in print Fr Richard Regan has produced this abridgement which passes over some of the full text while retaining what seems most important when it comes to following the flow of Aquinas's thought The Power of Love - The Three Ross J.

Kinnaird,2024-08-23 If I had possessed my brother's magic I would have known how a soul could enchant a God magnetize his will Instead I faced the discovery alone against the odds risking the fate of the entire universe One soul Daniel's soul drove me insane His heart his dreams his connections with the ones he loved whispered of an unbreakable bond There at the turning of the tide at the tipping point between existence and demise his soul saved me saved us all Once again Daniel Anita and Noah stand on the precipice of destiny their hopes shattered by an unforeseen tragedy that threatens to engulf them in despair As the darkness looms ever closer their resolve burns brighter than ever before With each step forward they confront trials that test their strength courage and bonds of friendship But as they march towards the ultimate showdown they must grapple with their own inner demons and confront the harsh realities of sacrifice and loss For in this final battle between light and darkness the fate of every world hangs in the balance and the stakes could not be higher **The Power of**
