did the federal government impelled by the Cold War and civil rights movement definitively assert its primacy But as the power of the central state expanded its constitutional authority did not keep pace Conservatives rebelled making the battle over

government's proper dominion the defining issue of our time From the Revolution to the Tea Party and the Bill of Rights to the national security state *Liberty and Coercion* is a revelatory account of the making and unmaking of government in America *War by Land, Sea, and Air* David Jablonsky, 2010-03-23 In this book a retired U S Army colonel and military historian takes a fresh look at Dwight D Eisenhower's lasting military legacy in light of his evolving approach to the concept of unified command Examining Eisenhower's career from his West Point years to the passage of the 1958 Defense Reorganization Act David Jablonsky explores Eisenhower's efforts to implement a unified command in the U S military a concept that eventually led to the current organization of the Joint Chiefs of Staff and that almost three decades after Eisenhower's presidency played a major role in defense reorganization under the Goldwater Nichols Act In the new century Eisenhower's approach continues to animate reform discussion at the highest level of government in terms of the interagency process

As recognized, adventure as with ease as experience just about lesson, amusement, as competently as understanding can be gotten by just checking out a ebook **The Politics Of Military Unification A Study Of Conflict And Policy Process** plus it is not directly done, you could agree to even more as regards this life, not far off from the world.

We have the funds for you this proper as capably as simple exaggeration to get those all. We find the money for The Politics Of Military Unification A Study Of Conflict And Policy Process and numerous books collections from fictions to scientific research in any way. accompanied by them is this The Politics Of Military Unification A Study Of Conflict And Policy Process that can be your partner.

The Politics Of Military Unification A Study Of Conflict And Policy Process Introduction

In today's digital age, the availability of *The Politics Of Military Unification A Study Of Conflict And Policy Process* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *The Politics Of Military Unification A Study Of Conflict And Policy Process* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *The Politics Of Military Unification A Study Of Conflict And Policy Process* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *The Politics Of Military Unification A Study Of Conflict And Policy Process* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *The Politics Of Military Unification A Study Of Conflict And Policy Process* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *The Politics Of Military Unification A Study Of Conflict And Policy Process* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *The Politics Of Military Unification A Study Of Conflict And Policy Process* books

and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Politics Of Military Unification A Study Of Conflict And Policy Process books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Politics Of Military Unification A Study Of Conflict And Policy Process books and manuals for download and embark on your journey of knowledge?

FAQs About The Politics Of Military Unification A Study Of Conflict And Policy Process Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Politics Of Military Unification A Study Of Conflict And Policy Process is one of the best book in our library for free trial. We provide copy of The Politics Of Military Unification A Study Of Conflict And Policy Process in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Politics Of Military Unification A Study Of Conflict And Policy Process. Where to

download The Politics Of Military Unification A Study Of Conflict And Policy Process online for free? Are you looking for The Politics Of Military Unification A Study Of Conflict And Policy Process PDF? This is definitely going to save you time and cash in something you should think about.
