victims of the past we are supported by our Higher Self and new happier experiences begin to unfold 2 We all have personal power all the time It depends on how we use it We can choose to respond to a situation or we can choose to be victims By taking responsibility we have the power to change 3 You are in control of your mind You can stop thinking those old thoughts When your old thinking tries to come back and say It s so hard to change take mental command and say to your mind I now choose to believe it is becoming easy for me to make changes 4 We all have different opinions You have a right to yours and I have a right to mine No matter what goes on in the world the only thing you can work on is what is right for you You have to get in touch with your inner guidance because it is the wisdom that knows the answers for you **The Power Is Within**

You Louise L. Hay,2008 Louise expands on her philosophy of loving the self and shows you how to overcome emotional barriers through learning to listen to your inner voice loving the child within letting your true feelings out and much more
