The Power To Move For Success:

The Success Quadrant Dr. Robert C. Worstell, Dr. J. B. Jones, 2015-02-05 If You Can Count to Four Here's How to Get Everything You Want Out of Life Yes anyone who will in the spirit of humility and sincere desire study and learn how to use the ideas contained in this book can enjoy a full measure of happiness health and prosperity according to his individuality There is an infinite abundance in this universe Not only is there an infinite abundance of happiness faith love courage joy humility wisdom generosity peace gentleness meekness patience kindness and all such qualities one could ever desire to express habitually but there is an infinite abundance of every material thing that one could ever desire to have in order to express his individuality The reason that so many people do not have the above in abundance is not because there is any shortage it is simply because they are not aware of how to use the laws of Nature If you will learn the ideas contained in this book and use it I guarantee that you will realize your dreams

Stargrave Joseph A. McCullough, 2021-04-29 In a galaxy torn apart by the Last War vast pirate fleets roam from system to system robbing extorting and enslaving Amidst this chaos thousands of independent operators smugglers relic hunters freedom fighters and mercenaries roam the dead stars in small ships scratching out a living any way they can In *Stargrave* players take on the role of one of these independent operators choosing from a range of backgrounds each with their own strengths weaknesses and associated powers Next players must hire a crew for their ship recruiting a lieutenant with a unique skill set and a handful of soldiers mechanics hackers and other specialists Some captains may even recruit strange alien lifeforms with abilities no humanoid could ever possess Once the players crews are assembled they are ready to dive into a campaign Over a series of games their crews will have the chance to carry out a variety of missions recovering lost technology stealing data freeing slaves and fighting back against the pirate fleets In time as the crews gain experience they will become more powerful and hire more talented specialists The more they grow however the more likely it is that a pirate fleet will take note of their activities and come after them
