The Porkchoppers:

The Porkchoppers Ross Thomas, 2011-10-04 A union boss fights for his job and his life What Elmore Leonard does for crime in the streets Ross Thomas does for crime in the suites The Village Voice Born to a steelworker but harboring theatrical aspirations Donald Cubbin grew up tempted by two careers A Hollywood scout finally notices him but Cubbin has already taken a job with the local union boss He's always regretted that decision especially now After decades climbing the ranks Cubbin runs the show as the union's president An election looms and his opponent proves to be a dangerously loose cannon Cubbin made dozens of enemies over the years and one has just engaged a hired killer The fight for Cubbin's job starts with muckraking but could end in murder *Florida Atlantic University* Donald W. Curl, 2000-10-09 Built on the site of the abandoned Boca Raton Army Air Field Florida Atlantic University in the short period since its founding in the 1960s has come to be a well regarded institution of higher education in Florida Overcoming such early challenges as poor road systems in the area unsuccessful recruiting efforts and student unrest arising from the Civil Rights Movement and the conflict in Vietnam university leaders tirelessly promoted the vision that would eventually become a reality Florida Atlantic University becoming a successful regional university This engaging pictorial retrospective begins in the days prior to FAU's first semester and depicts the early players in the school's establishment the construction of the first campus buildings and the legislative planning and funding that made much of it possible Fascinating original photographs capture student life through the decades athletic teams and social clubs dormitories and dining halls classes and commencement ceremonies as well as pay tribute to the faculty members and administrators who have helped to shape not just a university but the hearts and minds of countless students through the years *The Backup Men* Ross Thomas, 2011-10-04 Mac McCorkle and Mike Padillo team up to help twin bodyguards in a thrilling crime caper from America's best storyteller The New York Times Book Review The twins who walk into Mac McCorkle's bar look identical despite their differing genders Their names are Wanda and Walter Gothar and from the steel in their eyes it's apparent that their business isn't the friendly kind They've come seeking help from Mac and his partner Padilla an ex CIA agent who has skulked in the world's darkest corners Anxious for a big payday the twins took an assignment out of their depth working as bodyguards for a Saudi prince who came to Washington to sign an oil deal The job fell apart and now the twins are being pursued by the world's two finest killers who take out Walter without breaking a sweat Now Mac and Padilla are faced with a choice Save Wanda or join her in the grave **The Fourth Durango** Ross Thomas, 2003-12 The Fourth Durango is not your ordinary Durango It's not in Spain or Mexico and it's not a ski town in the Colorado Rockies although Durangos do exist in all of those places This Durango has an industry albeit a rather odd one it is a hideout business a place where people pay to find sanctuary from former friends and associates who are either trying to kill them or have them killed Into this Durango comes a former chief justice of a state supreme court followed by son in law Kelly Vines to act as his emissary to the beautiful and savvy mayor Following them come a false priest

and a run of murders It takes a Ross Thomas to stir these characters into a witty and ingenious mix readers will not be able to and certainly would not want to resist *Writing for the Public Good* Steven Noll,2022-04-19 This book presents over 100 important opinion pieces from David R Colburn and Senator Bob Graham two of the most influential public figures in recent Florida history illustrating the power of civic engagement in tackling issues facing the nation **Twentieth Century Crime & Mystery Writers** NA NA,2015-12-25 *How to Write Like Tolstoy* Richard Cohen,2016-05-17 A thought provoking journey inside the minds of the world s most accomplished storytellers from Shakespeare to Stephen King NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE SPECTATOR Richard Cohen s book acted as a tonic to me It didn t make me more Russian but it fired up my imagination I have never annotated a book so fiercely Hilary Mantel There are three rules for writing a novel Somerset Maugham is said to have said Unfortunately no one knows what they are How then to bring characters to life find a voice kill your darlings or run that most challenging of literary gauntlets writing a sex scene What made Nabokov choose the name Lolita Why did Fitzgerald use firstperson narration in *The Great Gatsby* How did Kerouac who raged against revision finally come to revise *On the Road* Veteran editor and author Richard Cohen takes us on an engrossing journey into the lives and minds of the world s greatest writers from Honor de Balzac and George Eliot to Virginia Woolf and Zadie Smith with a few mischievous detours to visit Tolstoy along the way In a scintillating tour d horizon Cohen lays bare the tricks motivations and techniques of the literary greats revealing their obsessions and flaws and how we can learn from them along the way **Crime Fiction as World Literature** Louise Nilsson,David Damrosch,Theo D'haen,2017-02-23 While crime fiction is one of the most widespread of all literary genres this is the first book to treat it in its full global is the first book to treat crime fiction in its full global and plurilingual dimensions taking the genre seriously as a participant in the international sphere of world literature In a wide ranging panorama of the genre twenty critics discuss crime fiction from Bulgaria China Israel Mexico Scandinavia Kenya Catalonia and Tibet among other locales By bringing crime fiction into the sphere of world literature *Crime Fiction as World Literature* gives new insights not only into the genre itself but also into the transnational flow of literature in the globalized mediascape of contemporary popular culture
