Classical Greek and Roman Drama Robert J. Forman,1989 An essential companion for the student of literature Works selected include the best known works of the classical Greek and Roman theatre **Living and Dying Well in Philipians** Gregory E. Lamb ,2025-03-17 *The Bacchae of Euripides* Euripides,1968-01-01 This new translation of The Bacchae that strange blend of Aeschylean grandeur and Euripidean finesse is an attempt to reproduce for the American stage the play as it most probably was when new and unmutilated in 406 B C The achievement of this aim involves a restoration of the great lacuna at the climax and the discovery of several primary stage effects very likely intended by Euripides These effects and controversial questions of the composition and stylistics are discussed in the notes and the accompanying essay **Plain and Ordinary Things** Deborah A. Dooley,1995-05-25 This book is about women s exploration of the relations between their private and public selves it examines the voices with which women speak to their students their colleagues and themselves The major audience is women interested in women s identity and identity construction as well as writing **Alexandria 1** David Fideler,1991-09-01 Journal of cosmology philosophy myth and culture *Sick and Dirty* Michael Koresky,2025-06-03 A blazingly original history celebrating the persistence of queerness onscreen behind the camera and between the lines during the dark days of the Hollywood Production Code From the 1930s to the 1960s the Motion Picture Production Code severely restricted what Hollywood cinema could depict This included any inference of the lives of homosexuals In a landmark 1981 book gay activist Vito Russo famously condemned Hollywood s censorship regime lambasting many midcentury films as the bigoted products of a celluloid closet But there is more to these movies than meets the eye In this insightful wildly entertaining book cinema historian Michael Koresky finds new meaning in problematic classics of the Code era like Hitchcock s *Rope* Minnelli s *Tea and Sympathy* and bookending the period and anchoring Koresky s narrative William Wyler s two adaptations of *The Children s Hour* Lillian Hellman s provocative hit play about a pair of schoolteachers accused of lesbianism Lifting up the underappreciated queer filmmakers writers and actors of the era Koresky finds artists who are long overdue for reevaluation Through his brilliant inquiry *Sick and Dirty* reveals the bad seeds of queer cinema to be surprisingly even gleefully subversive reminding us in an age of book bans and gag laws that nothing makes queerness speak louder than its opponents bids to silence it [Critical Perspectives on Wole Soyinka](#) Wole Soyinka,1980 Distinguished scholars analyze the plays poetry and prose of Wole Smoyinka winner of the Nobel Prize for literature in 1986 Essays trace his career and place his work in the general context of African literature *Performing Arts Books, 1876-1981* ,1981 [Catalog of Copyright Entries.
