Neil Swidey

The Assist:

The Assist Neil Swidey, 2008-11-11 Jack O'Brien the impossibly demanding basketball coach at Charlestown High School in Boston has led his team to five state championship titles in six years. Less talked about is O'Brien's other winning record. Nearly every one of the players who stuck with his program, poor kids growing up in high crime neighborhoods and saddled with the lousy educational system available in urban America, managed to get to college. But O'Brien is no saint. Saints give without expecting anything in return. O'Brien needs his players and their problems as much as they need him. Revolving around fascinating complex characters, *The Assist* is a captivating narrative of a basketball team in pursuit of a championship that also drills down into the legacy of desegregation and explores issues of education, family, and race. O'Brien is a middle-aged white guy coaching an all-black team playing in an all-white neighborhood that three decades ago was at the center of the busing wars dividing cities across the country, a time and place indelibly described in J. Anthony Lukas's powerful book *Common Ground*. It's the inspiring story of a man who makes a difference and of boys surmounting nearly impossible odds; it is also the story of the ones who don't make it and why.

The Assist Sheldon Cohen, 2005-07 During the days before World War II, two young boys, one Jewish, one German, play football on the same team, little knowing that their paths will cross again on a war-torn battlefield. Max Tepper, the son of Jewish immigrants, becomes the target of anti-Semitism at a very young age. Hopeful for a better future, he enrolls in the university, eager to become a physician like his father. But at the outbreak of World War II, things change. Erich becomes a partisan fighter and devotes his life to the destruction of Nazism. Erich Baeumler, personifying Hitler's dream of the perfect German, brown-haired and brown-eyed, Erich joins the Hitler Youth at the age of ten. As he becomes more involved with the Nazis, Erich's anti-Semitism grows. After Hitler invades Poland in 1939, Erich is more eager than ever to prove his devotion to the Führer. Now an officer in the Wehrmacht, Erich's ruthlessness becomes legendary. But on a battlefield on the Russian front, the two come face to face again. Will good triumph over evil, or will the bonds of a long-ago friendship remain steadfast and true?

The Assist Rebecca Jenshak, 2020-07-25 You know those stories where the smart girl tutors the dumb jock? This isn't it. Blair: What's the probability of insulting the one guy on campus I need to help me pass statistics? If I knew I wouldn't be standing in front of Wes Reynolds, begging him to tutor me. Basketball player, sexy, arrogant, always sleeping through class: these are the things I knew about him. What I didn't know is that he is a seriously smart jock. Wes: What's the best way to get rid of the peppy and unrelenting girl that keeps asking me to tutor her? If I knew I wouldn't be staring at her tan legs and attempting to teach her statistics. Sorority girl, fine as f---, determined ball buster: these are the things I knew about her. What I didn't know is that she is all the things I didn't realize I wanted or needed. Or that one semester with her would change everything. For fans of Helena Hunting, Elle Kennedy, Lauren Asher, Emily Henry, Avon Gale, Toni Aleo, Kristen Callihan, L.J.
