The Popes Uriel R. Limjoco, 2021-04-26 This brief synopsis aims to summarize the influence of the highest leadership on the growth and development of the Catholic Church and to encourage the reader to study the lives of the popes in a more detailed manner Christ entrusted the chair of St Peter to mortals and as mortals they are subject to the same temptations that surround us all Some of them resisted temptation better than others Some succumbed to temptations worse than others May God bless the papacy the Church and the whole world *A History of the Popes* John W. O'Malley, SJ, 2009-11-16 A History of the Popes tells the story of the oldest living institution in the Western world the papacy From its origins in Saint Peter Jesus chief disciple through Pope Benedict XVI today the popes have been key players in virtually all of the great dramas of the western world in the last two thousand years Acclaimed church historian John W O Malley s engaging narrative examines the 265 individuals who have claimed to be Peter s successors Rather than describe each pope one by one the book focuses on the popes that shaped pivotal moments in both church and world history The author does not shy away from controversies in the church and includes legends like Pope Joan and a comprehensive list of popes and antipopes to help readers get a full picture of the papacy This simultaneously reverent yet critical book will appeal to readers interested in both religion and history as it chronicles the saints and sinners who have led the Roman Catholic Church over the past 2000 years The author draws from his popular audio CD lecture series on the topic 2 000 Years of Papal History available through Now You Know Media www.nowyouknowmedia.com The History of the Popes from the Close of the Middle Ages Ludwig Pastor (Freiherr Von), Frederick Ignatius Antrobus, Ralph Francis Kerr, 2014-01-05 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification The History Of The Popes From The Close Of The Middle Ages Drawn From The Secret Archives Of The Vatican And Other Original Sources Volume 6 The History Of The Popes From The Close Of The Middle Ages Drawn From The Secret Archives Of The Vatican And Other Original Sources Ludwig Pastor Freiherr Von Ludwig Pastor Freiherr von Frederick Ignatius Antrobus Ralph Francis Kerr Ernest Graf Edward Francis Peeler B Herder 1898 Religion Christianity Catholic Papacy Religion Christian Church History Religion Christianity Catholic The Popes Rupert Matthews, 2014-09-01 This comprehensive historical reference covers the Apostolic Succession from St Peter to Pope Francis plus a selection of Papal Bulls and teachings The papacy is a unique religious office Lasting two millennia it is one of the oldest and most enduring institutions in the world
