The Priesthood Of Man

Sarah Hinlicky Wilson

The Priesthood Of Man:

The Priesthood of Man Anthony Douglas Duncan, 1973 **The Greater Light** , 1906 **Woman, Women, and the Priesthood in the Trinitarian Theology of Elisabeth Behr-Sigel** Sarah Hinlicky Wilson, 2013-09-26 Elisabeth Behr Sigel 1907 2005 a convert to Orthodoxy in her early twenties and a central figure of Orthodox theology among Russian migrants in Paris first began to reflect on the question of women in the priesthood in 1976 Initially supporting the general consensus that priesthood would be impossible for the Orthodox she came to retract this view finding a basis for female ordination in women's distinct spiritual charisms Behr Sigel later shifted the foundation of her case to personhood inspired by the work of fellow Orthodox theologian Vladimir Lossky and arrived at the conclusion that all the Orthodox arguments against the ordination of women were in fact heretical at root In this volume Wilson analyzes all of Behr Sigel's writings about women and the priesthood across the whole sweep of her career demonstrating the development of her thought on women over the last thirty years of her life She evaluates her relationship to feminism Protestantism and movements within Orthodoxy finally drawing conclusions about this much contested matter for the ongoing debate in both the East and the West **Theology of the Priesthood** Jean Galot, 2014-02-25 Since the end of Vatican II in 1965 more active involvement of the laity has led many people to wonder about the priest's place in the Church In this masterful work theologian Jean Galot SJ clarifies the nature of the priesthood He explains how the Jewish priesthood the perfect priestly ministry of Jesus and the role of the Twelve help us understand the ministerial priesthood He considers how the priesthood of the faithful and the ministerial priesthood relate to each other and how the latter is by God's design necessary for the former Theology of the Priesthood carefully examines the priest's role as minister of sacrifice and the sacraments prophet of the Word and leader of the Church These and other aspects are summed up according to Galot in the priest's ministry as shepherd This ministry is itself a sharing in Jesus' role as Shepherd The priest does not draw the inspiration for his pastoral zeal from his own feelings from his own personal resolve to create a better world Fr Galot writes He is shepherd on the strength of God's pastoral intention and represents specifically Christ the shepherd Consequently he is called upon to fulfill his pastoral mission not according to ideas of his own and his own personal ambitions but in keeping with God's own dispensation and the design of salvation devised by the Father and carried out by Christ Like Jesus himself the priest is at the service of the Father The book also explores the spiritual life of priests including the role of celibacy It concludes with a discussion demonstrating that the male character of the ministerial priesthood is based on the will of Jesus and is not contrary to women's dignity or their role in the Church

Priest St. Joseph Cafasso, 2009 If every priest in the Church knew this book and practiced what it says we would have a different Church Says the priesthood admits of no mediocrity that a priest will either be a true priest and do immense good or he will be an instrument of great evil Gives firm practical instructions to priests for both their personal life and their ministry delicacy of conscience hearing confessions good example etc By one of the greatest priests who ever lived

Spiritual Theology of the Priesthood Dermot A. Power, 1998-01-01 Hans Urs von Balthasar's writings have pastoral implications that even now are barely recognised and hardly developed Here a pastorally experienced theologian who knew von Balthasar personally unfolds this pastoral dimension for the first time Integrating Christology and Ecclesiology with the profound spirituality that for von Balthasar is inseparable from authentic theology Fr Power demonstrates the paradoxical grandeur and weakness of the Catholic priesthood He highlights the roles of the Catholic priest as servant bridegroom shepherd victim teacher prophet celebrant and minister of reconciliation At a time when many priests feel their identity called into question this book offers new hope for the renewal of the priesthood in the Catholic Church **Why Celibacy?:**

Reclaiming the Fatherhood of the Priest Fr. Carter Griffin, 2019-07-01 The Church today demands a profound renewal of celibate priesthood and the fatherhood to which it is ordered Priestly celibacy some say is an outdated relic from another age Others see it as a lonely way of life But as Fr Carter Griffin argues in *Why Celibacy Reclaiming the Fatherhood of the Priest* the ancient practice of celibacy when lived well helps a priest exercise his spiritual fatherhood joyfully and fruitfully Along the way Griffin explores the question of optional celibacy some pitfalls of celibate paternity the selection and formation of candidates for celibate priesthood why biological fathers are also called to spiritual fatherhood the powerful impact of celibacy on the Church and the wider culture In a critical moment for the Catholic priesthood Fr Griffin brings light and hope with a new perspective on the Church's perennial wisdom on celibacy *The priest's book of private devotion, compiled and arranged by J. Oldknow and A.D. Crake* Priest, 1884 *The Representative Men of the Bible* George Matheson, 1903
