The Prime Ministers From Robert Walpole To Margaret Thatcher

Robert Pearce, Graham Goodlad

The Prime Ministers From Robert Walpole To Margaret Thatcher:

The Prime Ministers, 1996 *The Prime Ministers* George Malcolm Thomson, 1980 **British Prime Ministers From Balfour to Brown** Robert Pearce, Graham Goodlad, 2013-09-02 The origins of the post of Prime Minister can be traced back to the eighteenth century when Sir Robert Walpole became the monarch's principal minister. From the dawn of the twentieth century to the early years of the twenty-first, however, both the power and the significance of the role have been transformed. *British Prime Ministers from Balfour to Brown* explores the personalities and achievements of those twenty individuals who have held the highest political office between 1902 and 2010. It includes studies of the dominant premiers who helped shape Britain in peace and war: Lloyd George, Churchill, Thatcher, and Blair, as well as portraits of the less familiar: Asquith and Baldwin to Wilson and Heath. Each chapter gives a concise account of its subject's rise to power, ideas and motivations, and governing style, as well as examining his or her contribution to policy making and handling of the major issues of the time. Robert Pearce and Graham Goodlad explore each Prime Minister's interaction with colleagues and political parties, as well as with Cabinet, Parliament, and other key institutions of government. Furthermore, they assess the significance and current reputation of each of the premiers. This book charts both the evolving importance of the office of Prime Minister and the continuing restraints on the exercise of power by Britain's leaders. These concise, accessible, and stimulating biographies provide an essential resource for students of political history and general readers alike.

Choosing a Prime Minister Rodney Brazier, 2020-07-03 When the door closes on one prime minister's rule, what happens next? General elections are only one possible way to enter 10 Downing Street. Using all relevant constitutional conventions, precedents, non-legal codes, historical events, and laws, this title offers a comprehensive account of all the circumstances in which the premiership is attained and lost. Over seven chapters, this book follows the sequence of events starting with how a prime minister can lose office, continues on to examine the procedures that then have to be followed, and considers at length the ways in which a politician can become leader of the country. Also explored are the possible emergencies, such as the sudden serious illness or even death of a prime minister, and their constitutional responses. This book concludes by looking at whether the procedures discussed could be set out in an authoritative and user-friendly code, and a sample one is suggested. Covering historical examples and modern turmoil, this book is an essential guide for understanding the rules and processes involved in choosing a prime minister.

The Impossible Office? Anthony Seldon, Jonathan Meakin, Illias Thoms, Tom Egerton, 2024-03-14 Over 300 years, fifty-seven individuals have held the office of British Prime Minister, who have been the best and worst.

Prime Minister and Cabinet Today Graham P. Thomas, 1998 This comprehensive account of a crucial but rather neglected aspect of British government examines the role and significance of the prime minister and cabinet today.

The Prime Minister: The Office and Its Holders Since 1945 Peter Hennessy, 2001-10-05 He illuminates, often for the first time, precise Prime Ministerial attitudes toward and authority over nuclear weapons policy, the planning and waging of war, and the secret

services as well as dealing with governmental overload the Suez crisis and the Soviet threat He concludes with a controversial assessment of the relative performance of each Prime Minister since 1945 and a new specification for the premiership as it meets its fourth century BOOK JACKET *British Politics For Dummies* Julian Knight, Michael Pattison, 2015-01-20 Your updated and revised guide to British politics So you want to be knowledgeable about British politics but don't know where to start You've come to the right place *British Politics For Dummies* is your essential guide to understanding even the trickiest questions surrounding politics in the UK In no time you'll have the confidence to discuss the ins and outs of past and present elections political leaders parties and ideologies Packed with understandable information on the origins history and structure of the UK parliamentary system *British Politics For Dummies* offers a fascinating glimpse into the rollercoaster world of politics Explaining everything from key political ideologies and the spread of democracy to the current election process and the differences between political parties this hands-on friendly guide is an ideal companion to British politics and elections Includes expanded coverage of coalition governments devolution and independence efforts Provides updated information on UKIP and Britain's place in Europe Serves as a helpful guide to elections and British political parties electoral systems voting behaviour and trends and the role of pressure groups and the media Offers a fascinating examination of British politics on the world stage Whether you want to get to grips with British politics and government or build your knowledge beyond the basics this updated edition of *British Politics For Dummies* is the place to start

Harold Wilson and Europe Melissa Pine, 2007-10-24 NJR BLURB IN RAW FORM The second British application to join the European Communities EC was made during Harold Wilson's second Labour government It ended in failure with French President Charles de Gaulle's veto in November 1967 This book traces the development of Britain's policy towards the EC from the veto to the end of Wilson's government in June 1970 It is based upon recently released British archival resources and begins with the puzzle of how it was possible for Edward Heath's Conservative government to open negotiations for membership just twelve days after taking office The book suggests that Wilson's earlier diplomacy was vital for the Conservatives' successful negotiation of British entry by 1973 Despite the 1967 veto the Wilson government continued to focus on Western Europe to the diminution of previously important relationships with the United States the Commonwealth and the European Free Trade Association The book is focused on Wilson and examines his personal role in European policy demonstrating his control over the application his management of cabinet and his efforts to win over key European allies It suggests that a key enabling factor for the pursuit of accession was the complacency of most ministers with the exception of key foreign office ministers On the continent British diplomacy was crucial in creating an environment conducive to the eventual lifting of the French veto and success of the British application It first facilitated meaningful collaboration with some EC member states Second it prevented harmful developments in the Communities that might otherwise have made British accession more difficult Wilson was crucially important to this policy and personally strove to

ensure its success Labour's defeat at the 1970 general election meant that the policy was carried to fruition by Heath and the Conservatives but Wilson's efforts paved the way to eventual British membership

The Book Lover's Guide to London

Sarah Milne, 2022-01-12 Brings literature lovers on a journey through London from Chaucer in the fourteenth century to present day as diverse as the city itself British Heritage Travel Many of the greatest names in literature have visited or made their home in the colorful and diverse metropolis of London From Charles Dickens to George Orwell Virginia Woolf to Bernadine Evaristo London's writers have brought the city to life through some of the best known and loved stories and characters in fiction This book takes you on an area by area journey through London to discover the stories behind the stories told in some of the most famous novels plays and poems written in or about the city Find out which poet almost lost one of his most important manuscripts in a Soho pub Discover how Graham Greene managed to survive the German bomb that destroyed his Clapham home Climb down the dingy steps from London Bridge to the Thames Path below and imagine how it felt to be Nancy trying to save Oliver Twist only to then meet her own violent death Drink in the same pub where Bram Stoker listened to the ghost stories that inspired Dracula the plush drinking house where Noel Coward performed and the bars and cafes frequented by modern writers Tour the locations where London's writers and their characters lived worked played loved lost and died This is the first literature guide to London to be fully illustrated throughout with beautiful color photographs It can be used as a guidebook on a physical journey through London or as a treasury of fascinating often obscure tales and information for book lovers to read wherever they are
